

ACE Infra Managed Services: Nutanix Cluster Capacity Status (Monthly)

Selected Month

All

Detailed View 

Total VM Count for Academy Cluster -

186

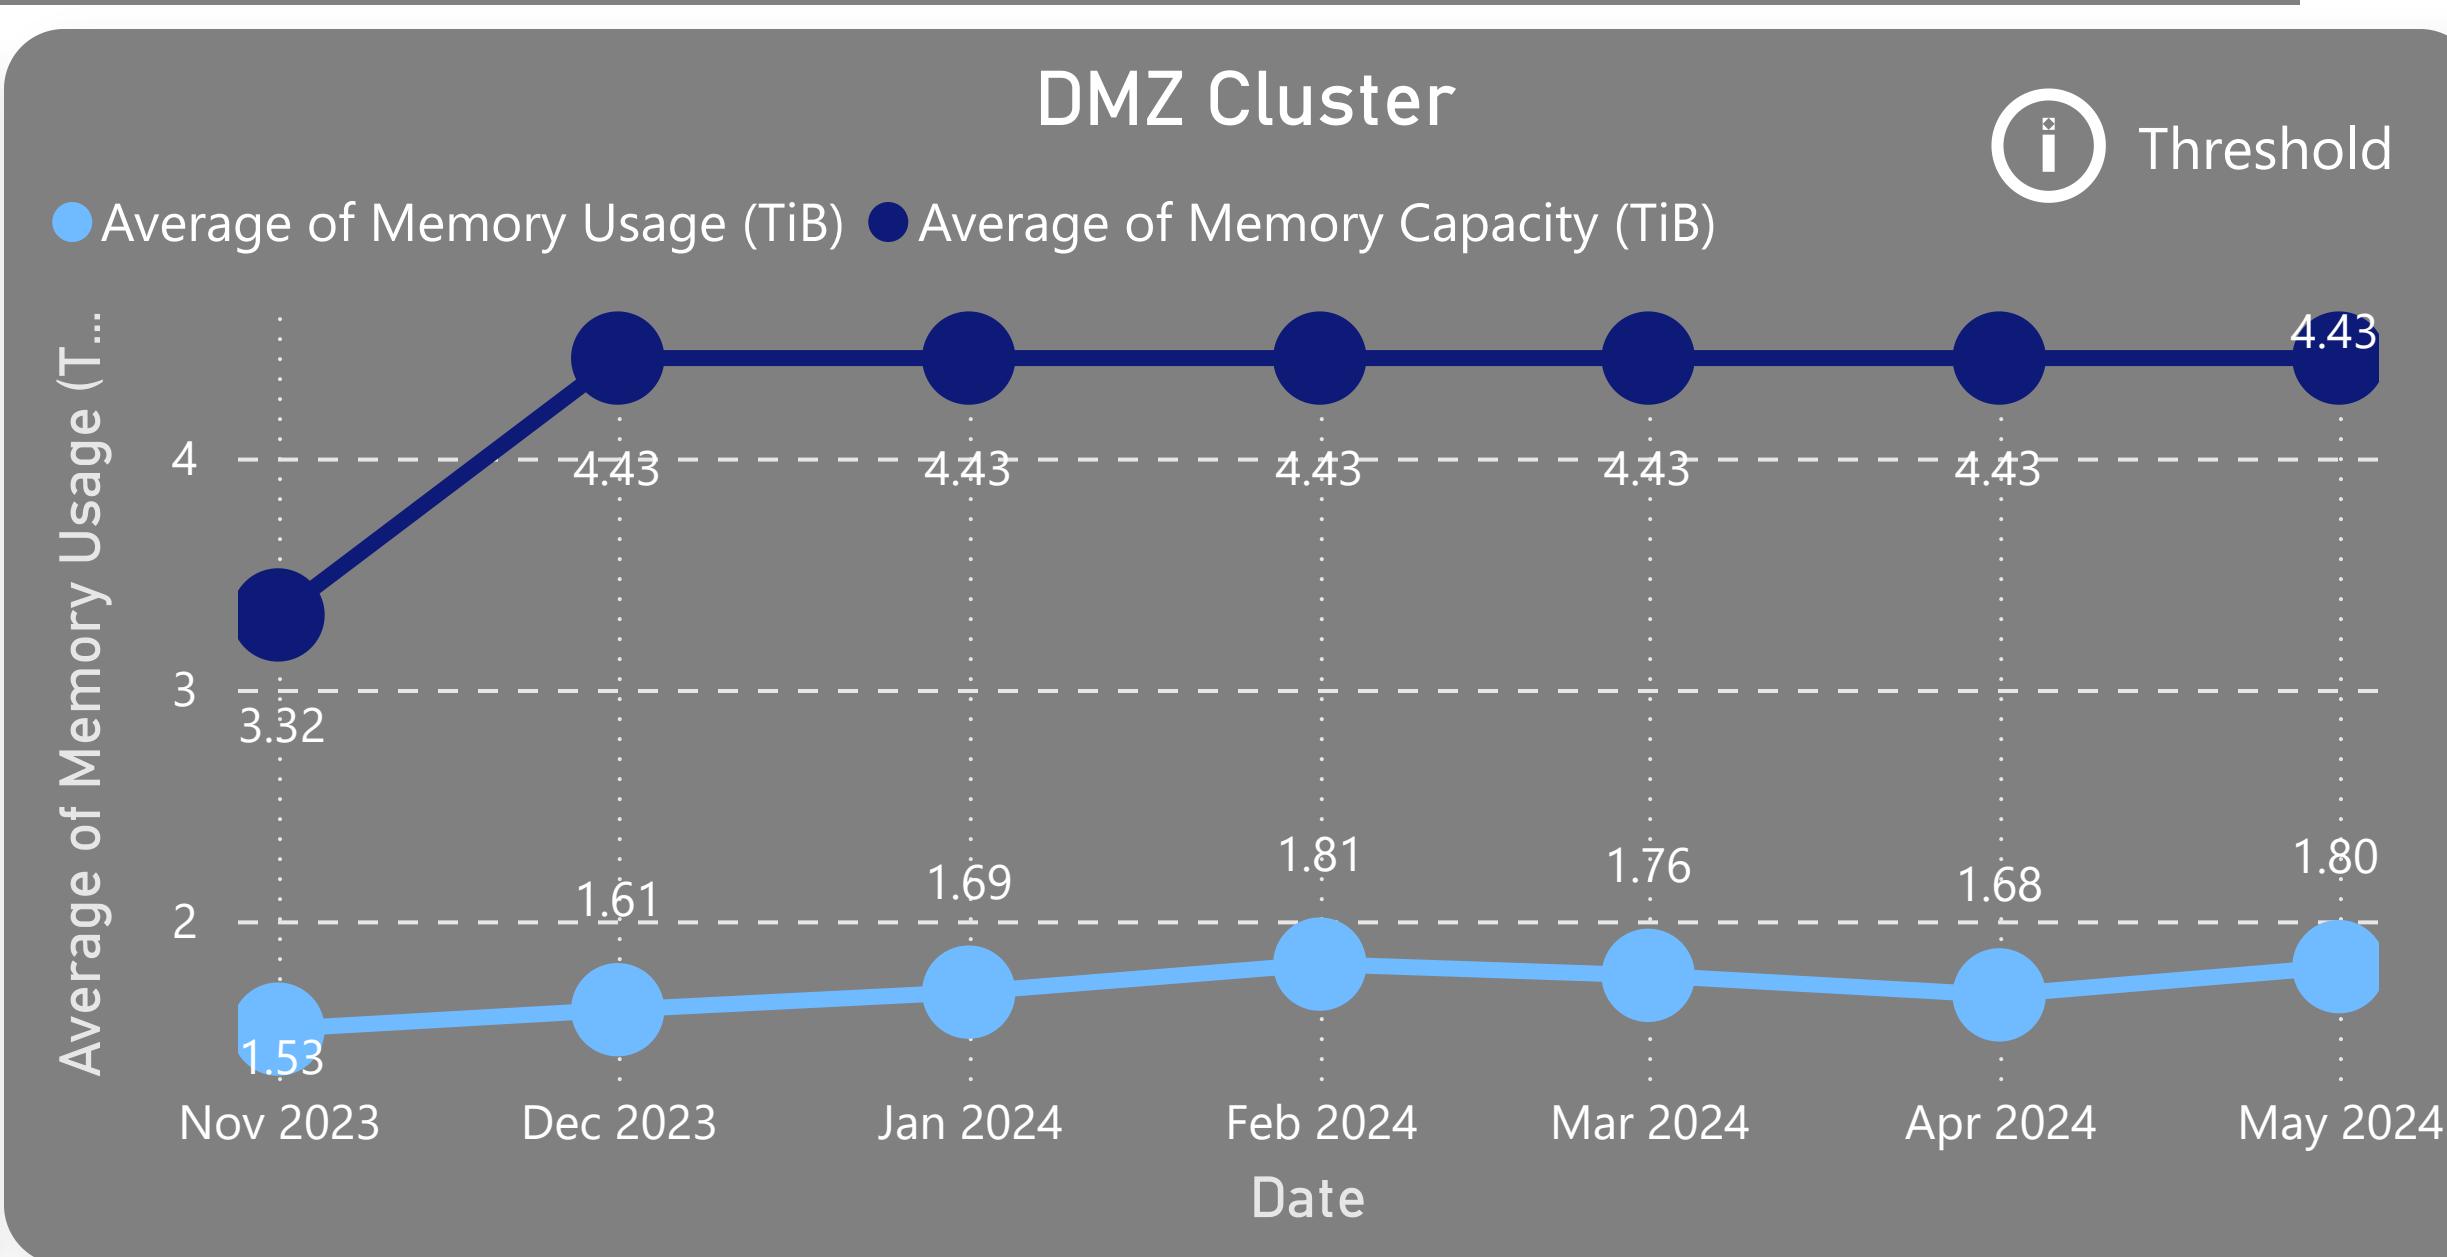

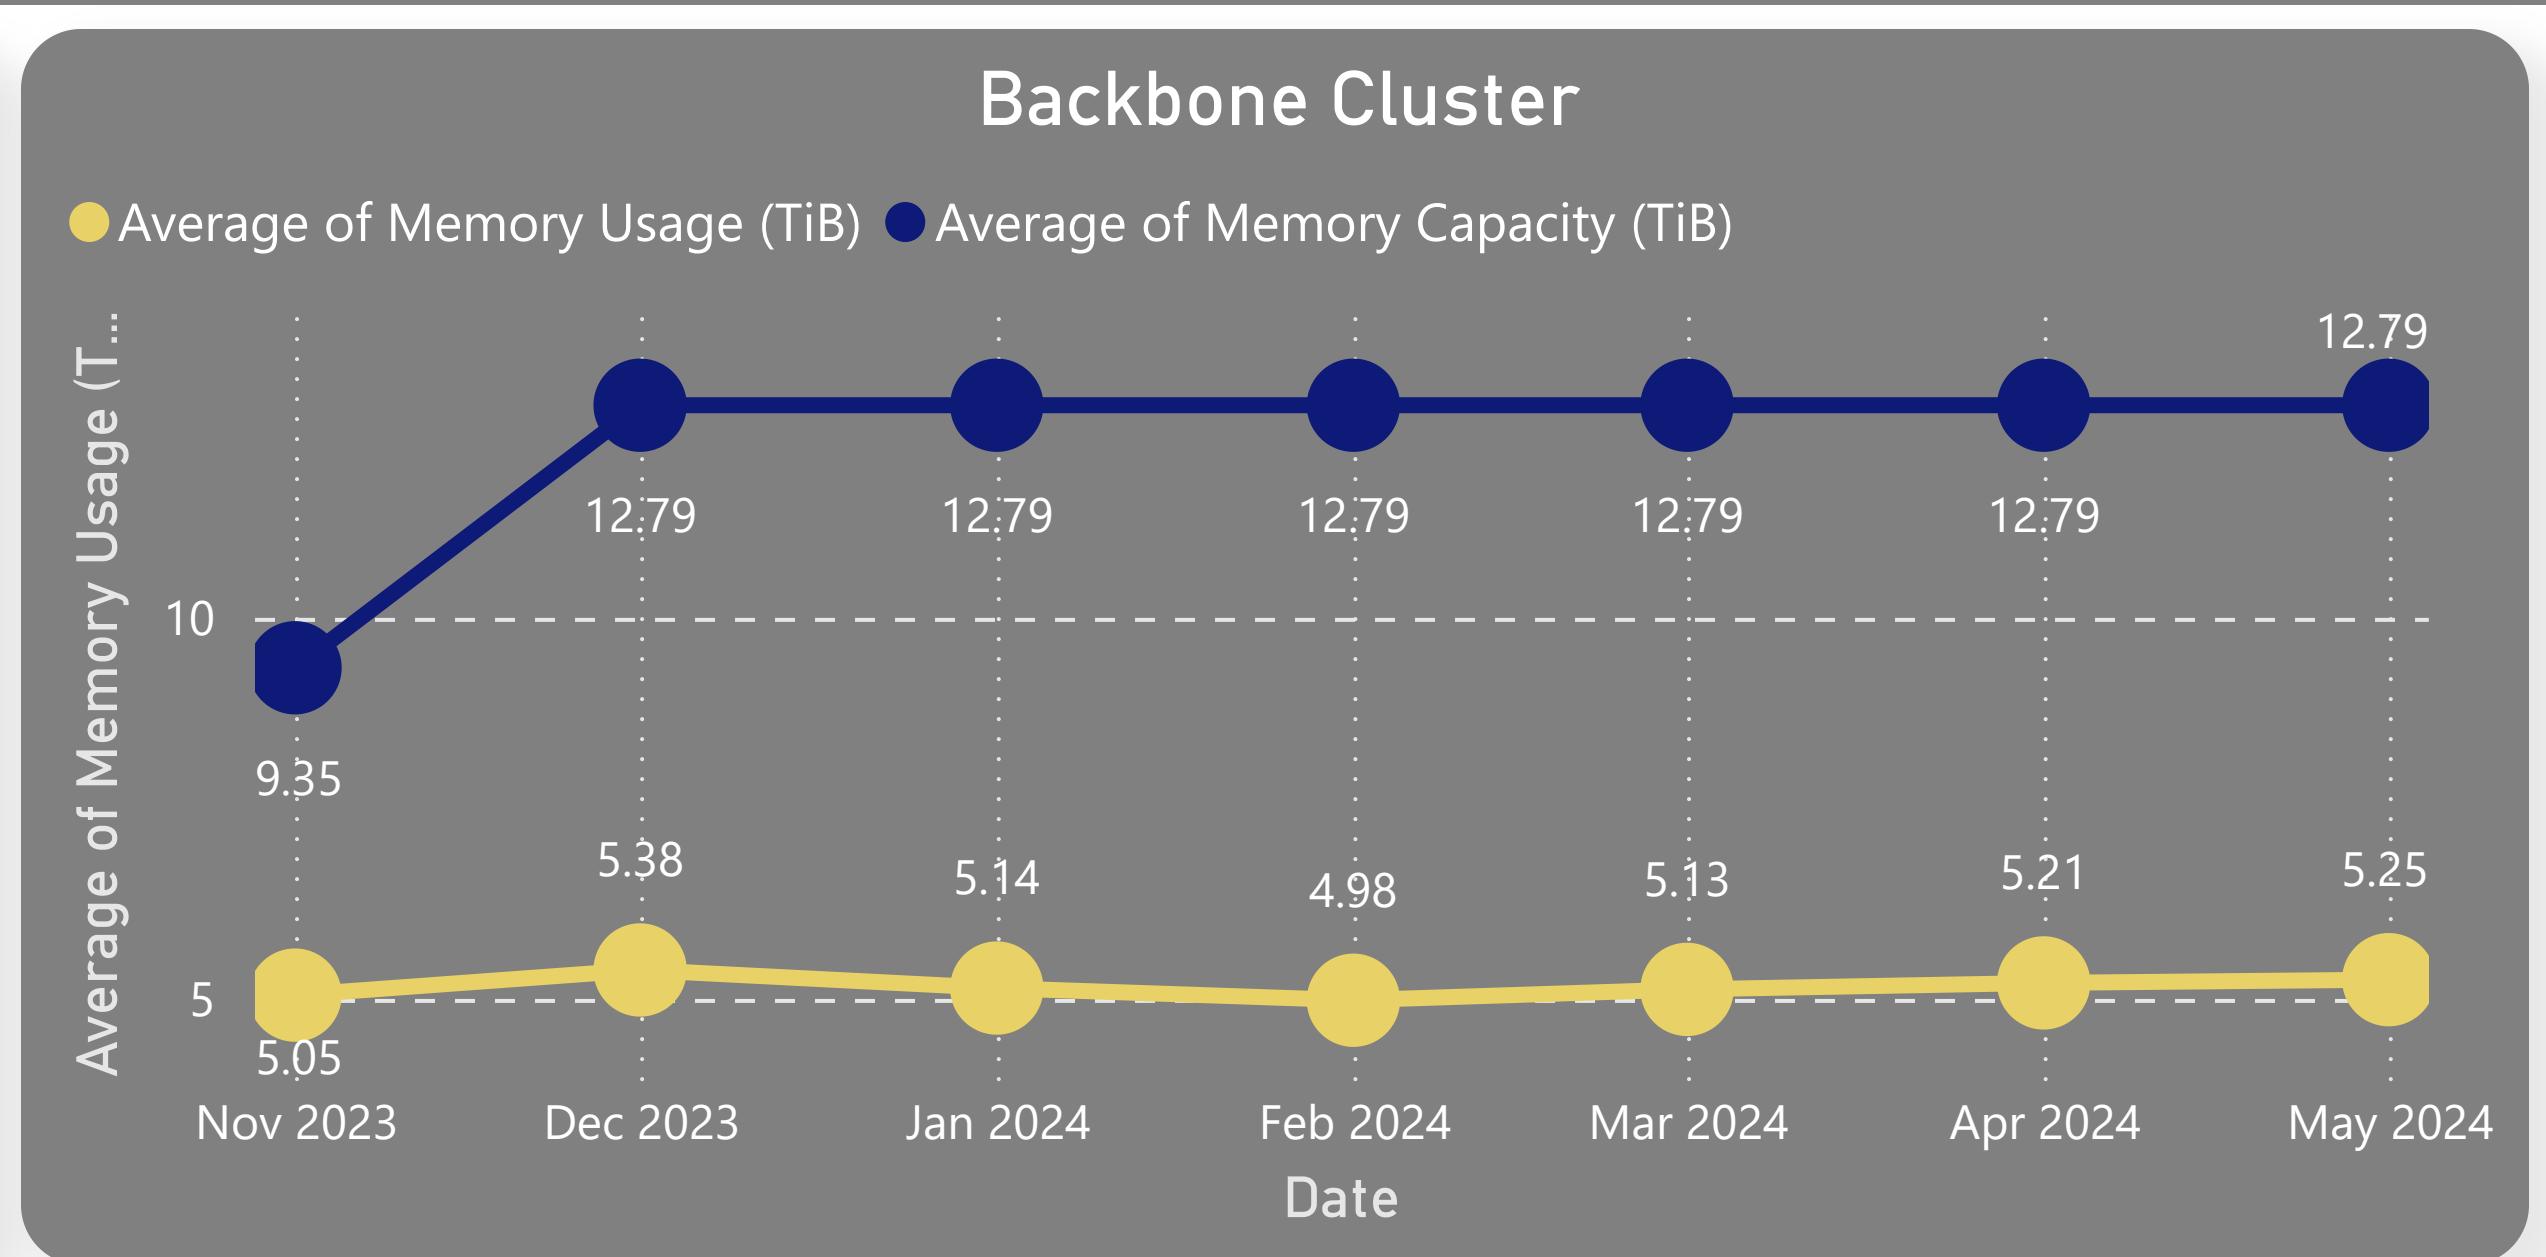

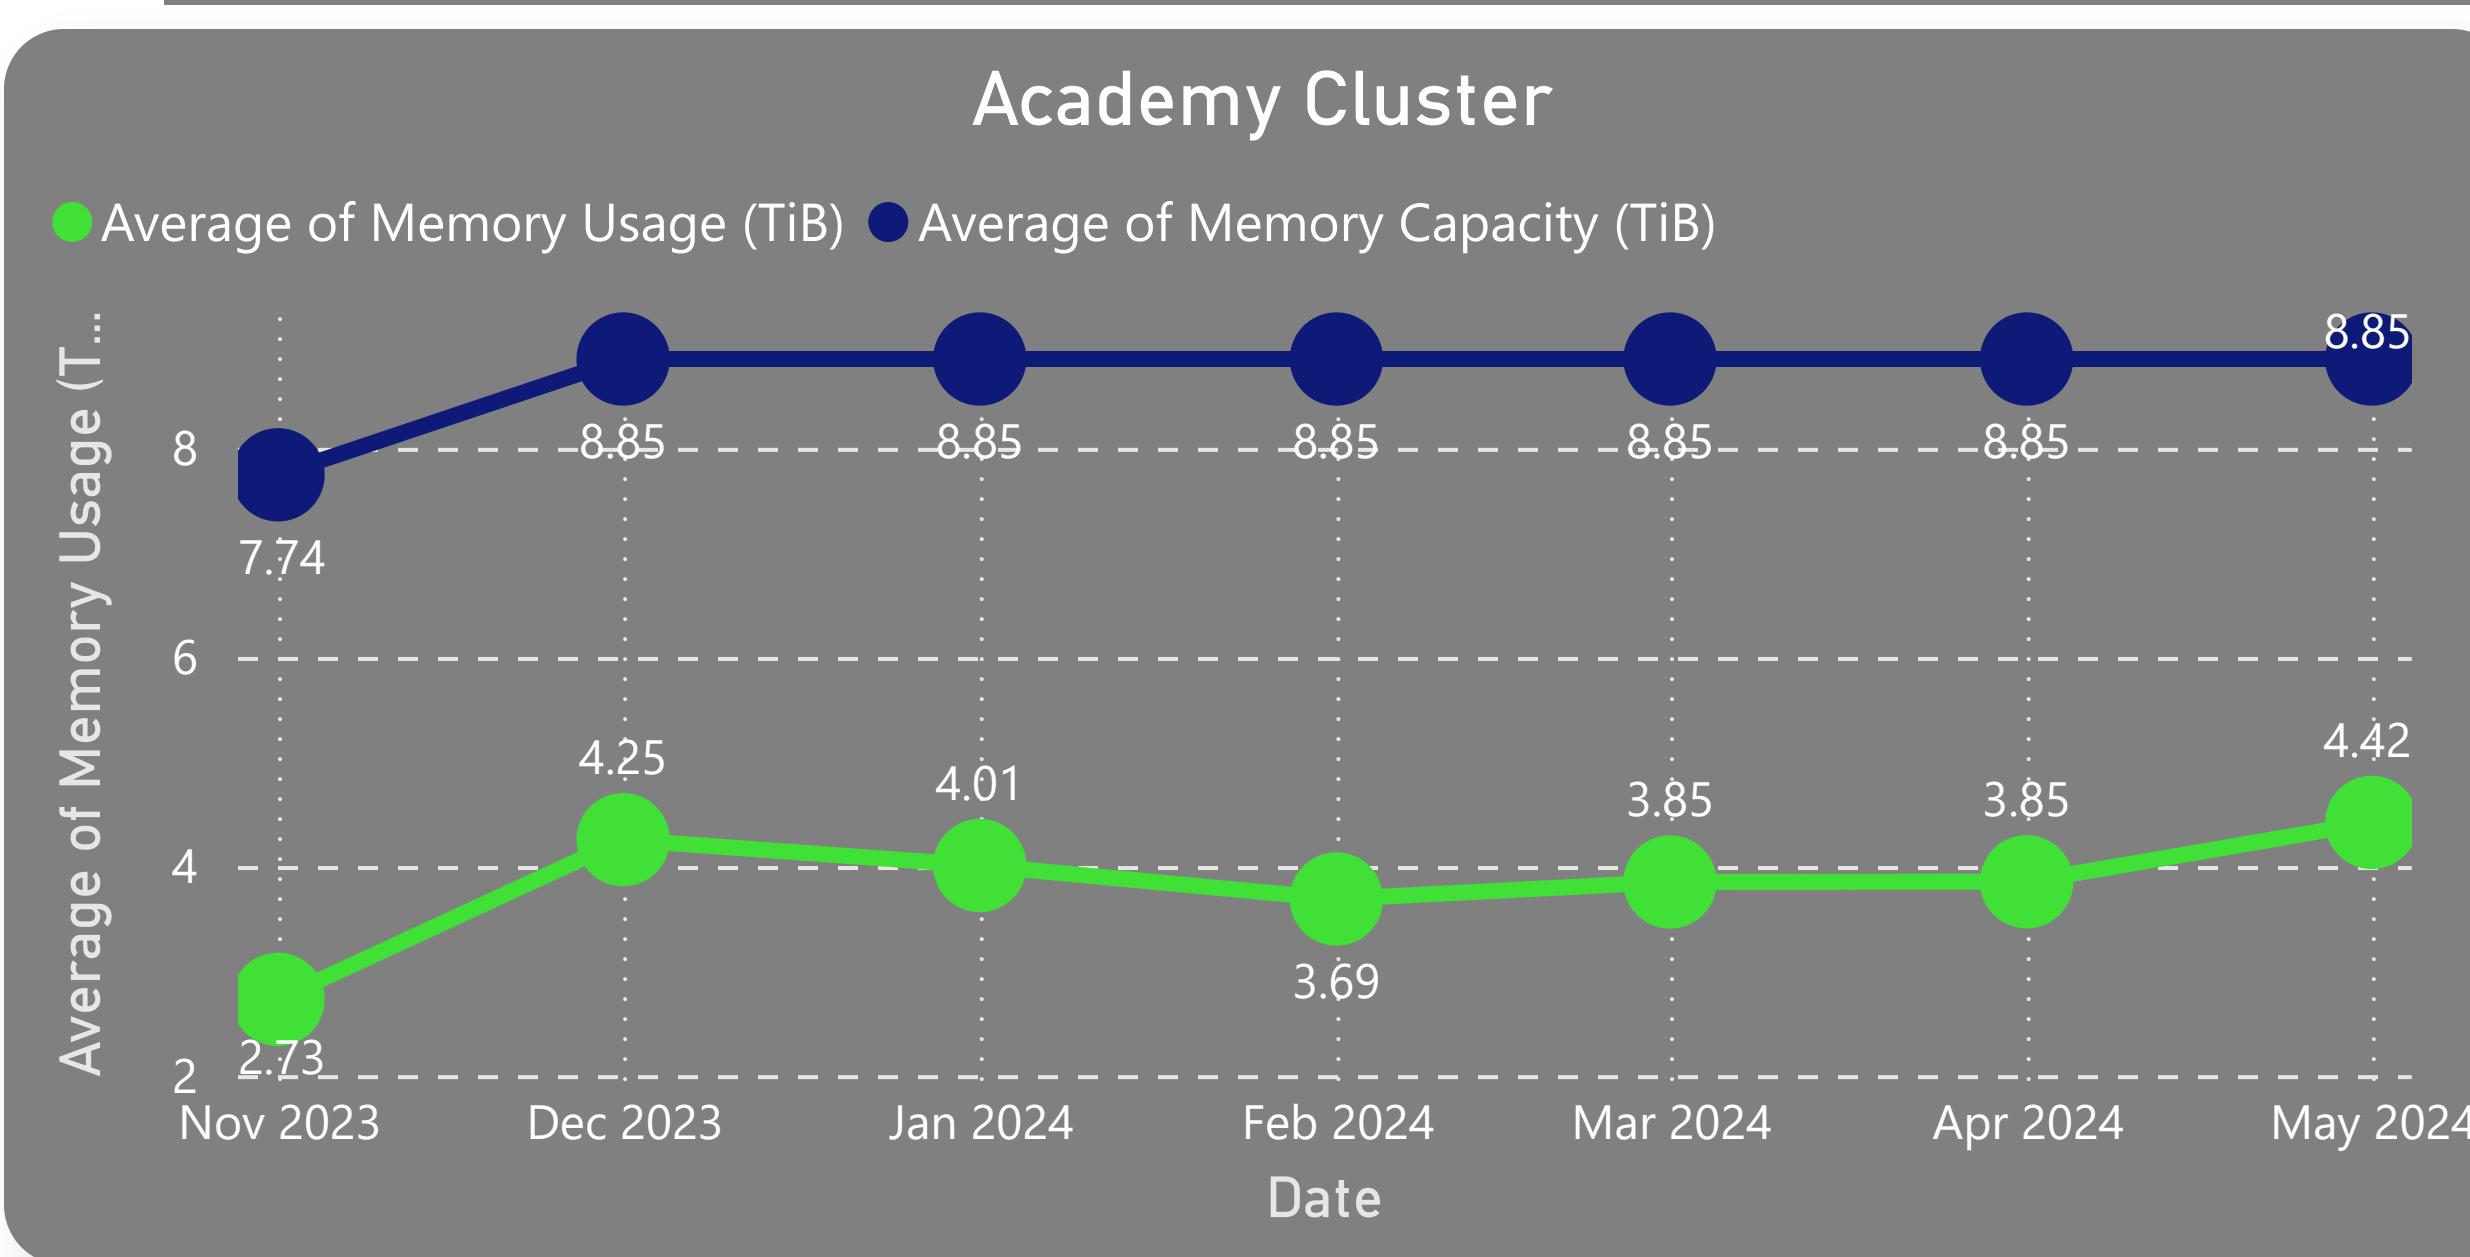

Total VM Count for Backbone Cluster -

257

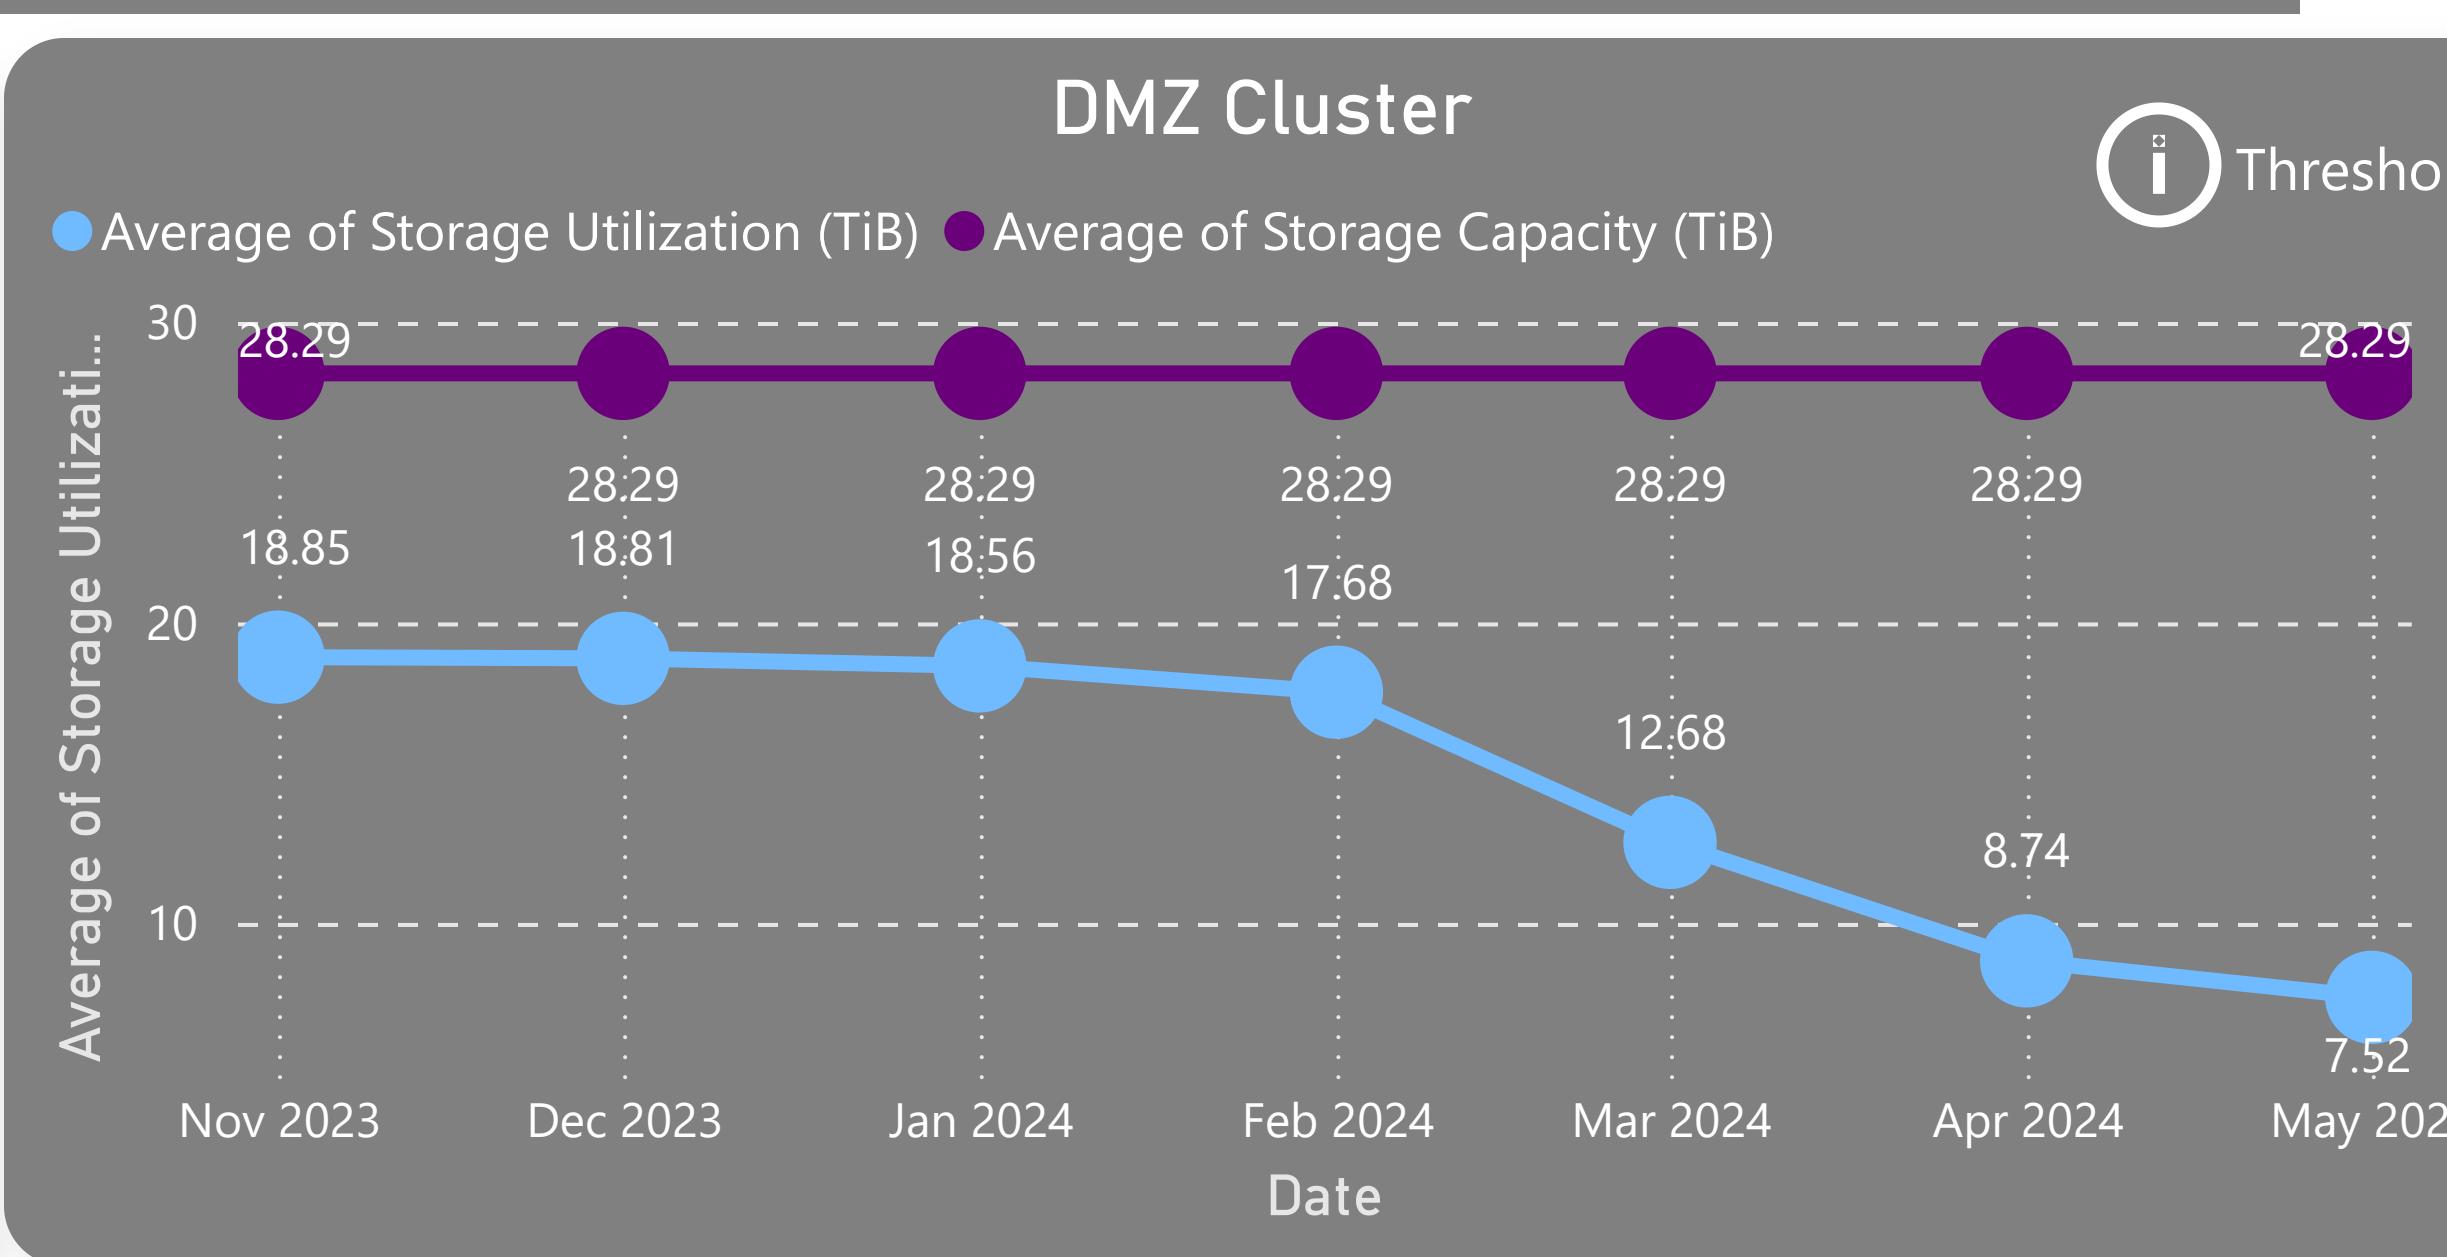

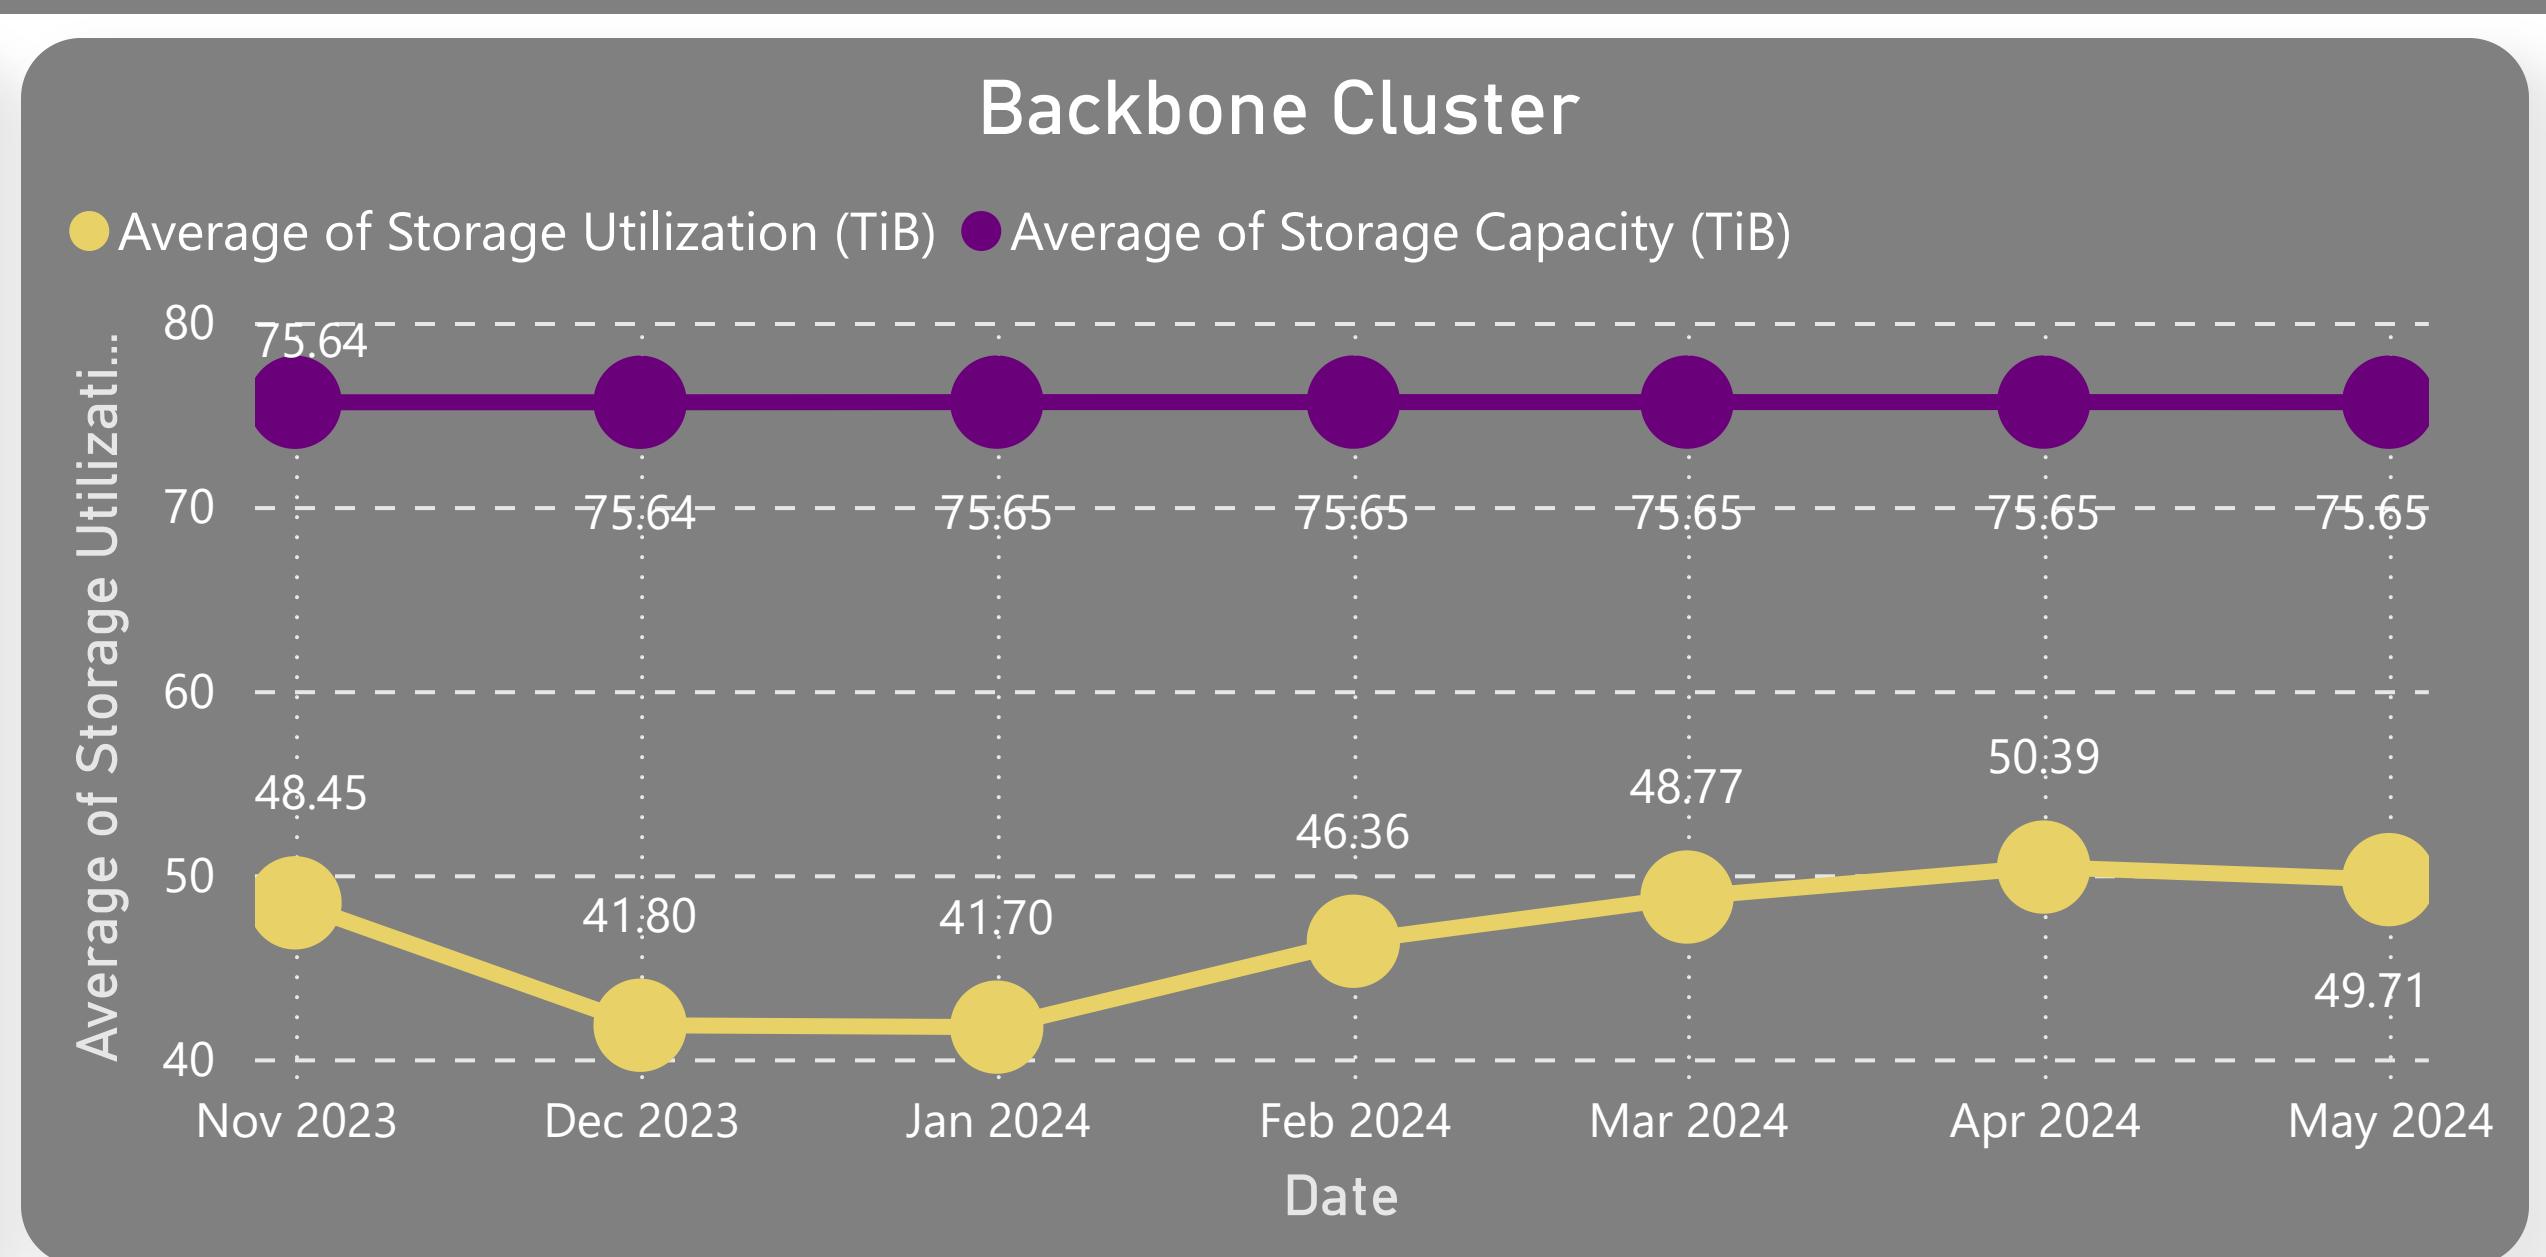

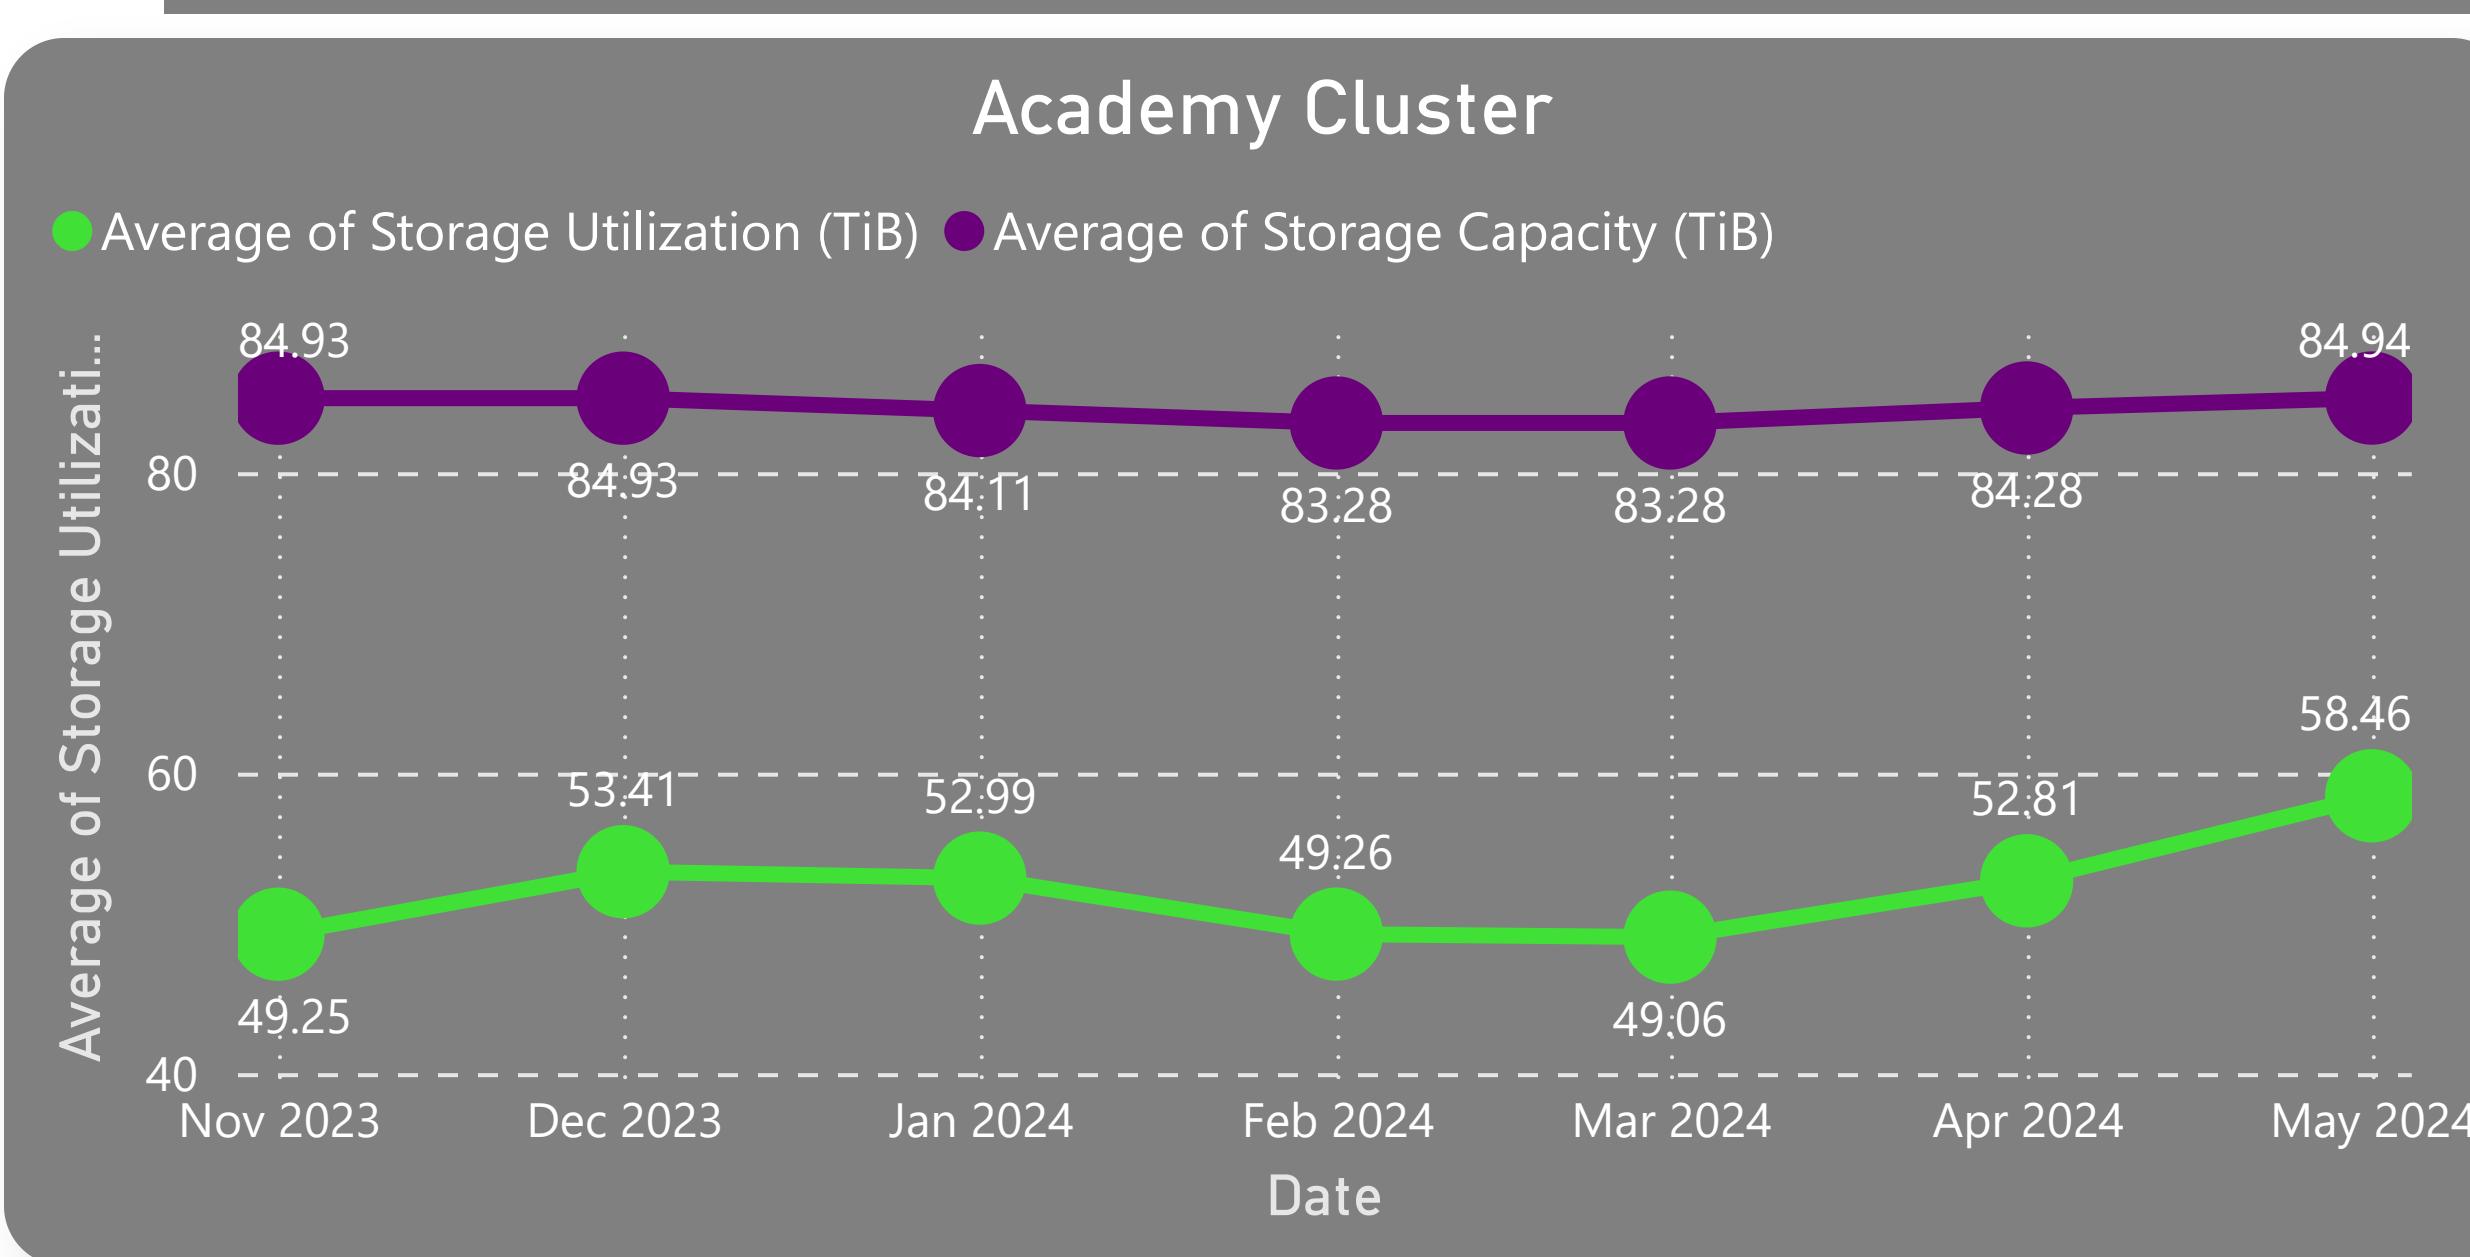

Total VM Count for DMZ Cluster -

55

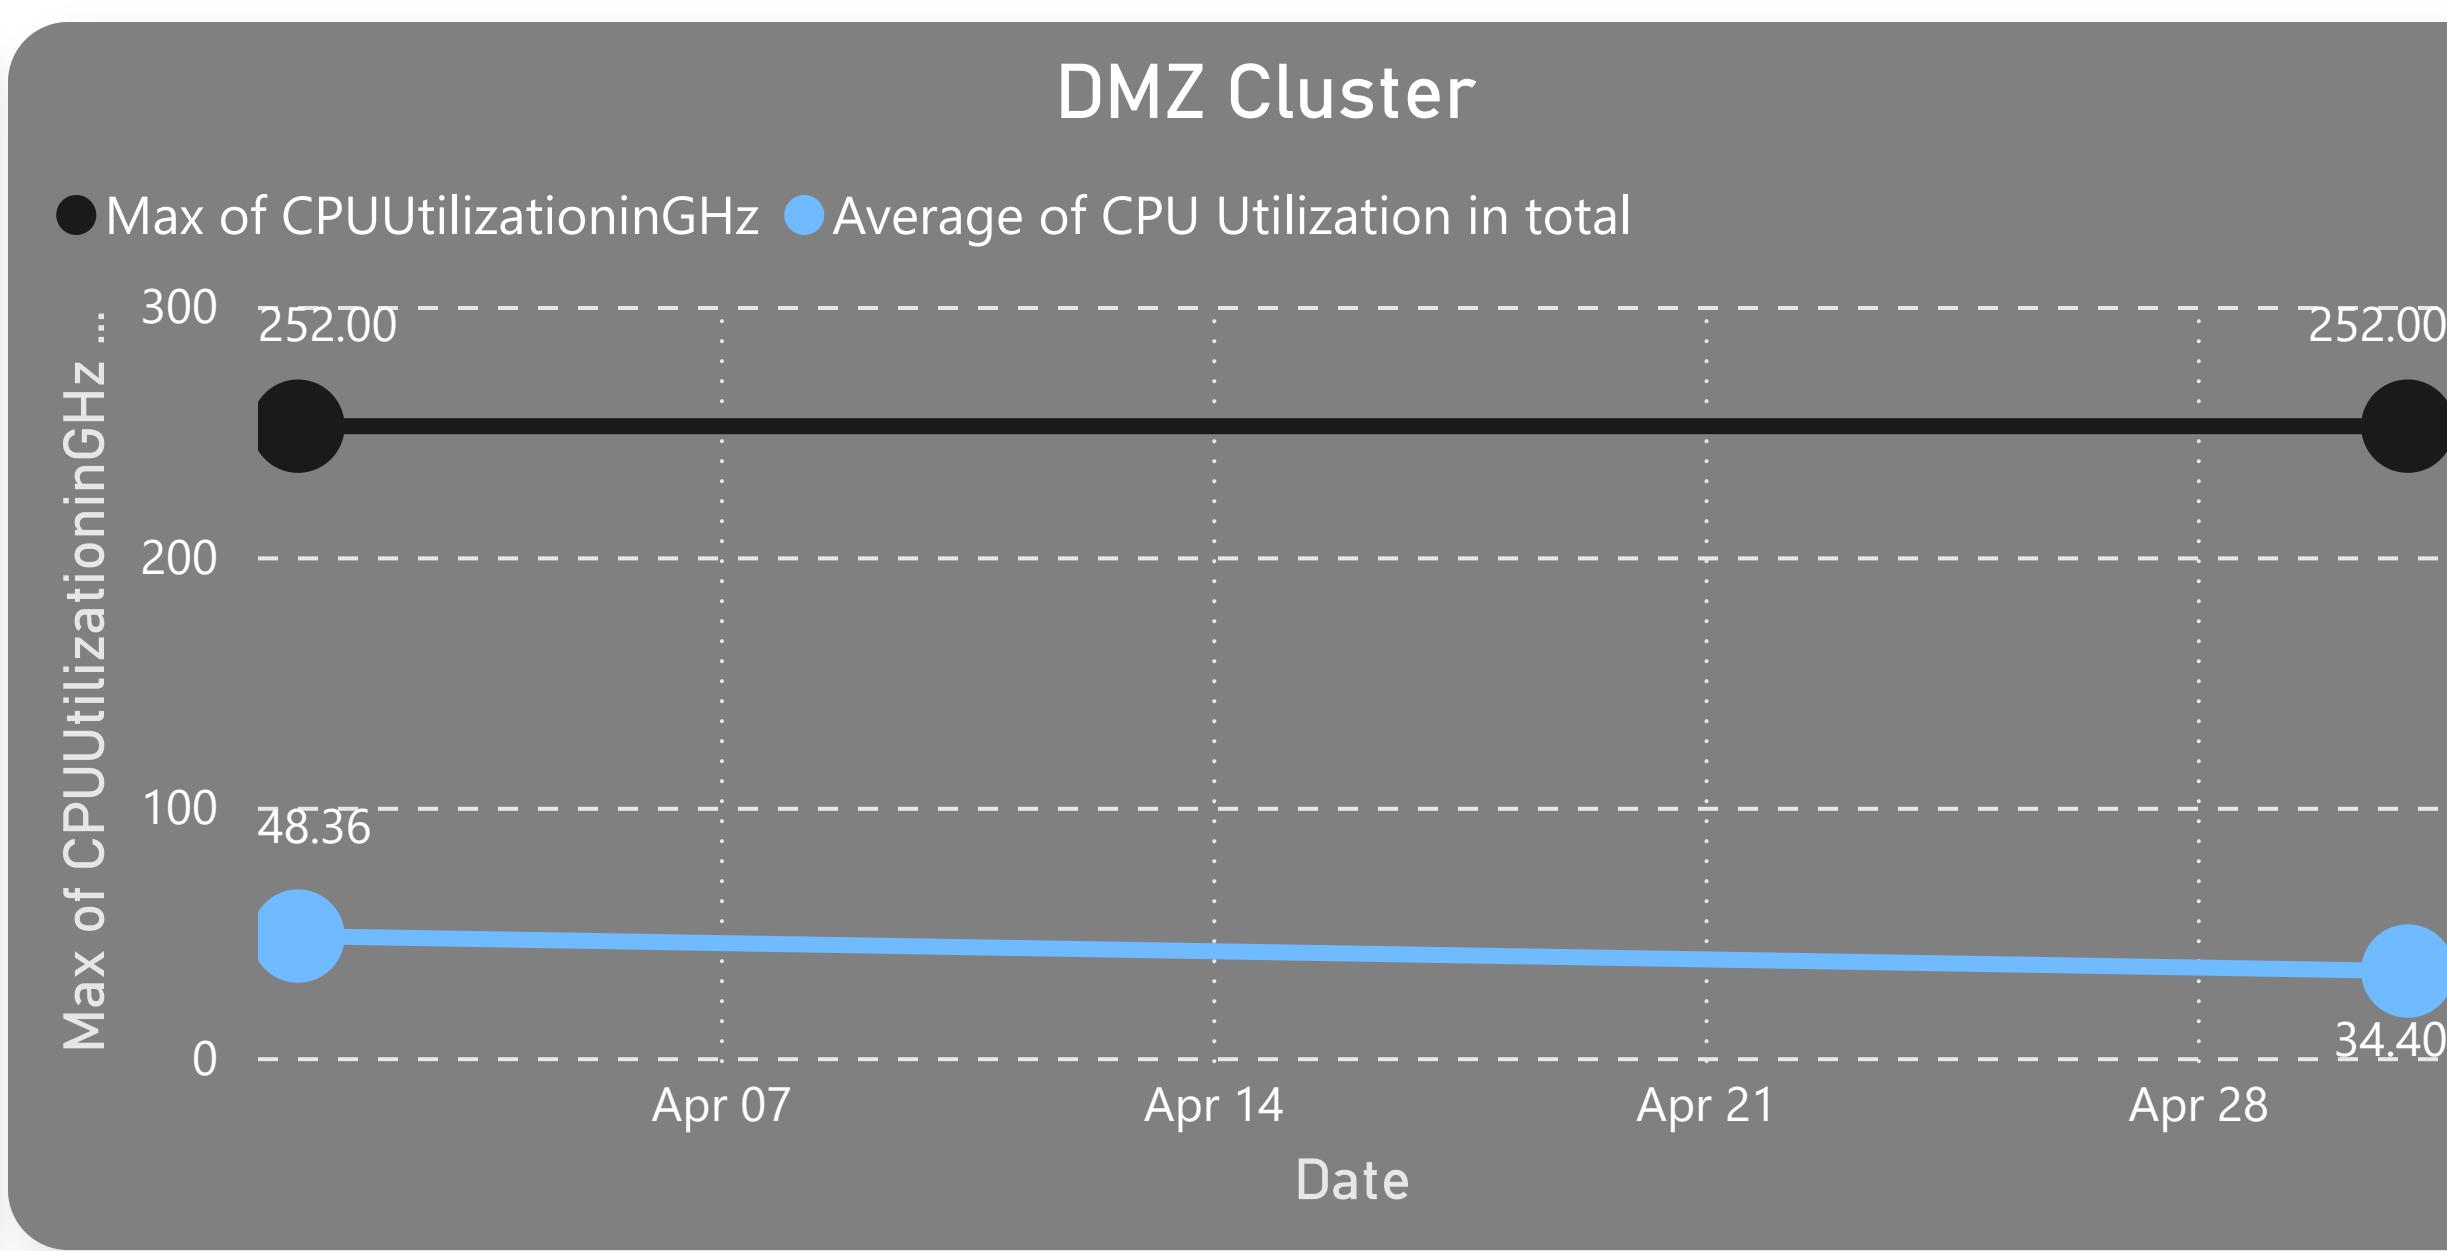

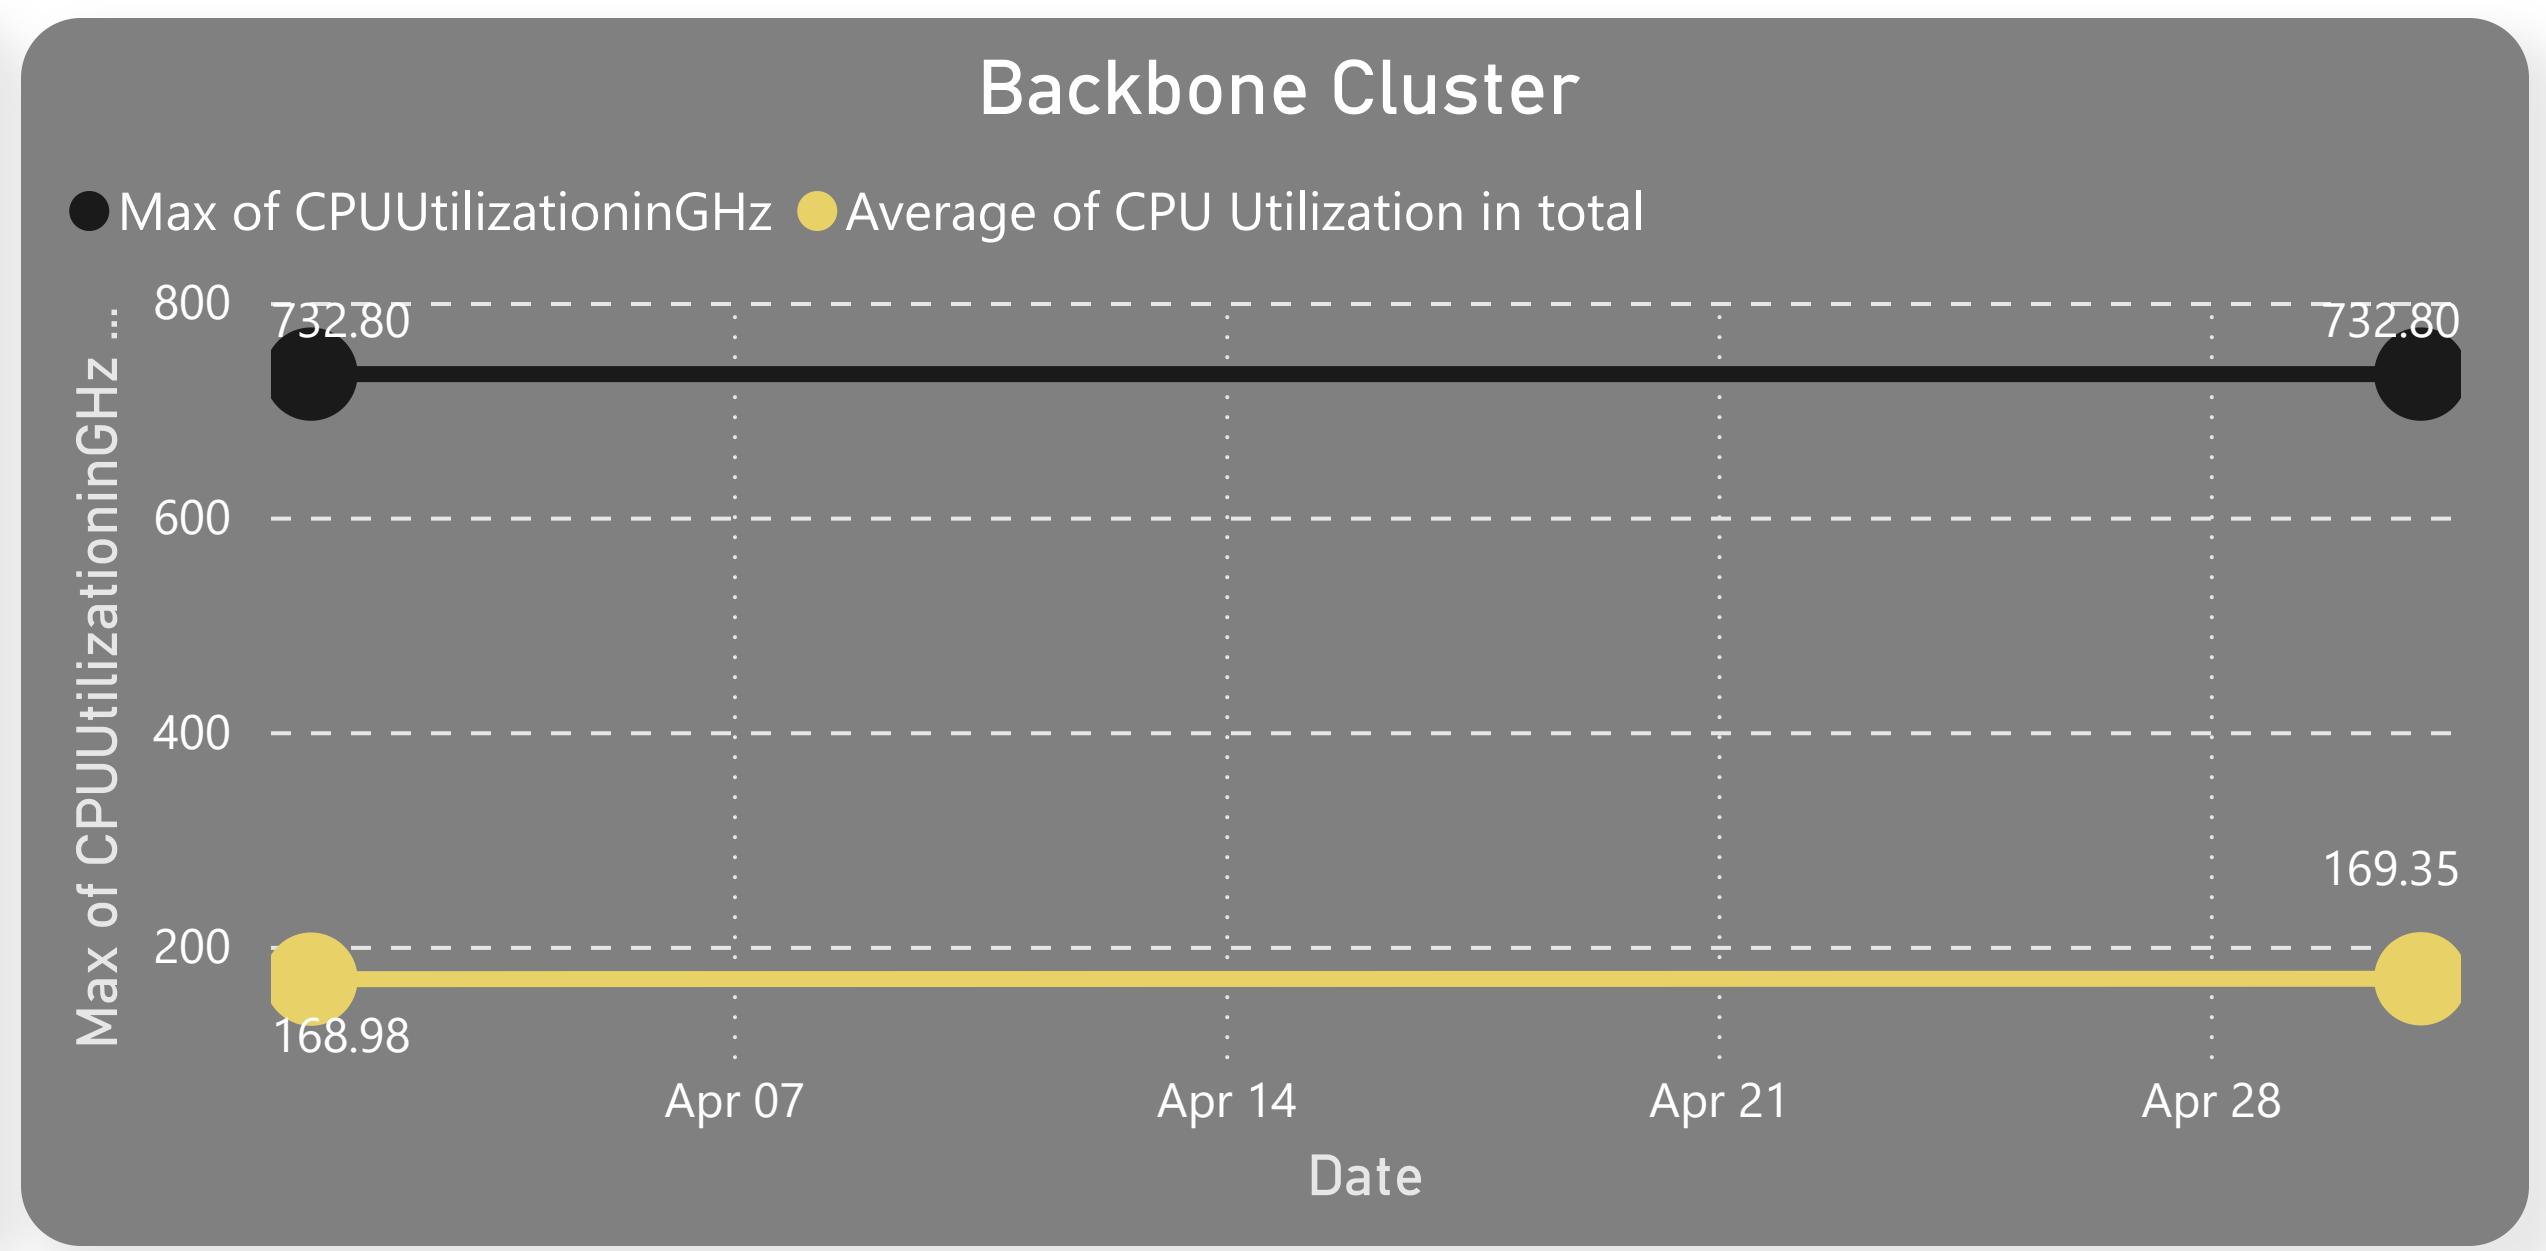

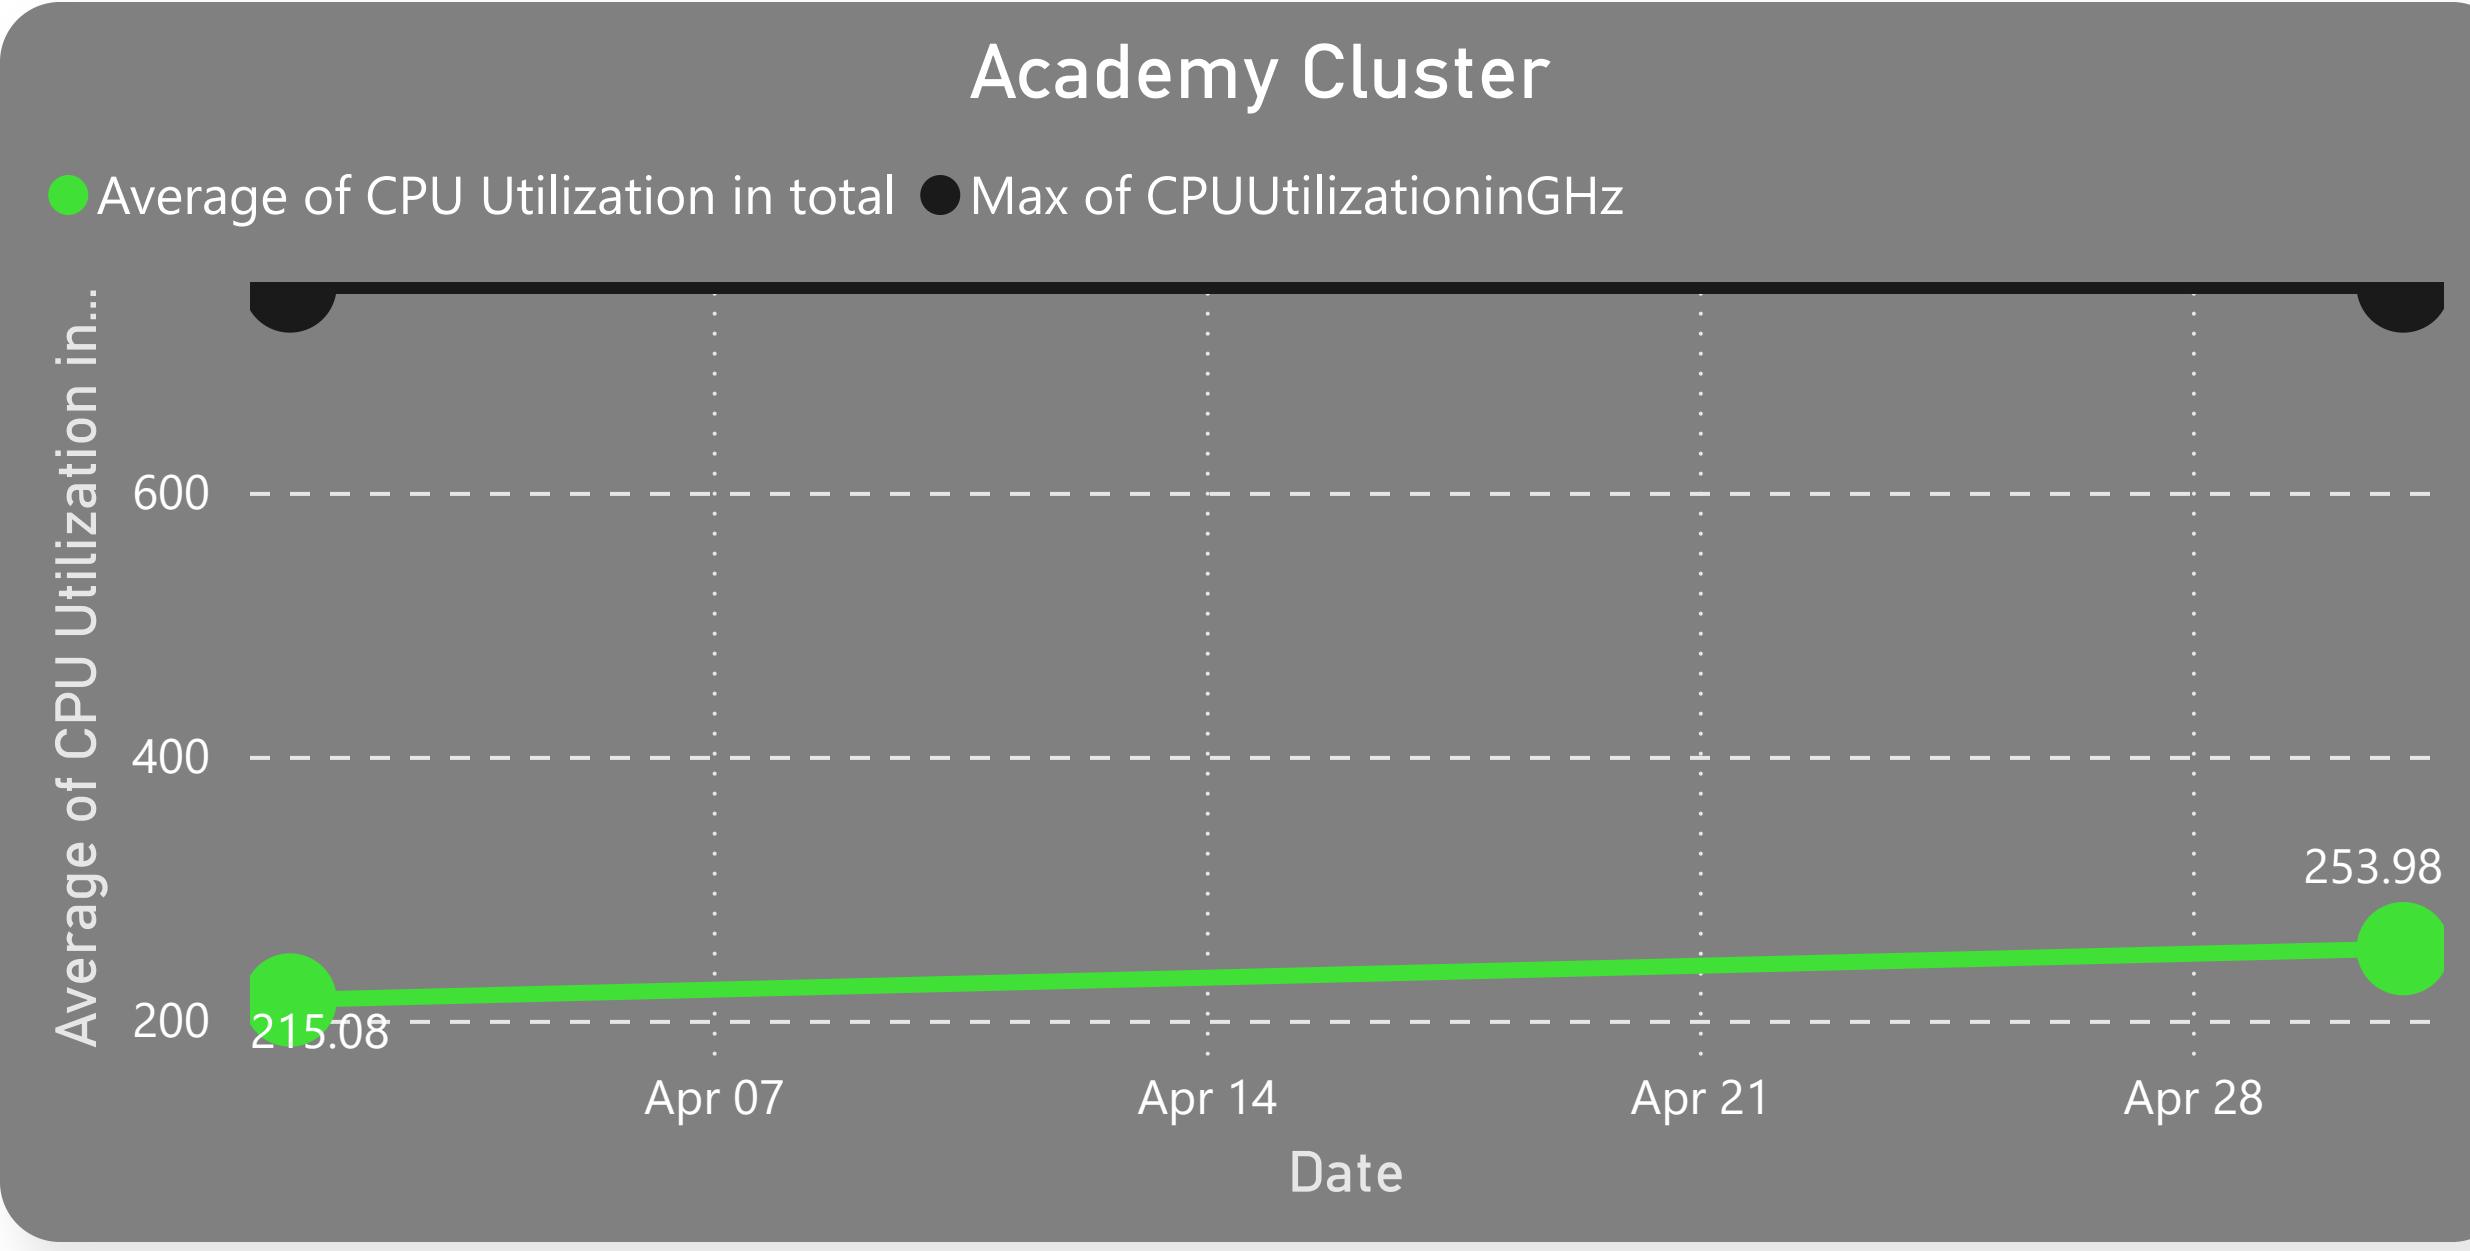

Memory Utilization with Maximum capacity in each Cluster

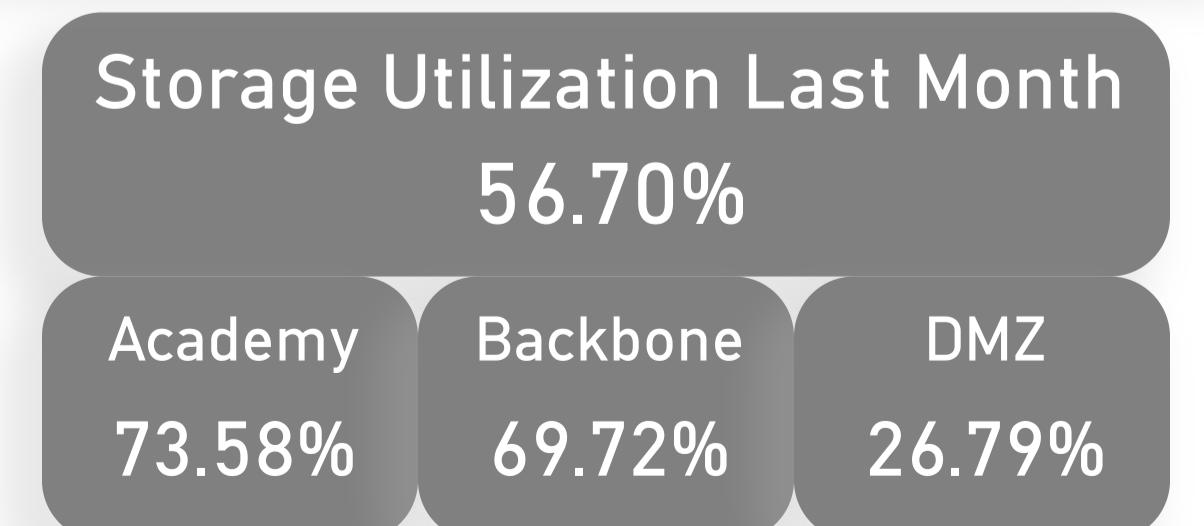

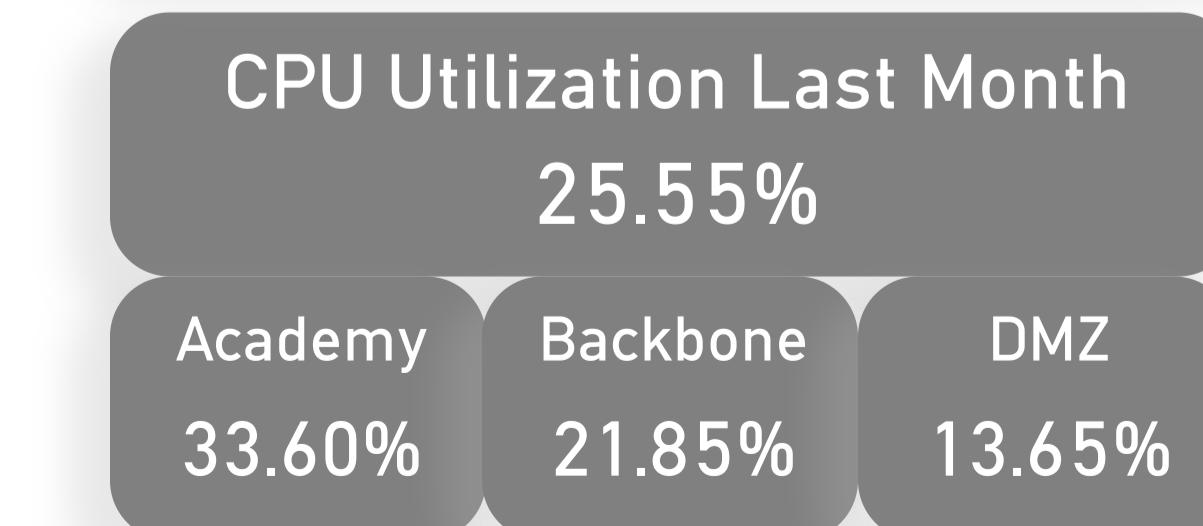

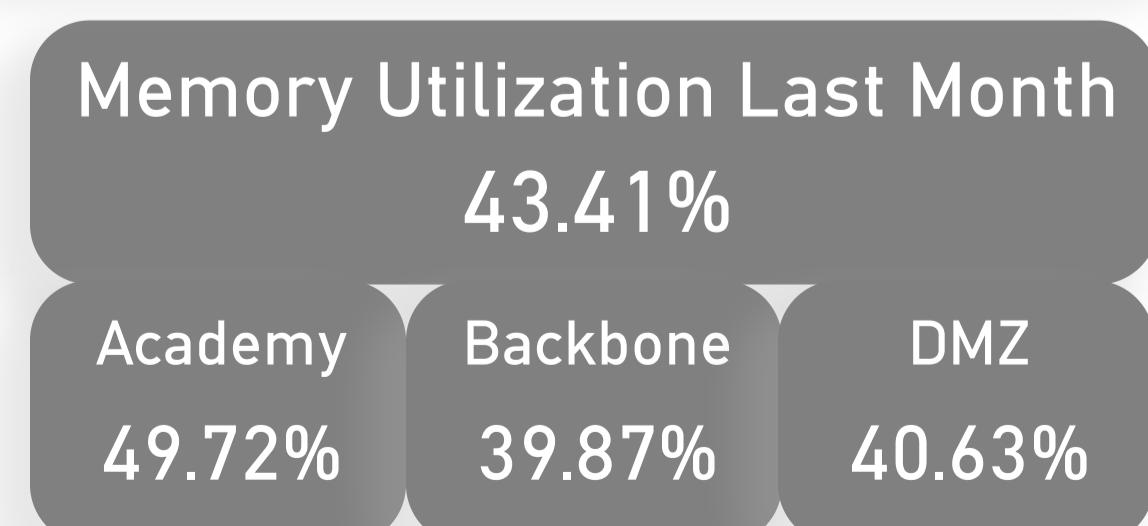

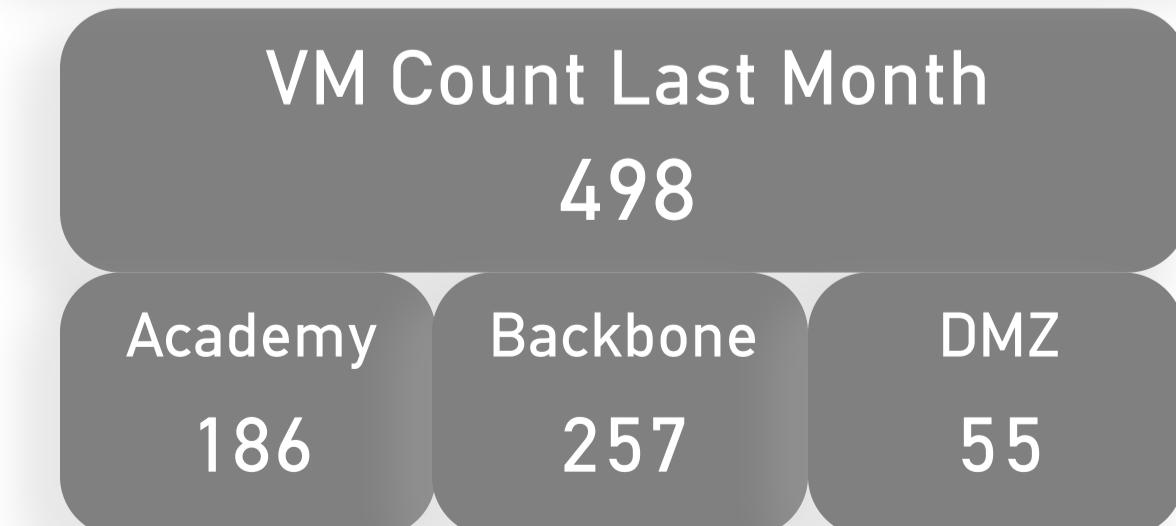

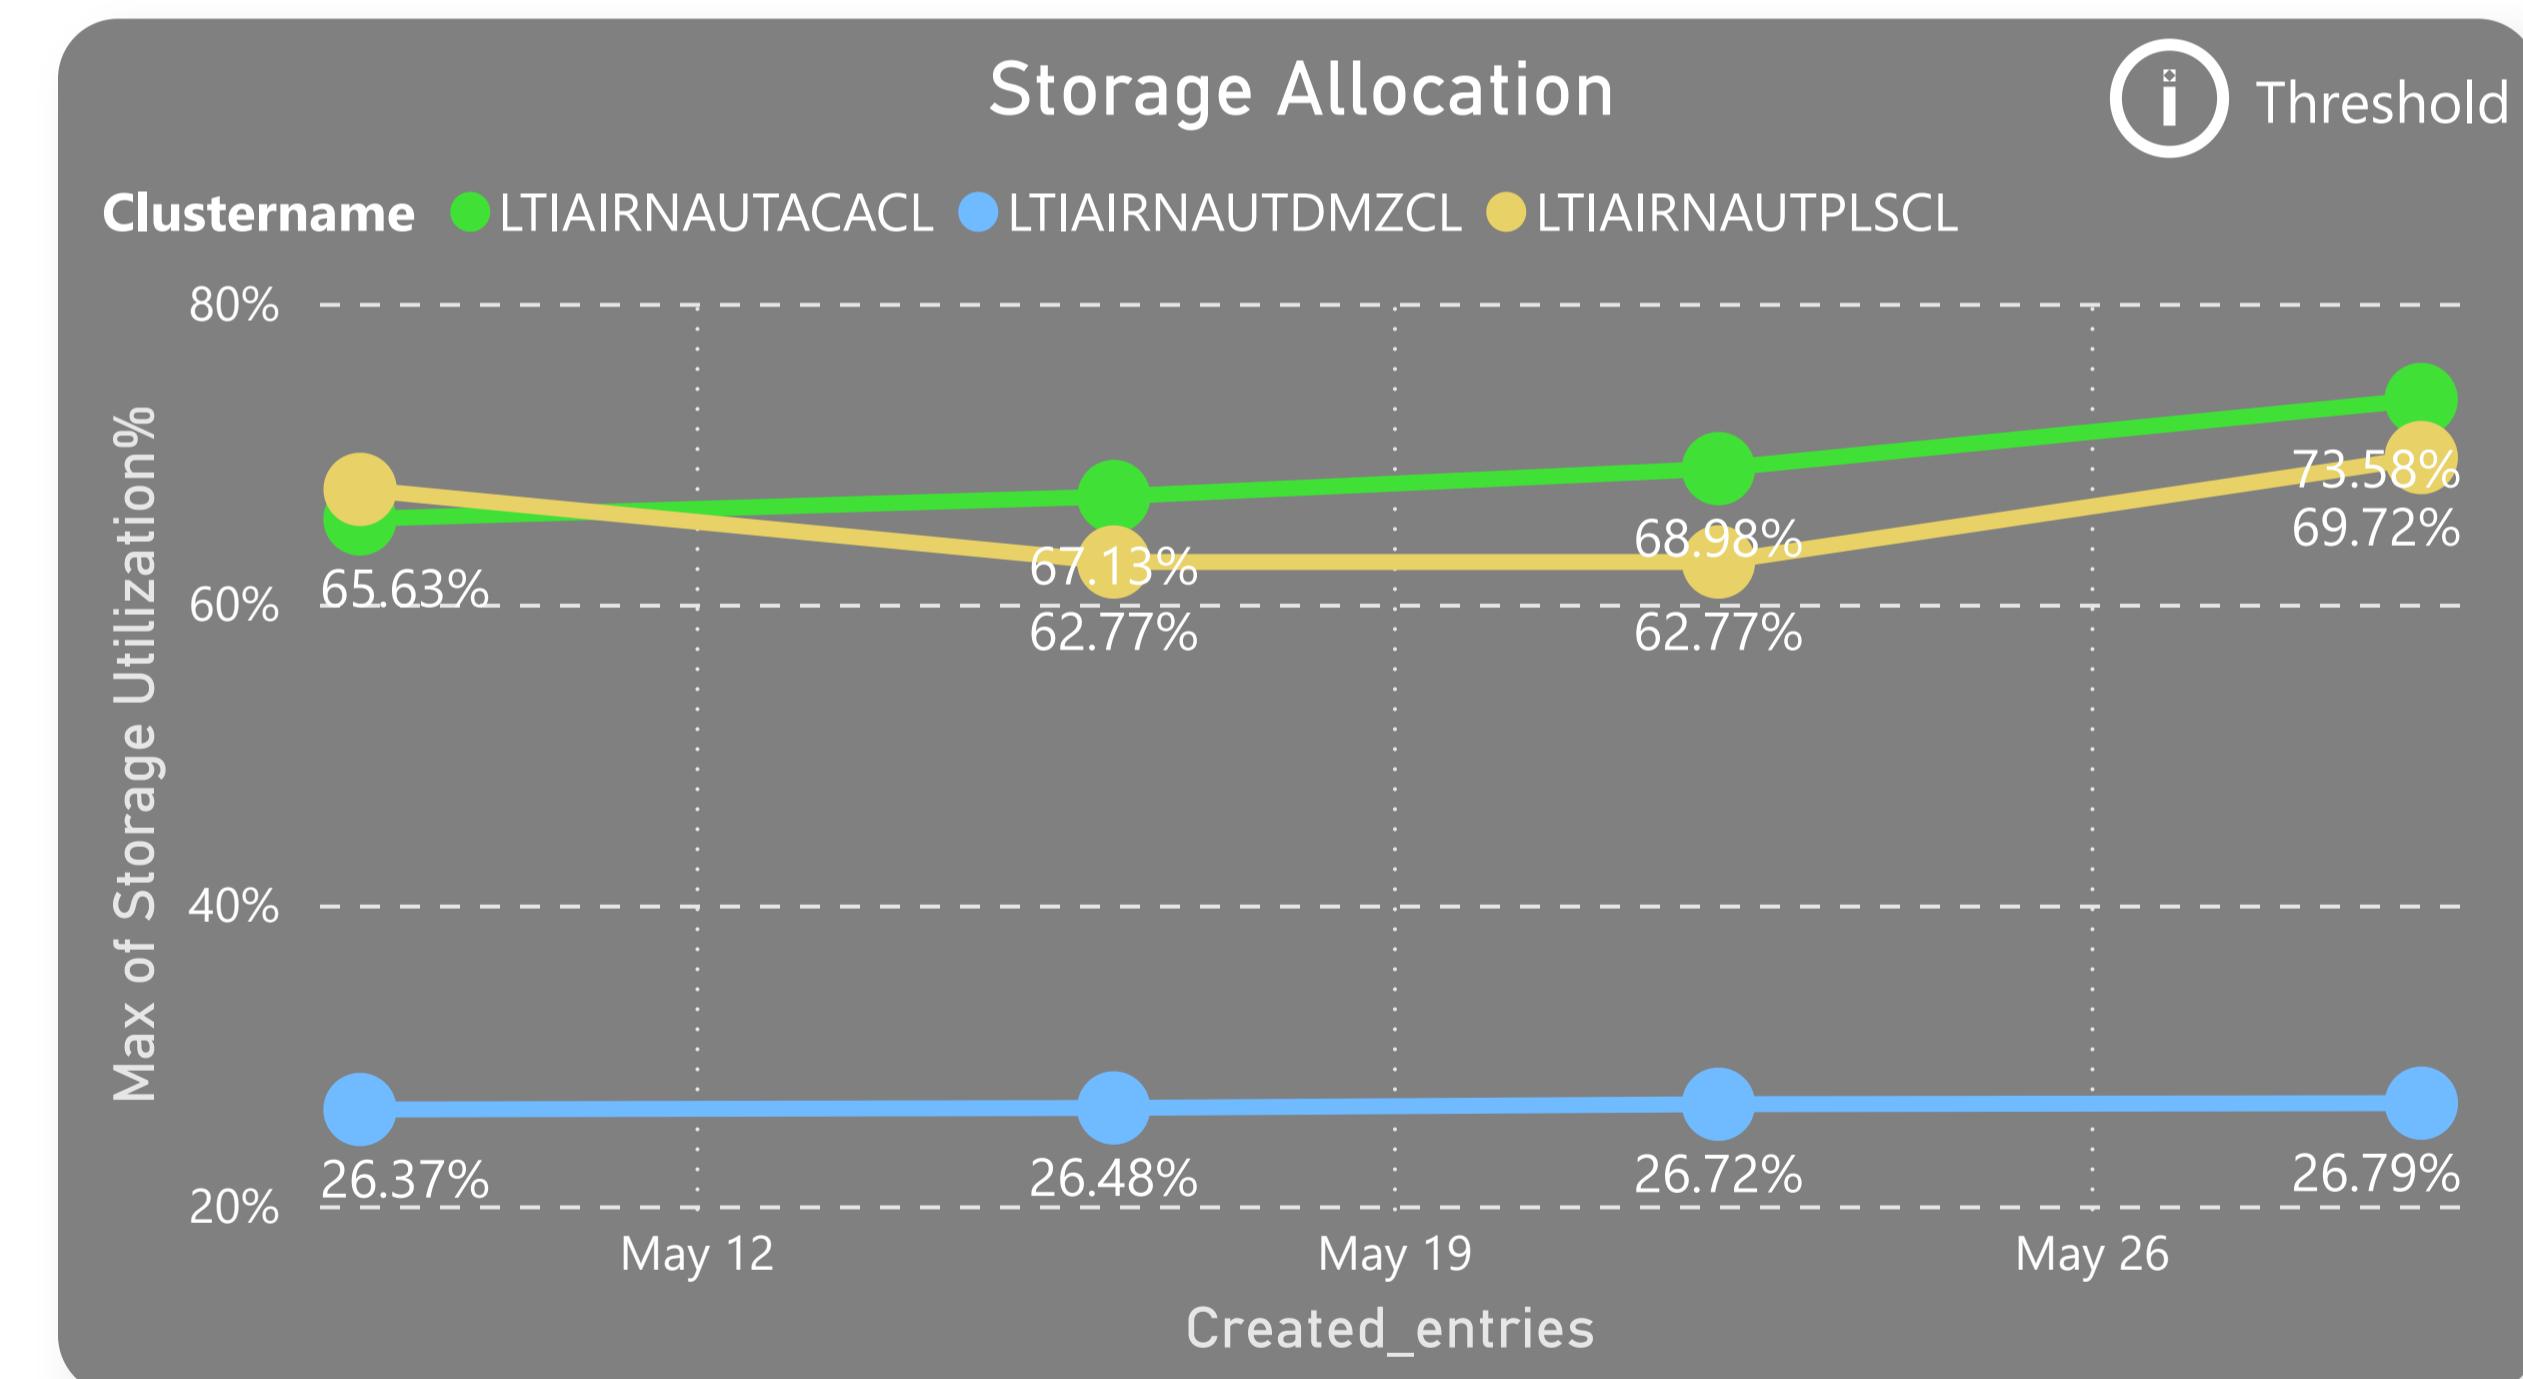

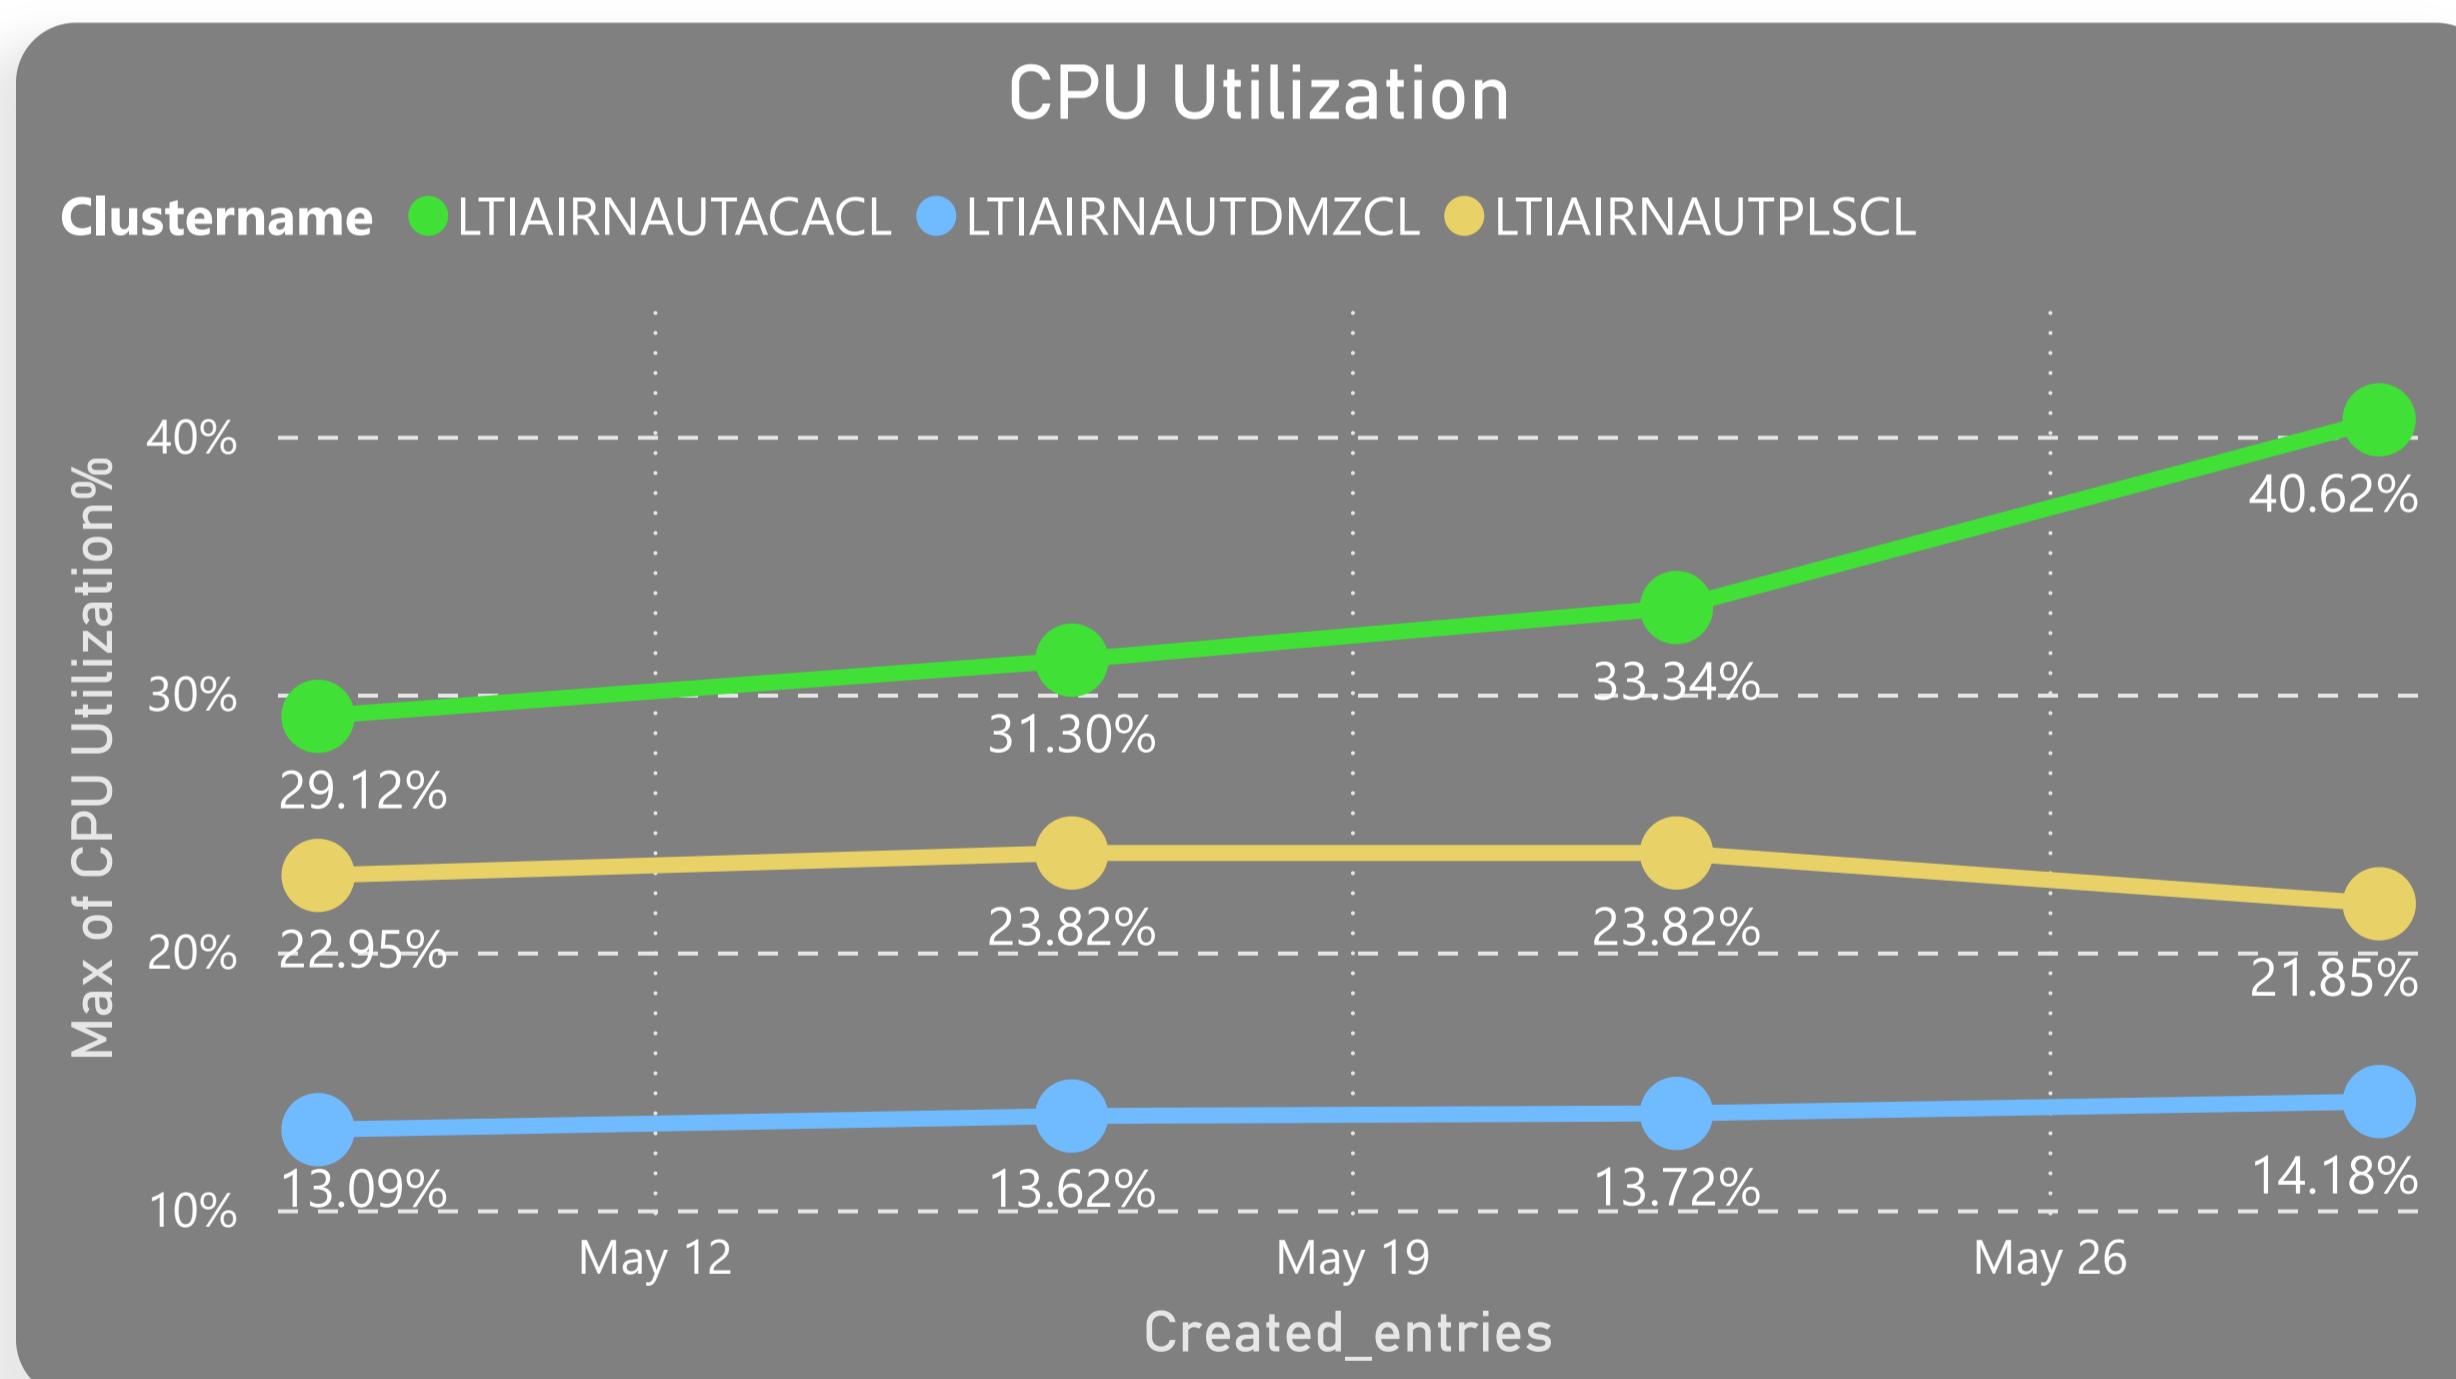

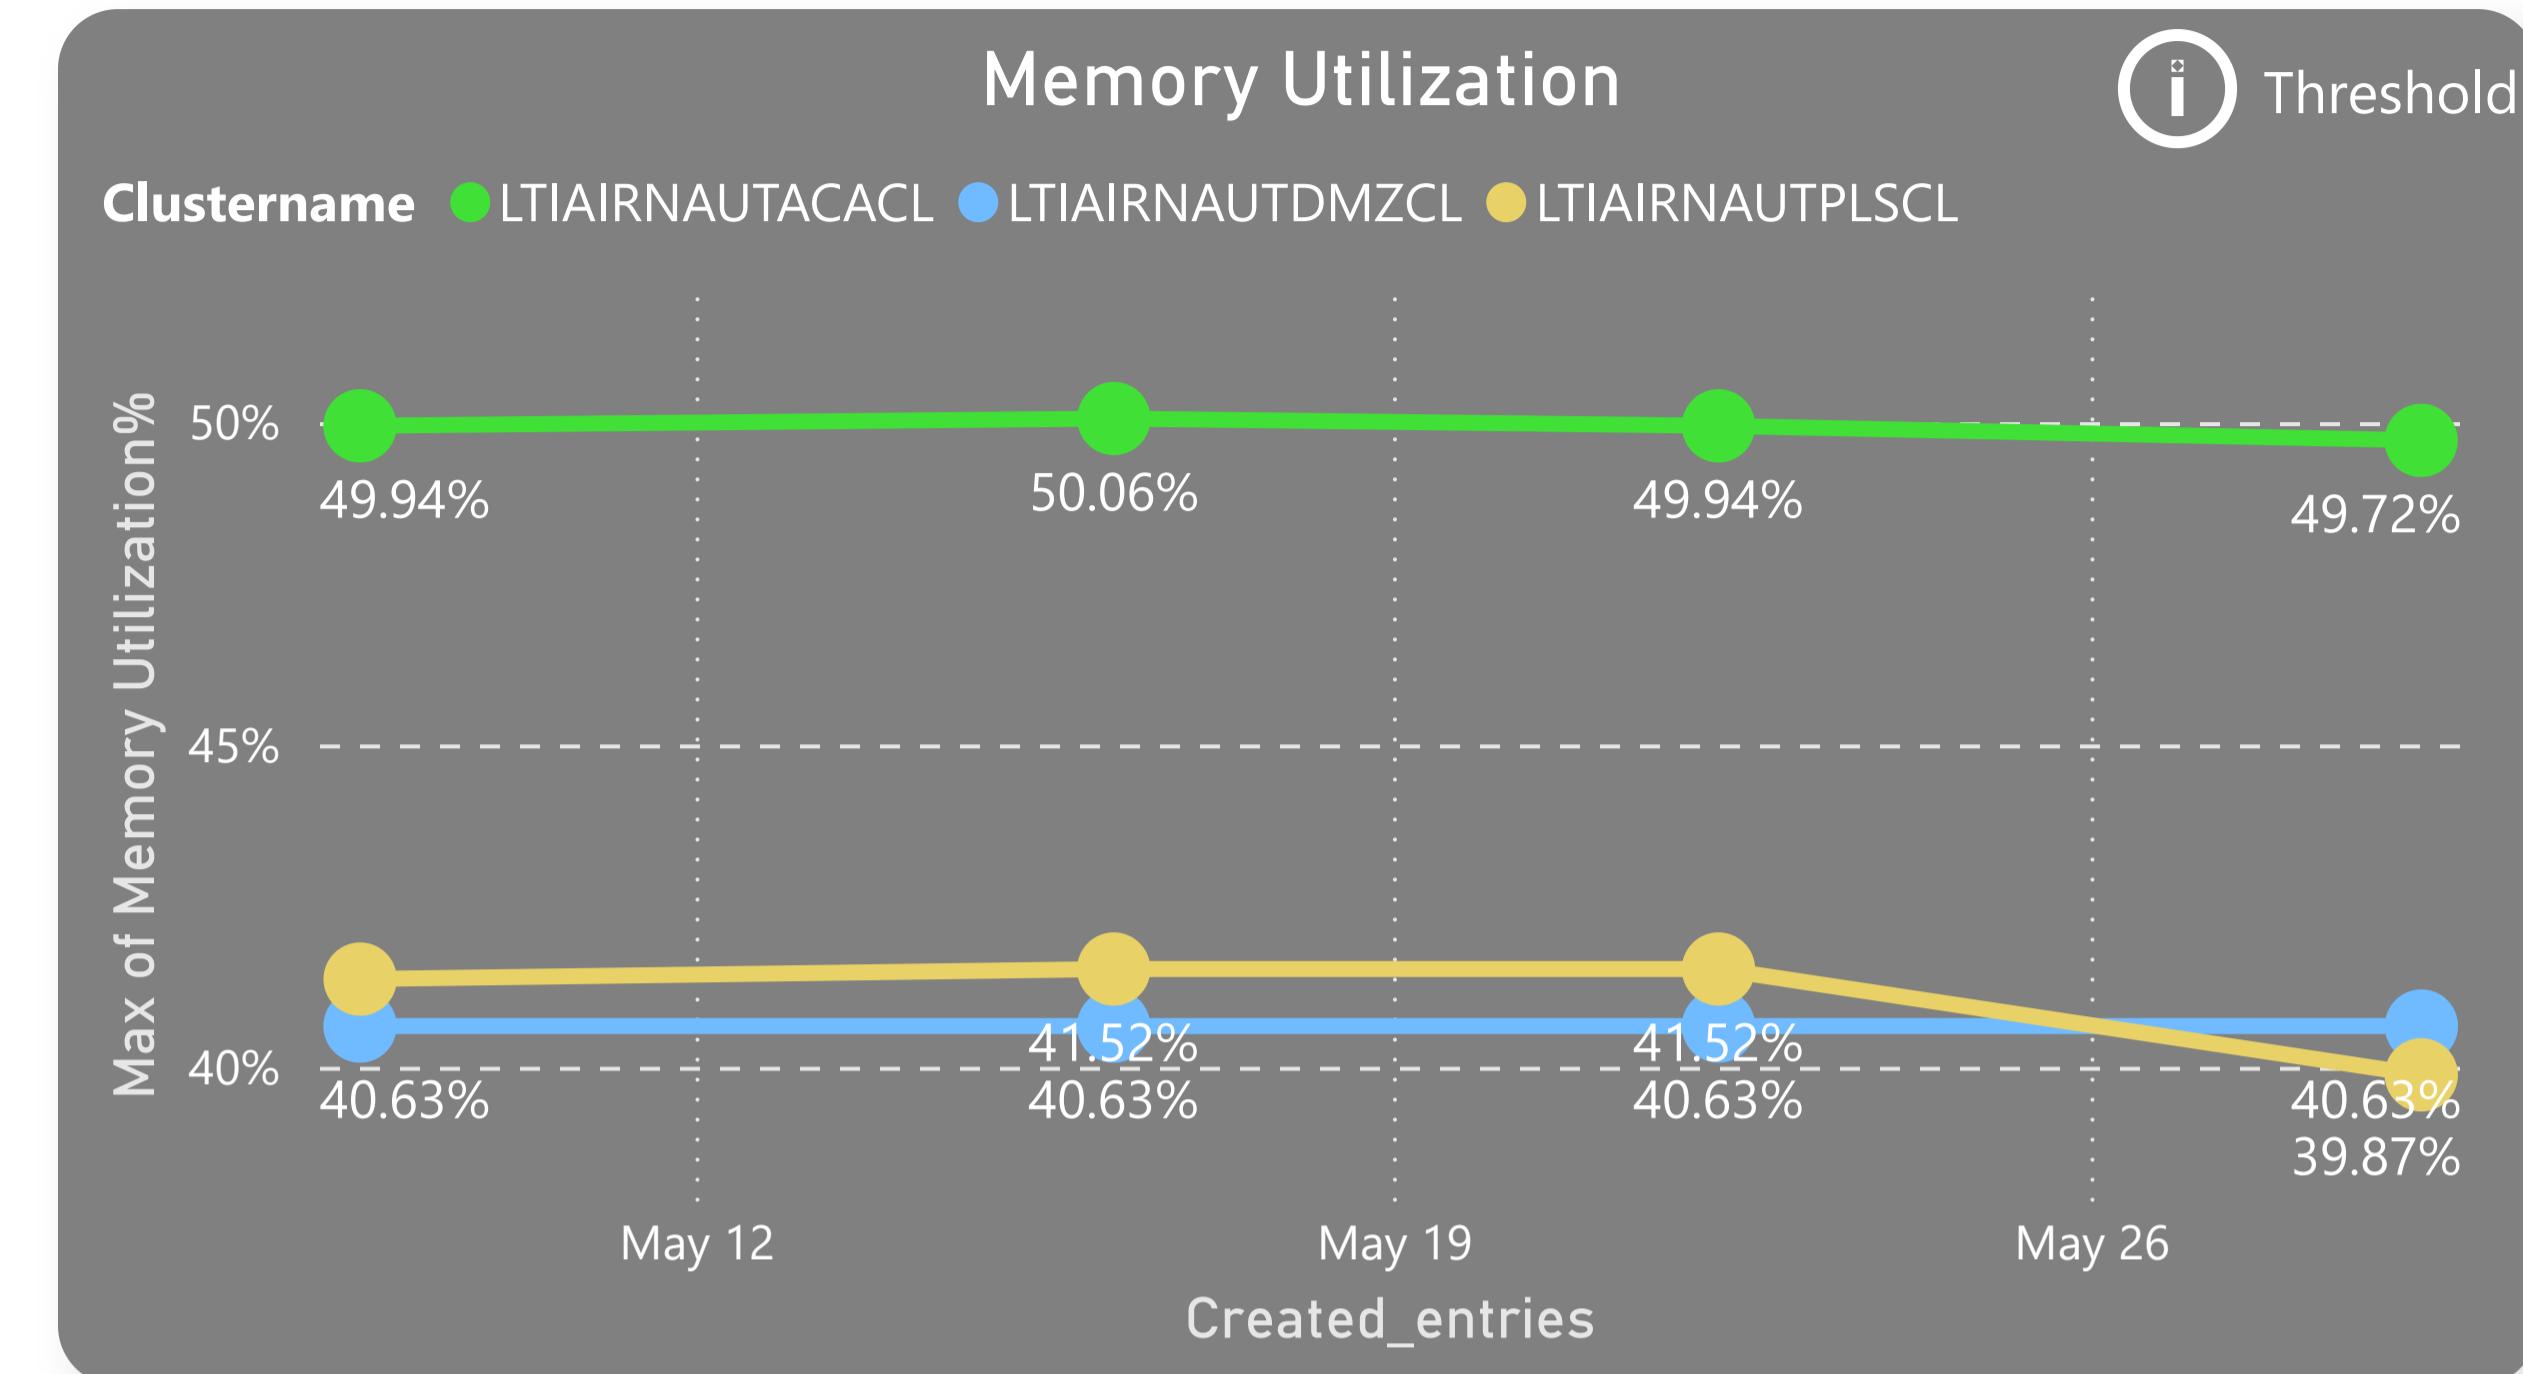

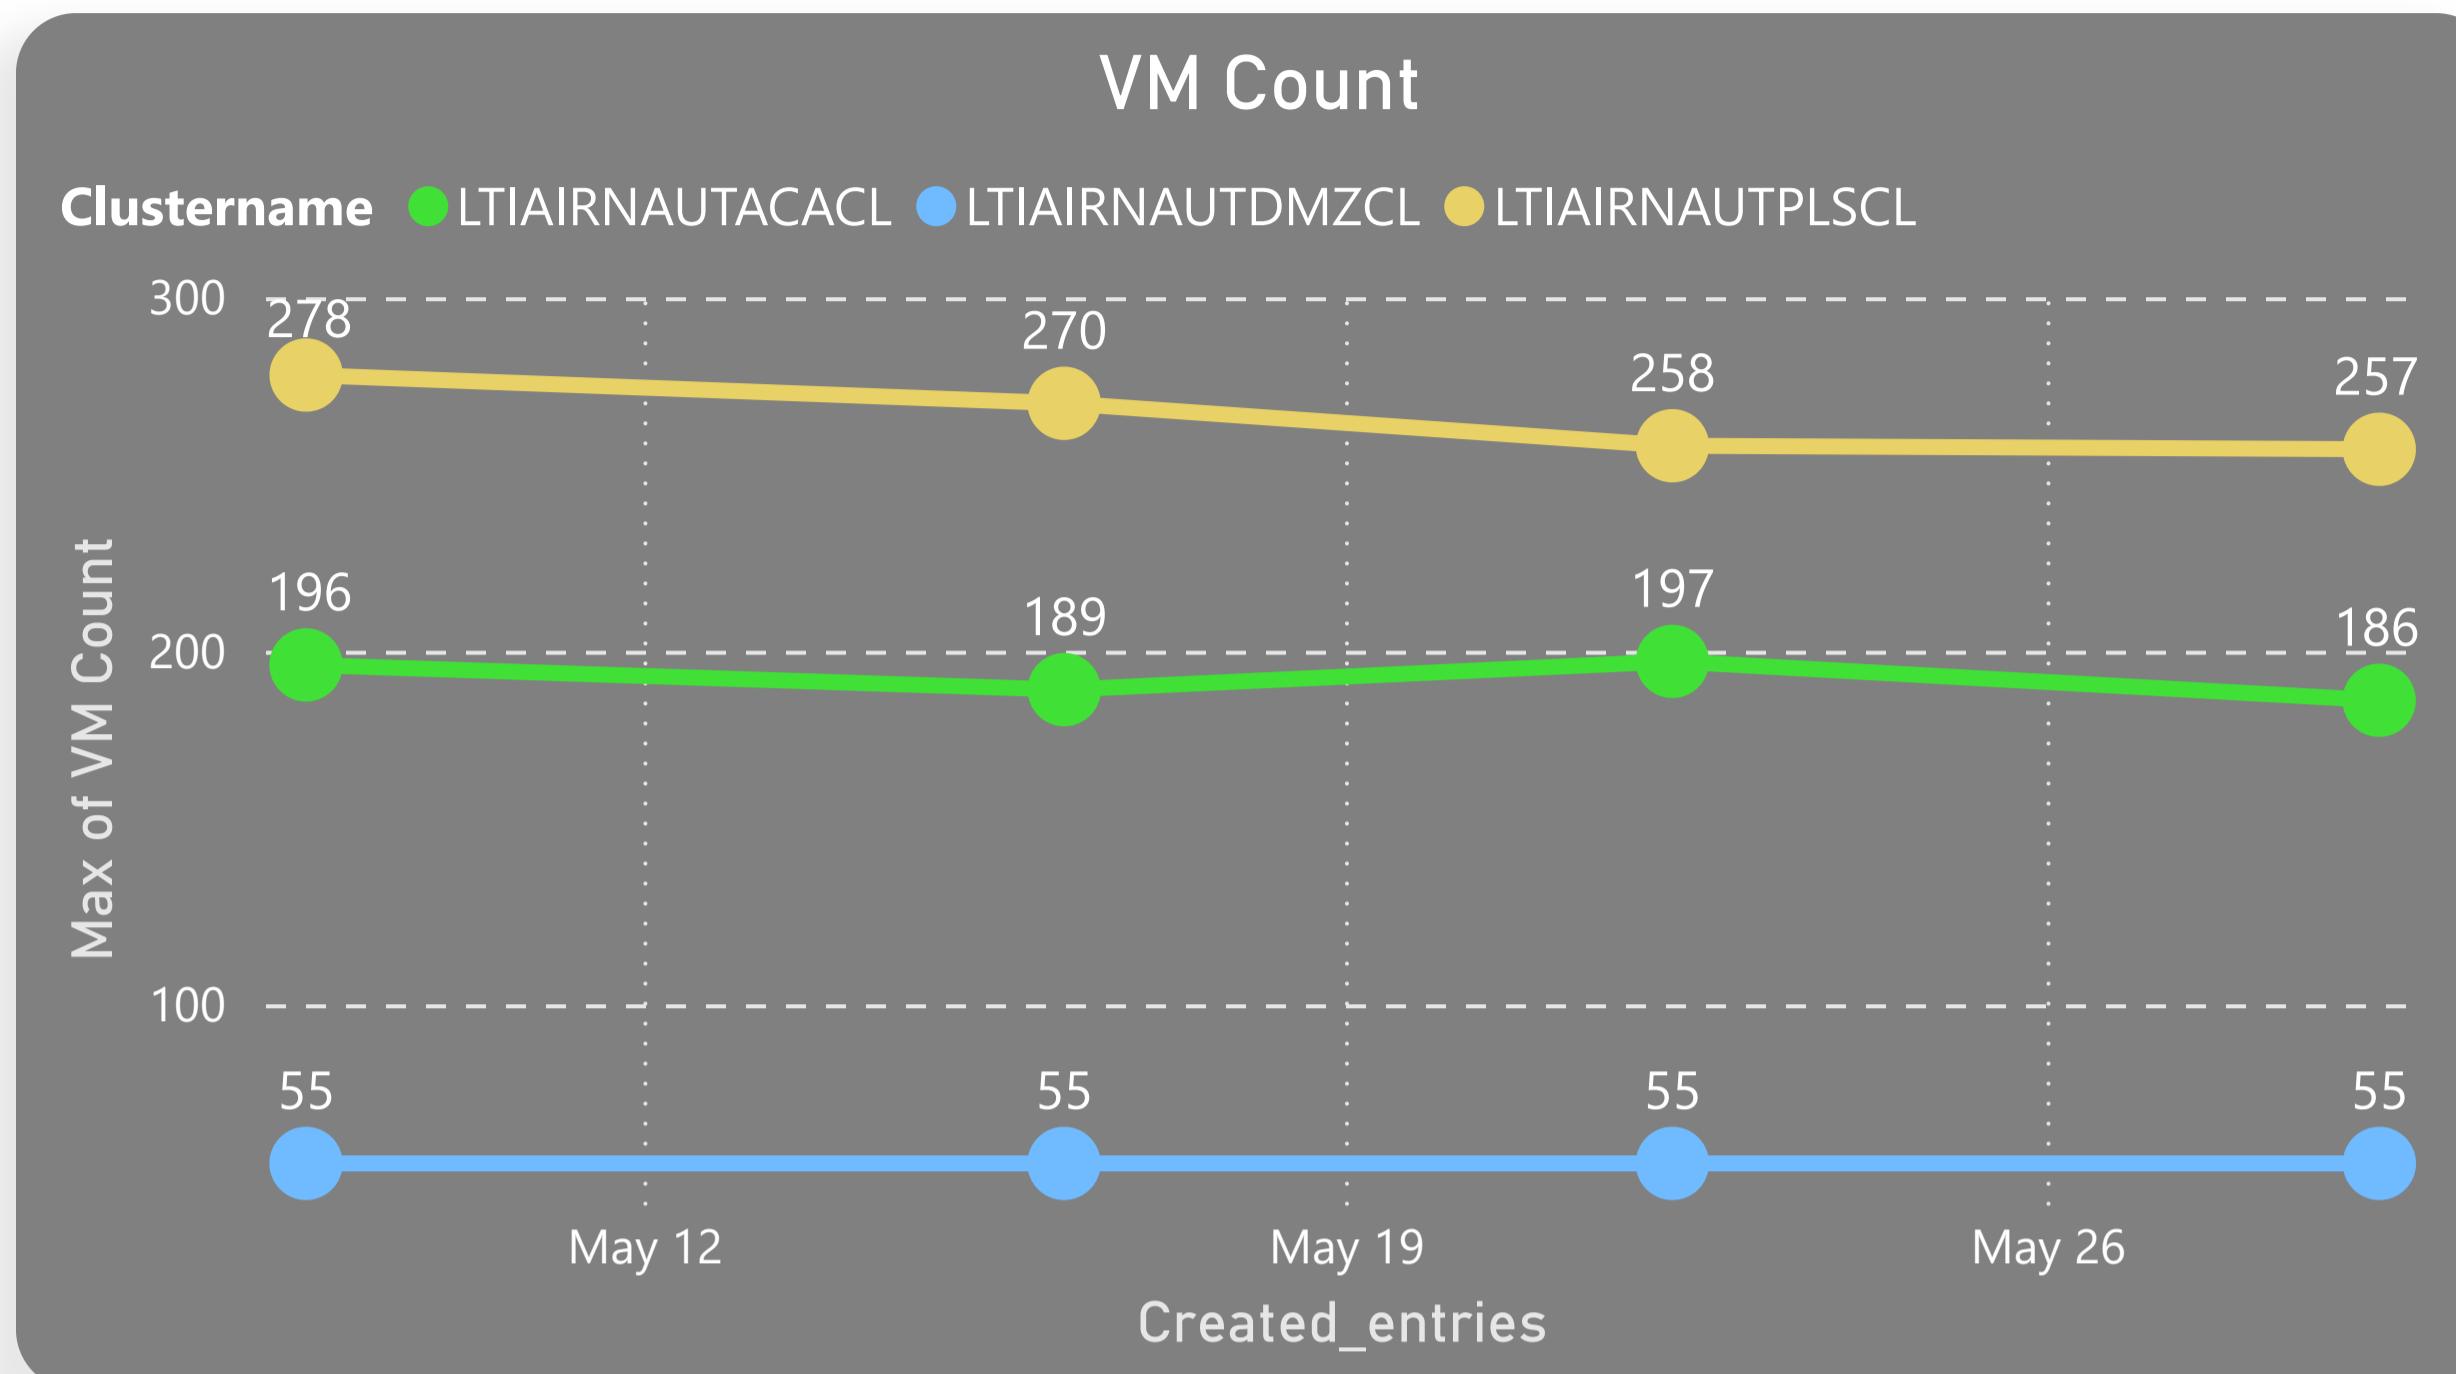

Storage Utilization with Maximum capacity in each Cluster

CPU Utilization with Maximum capacity in each Cluster

Total VM Count for Academy Cluster -

186

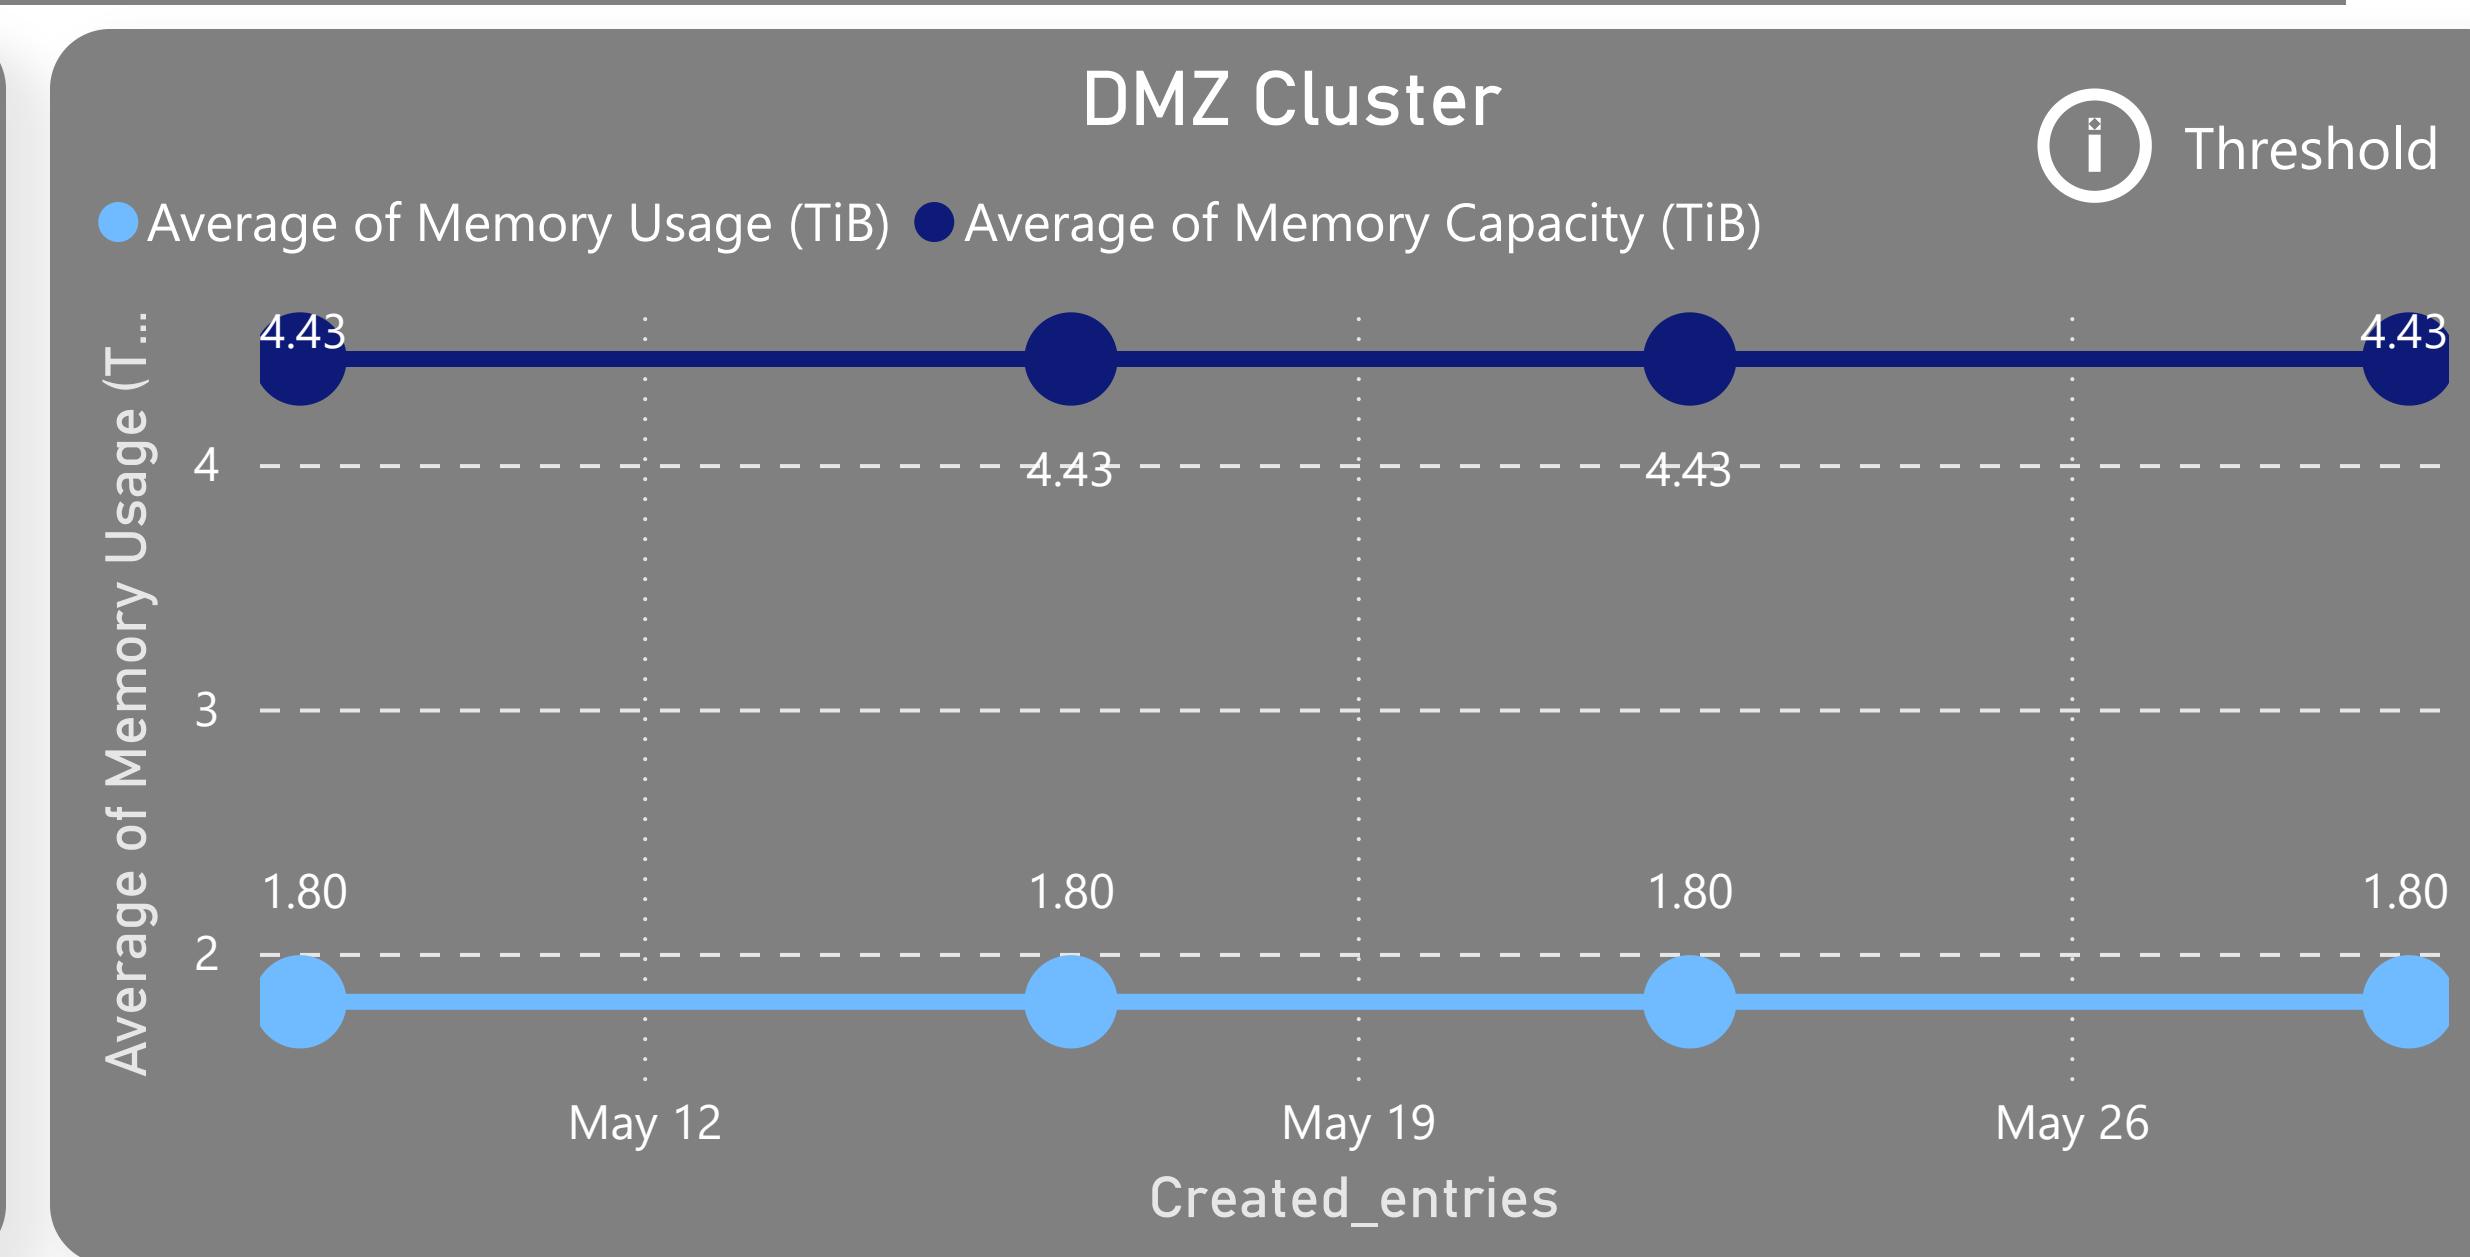

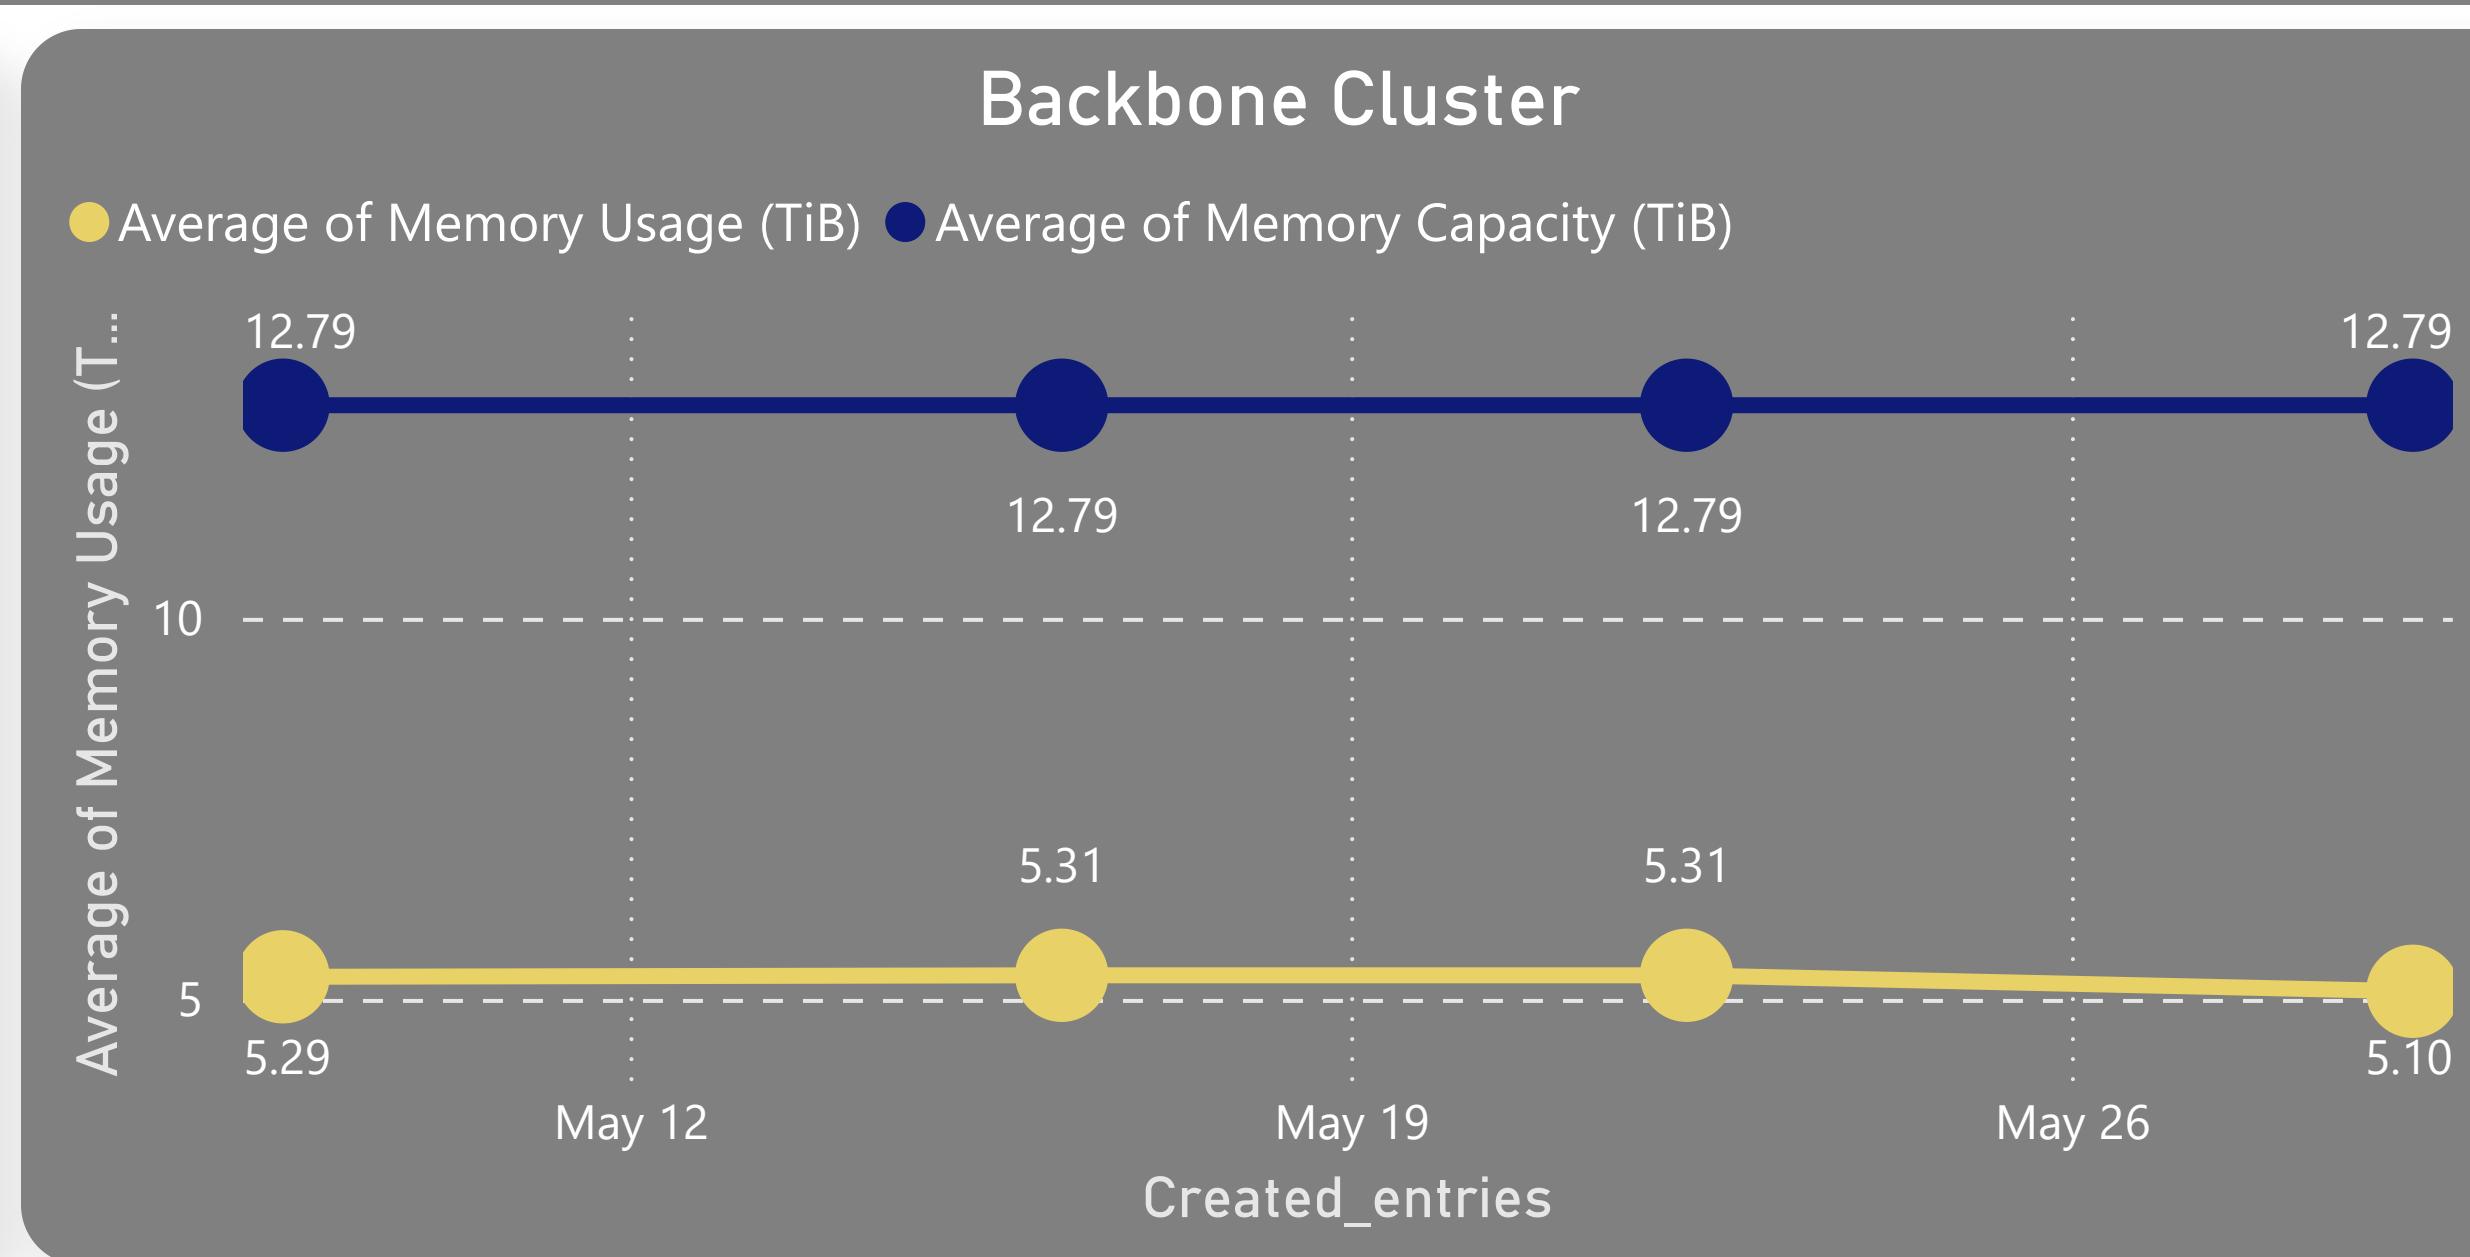

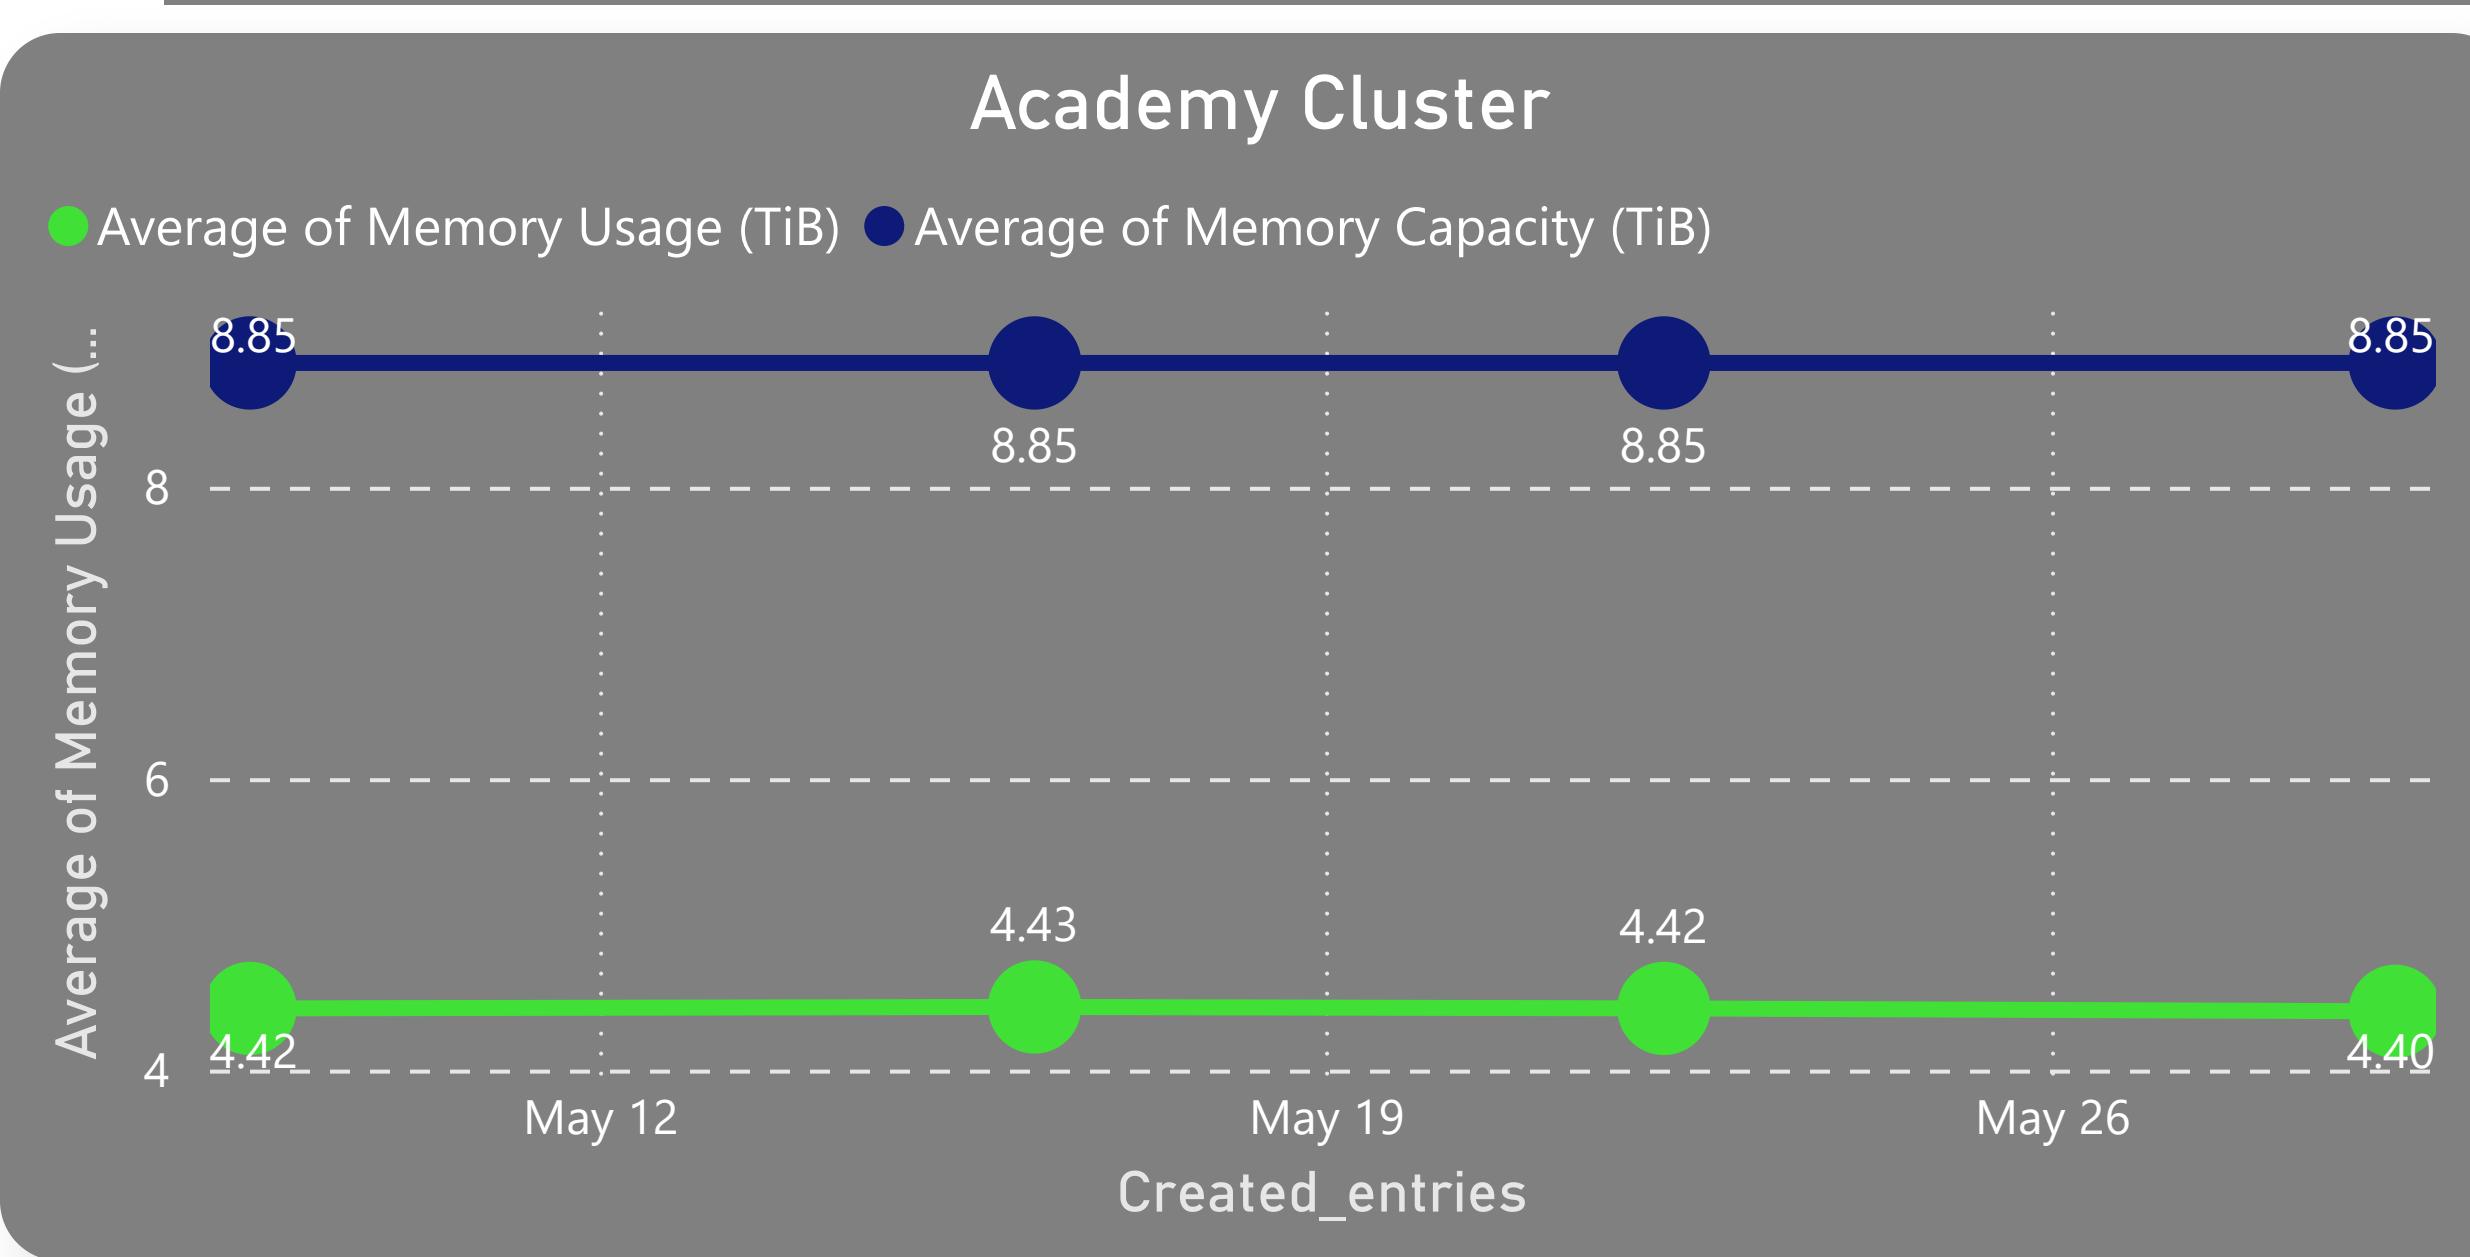

Total VM Count for Backbone Cluster -

257

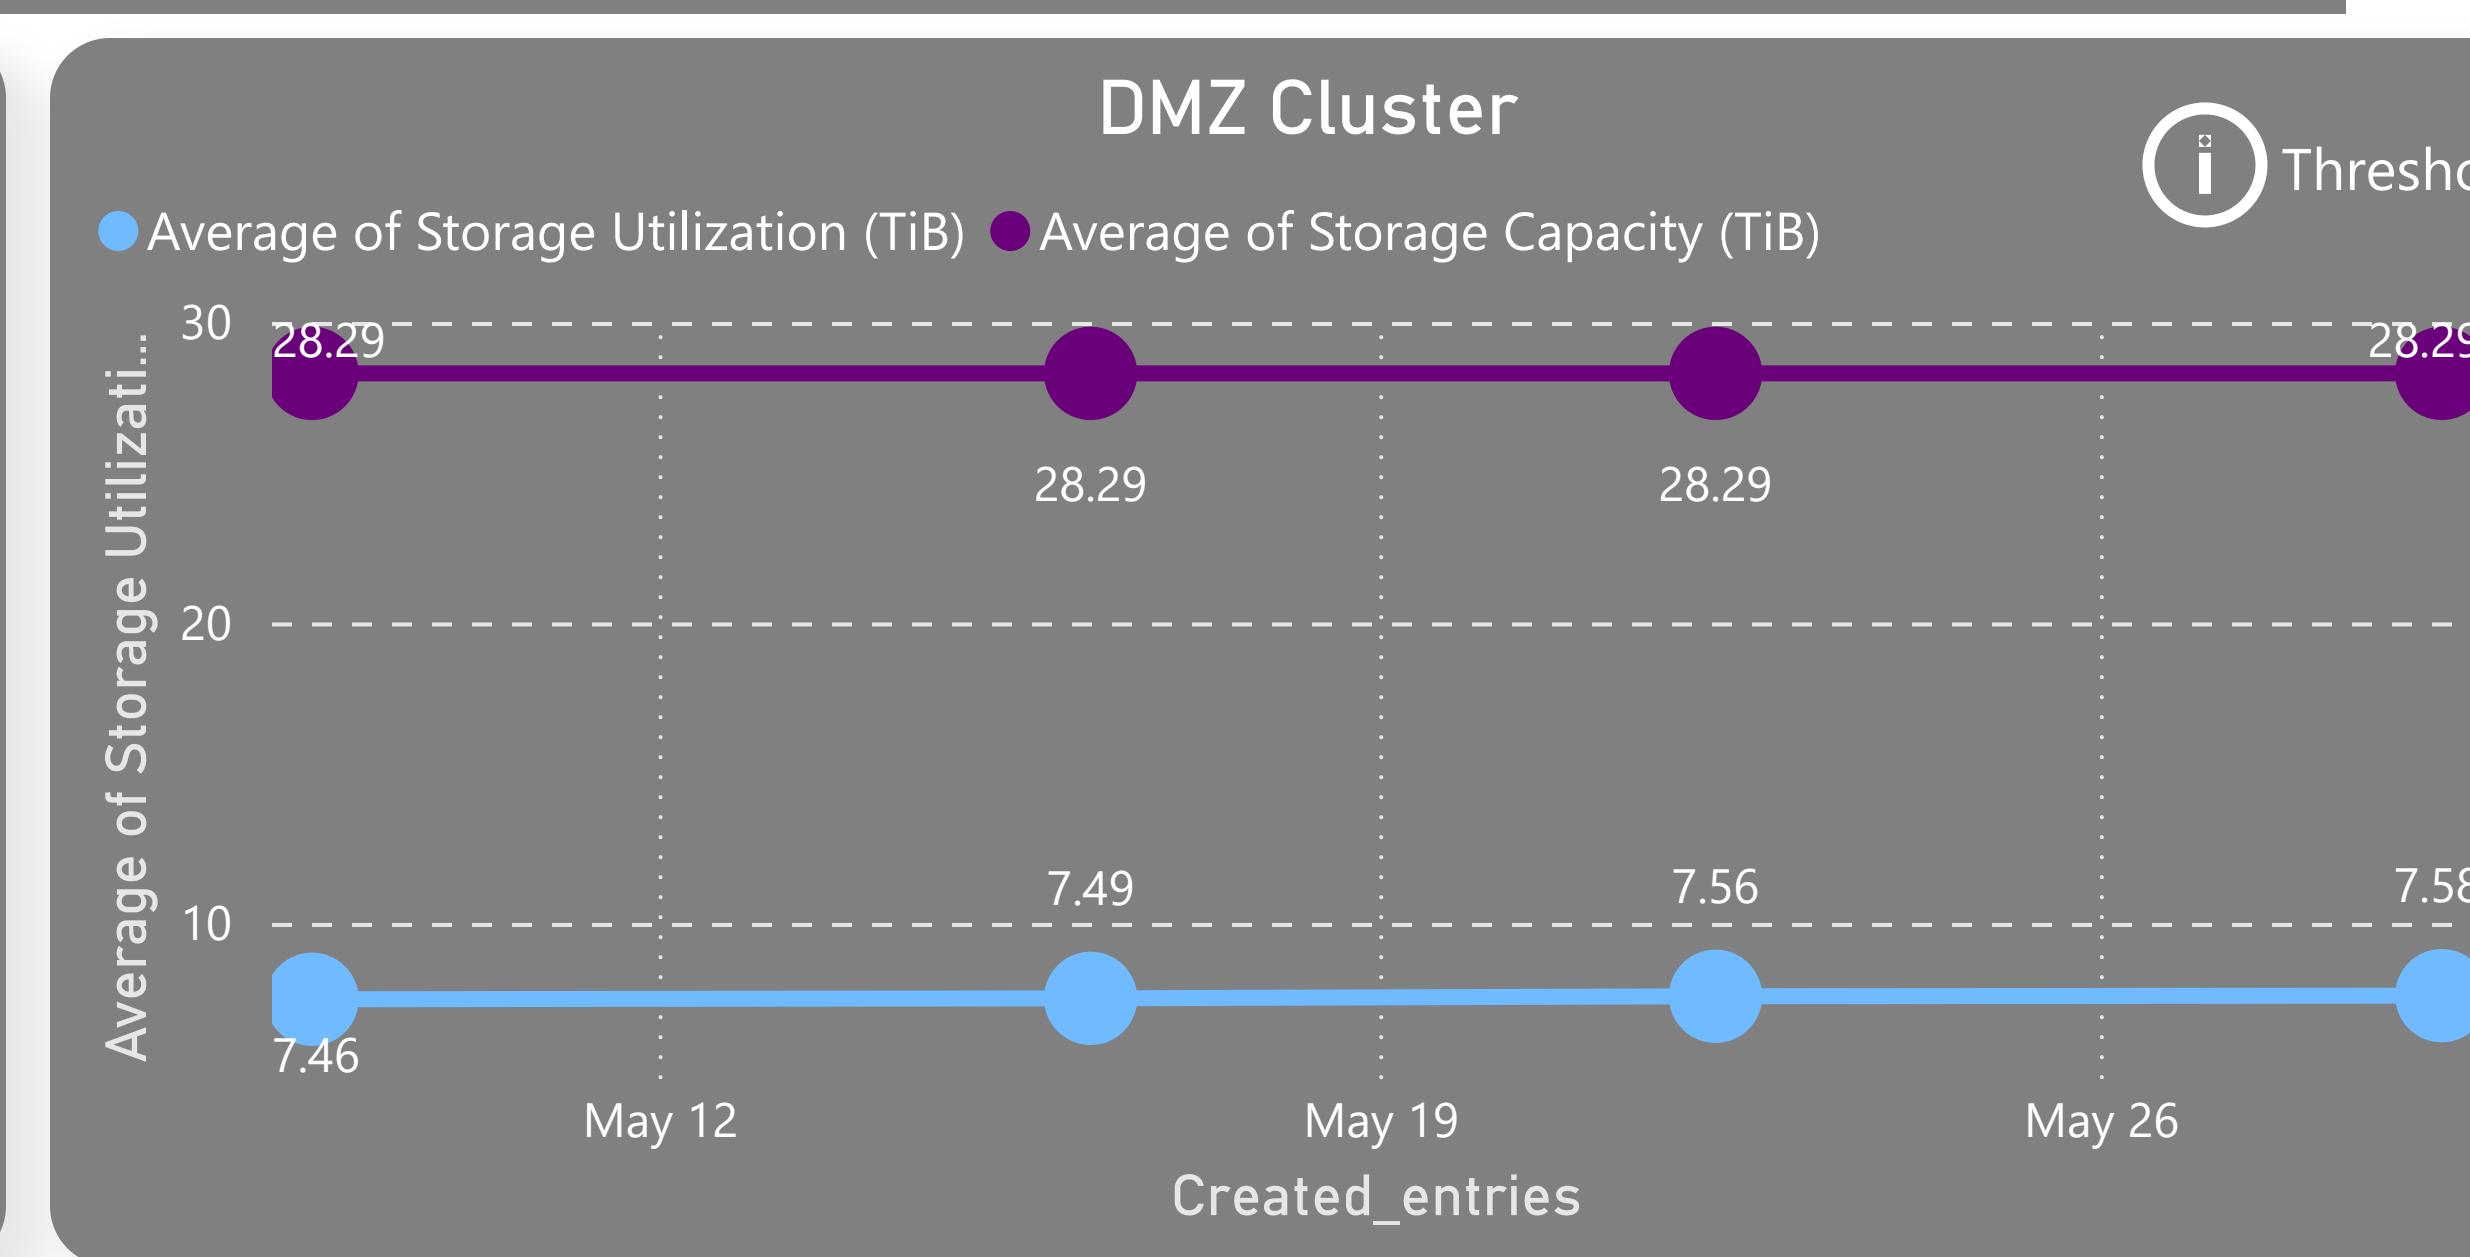

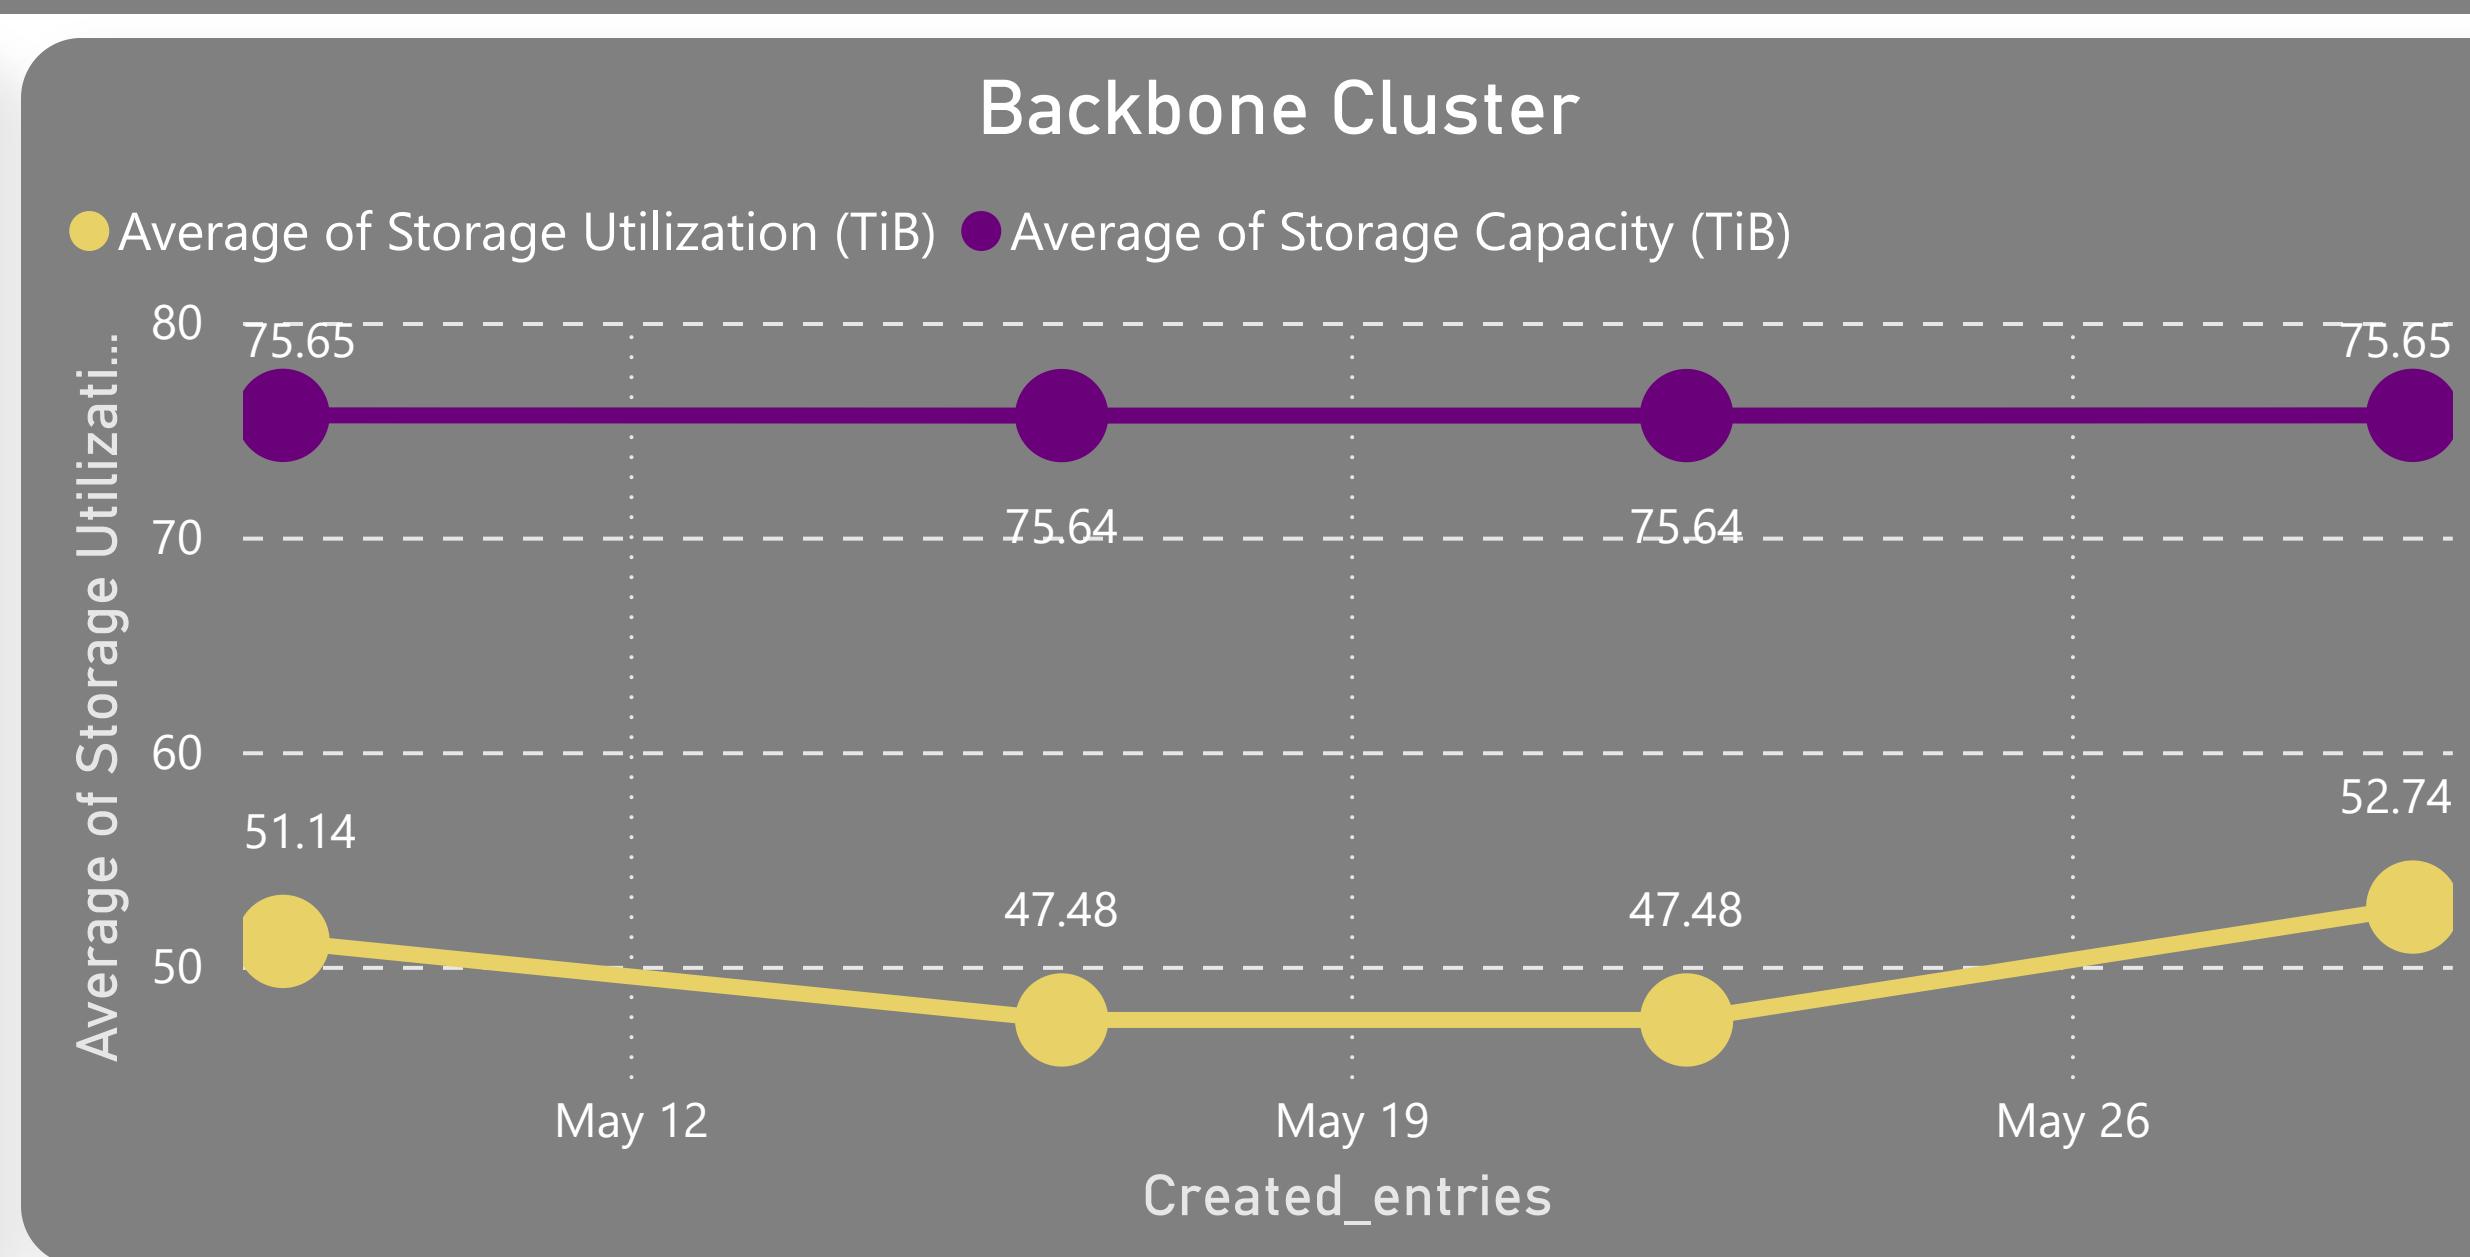

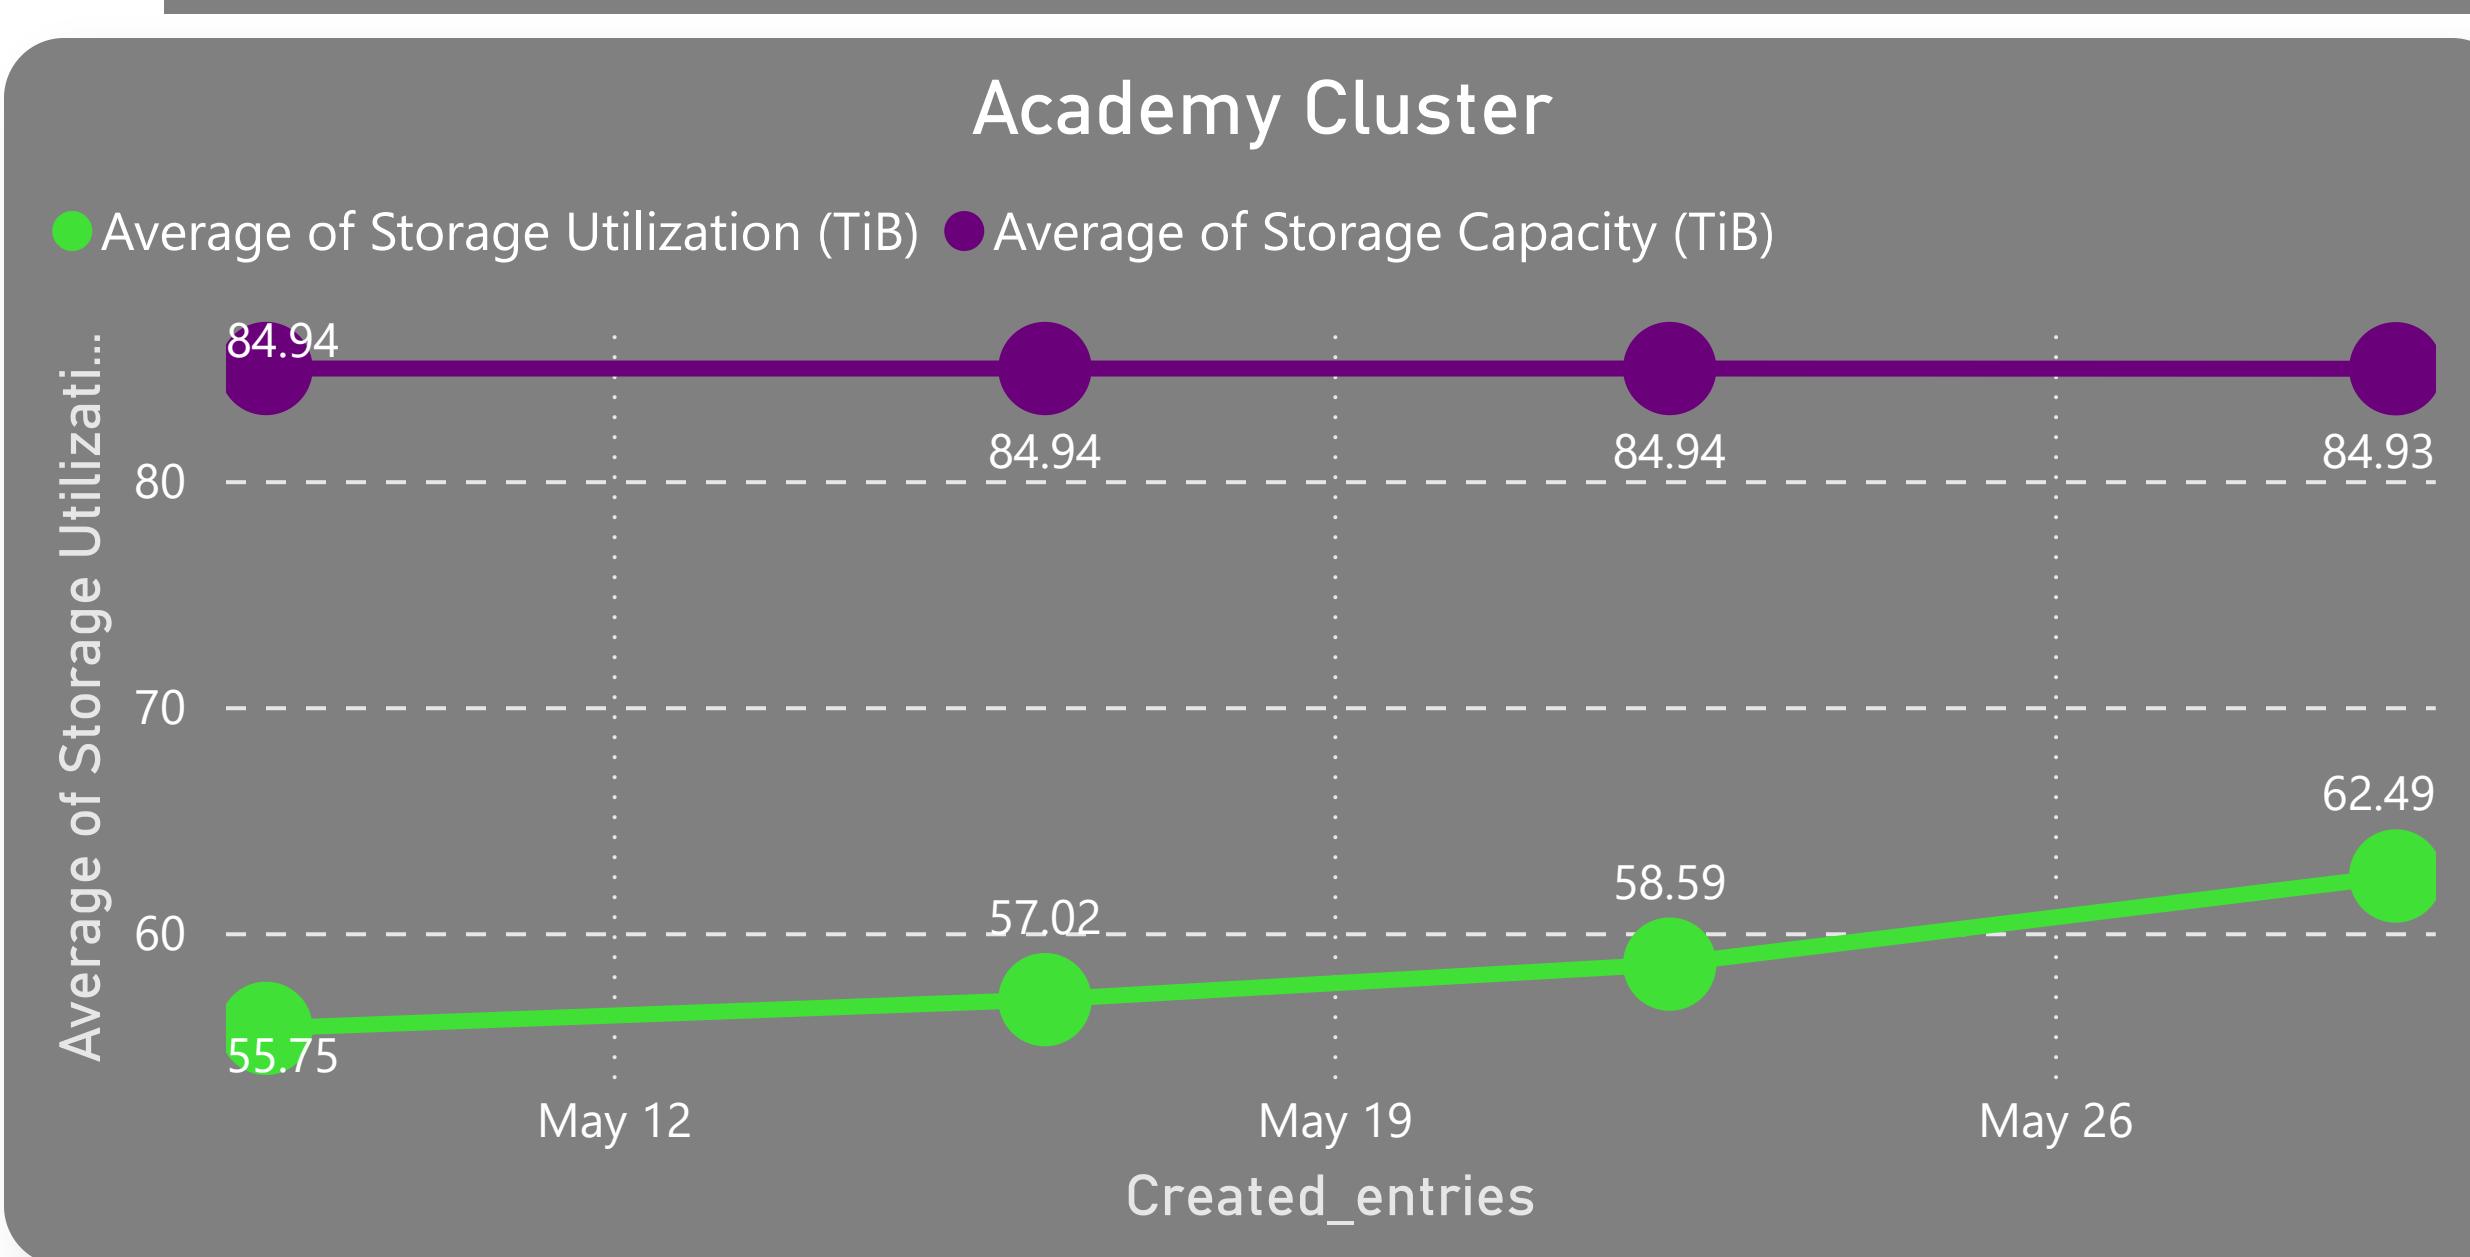

Total VM Count for DMZ Cluster -

55

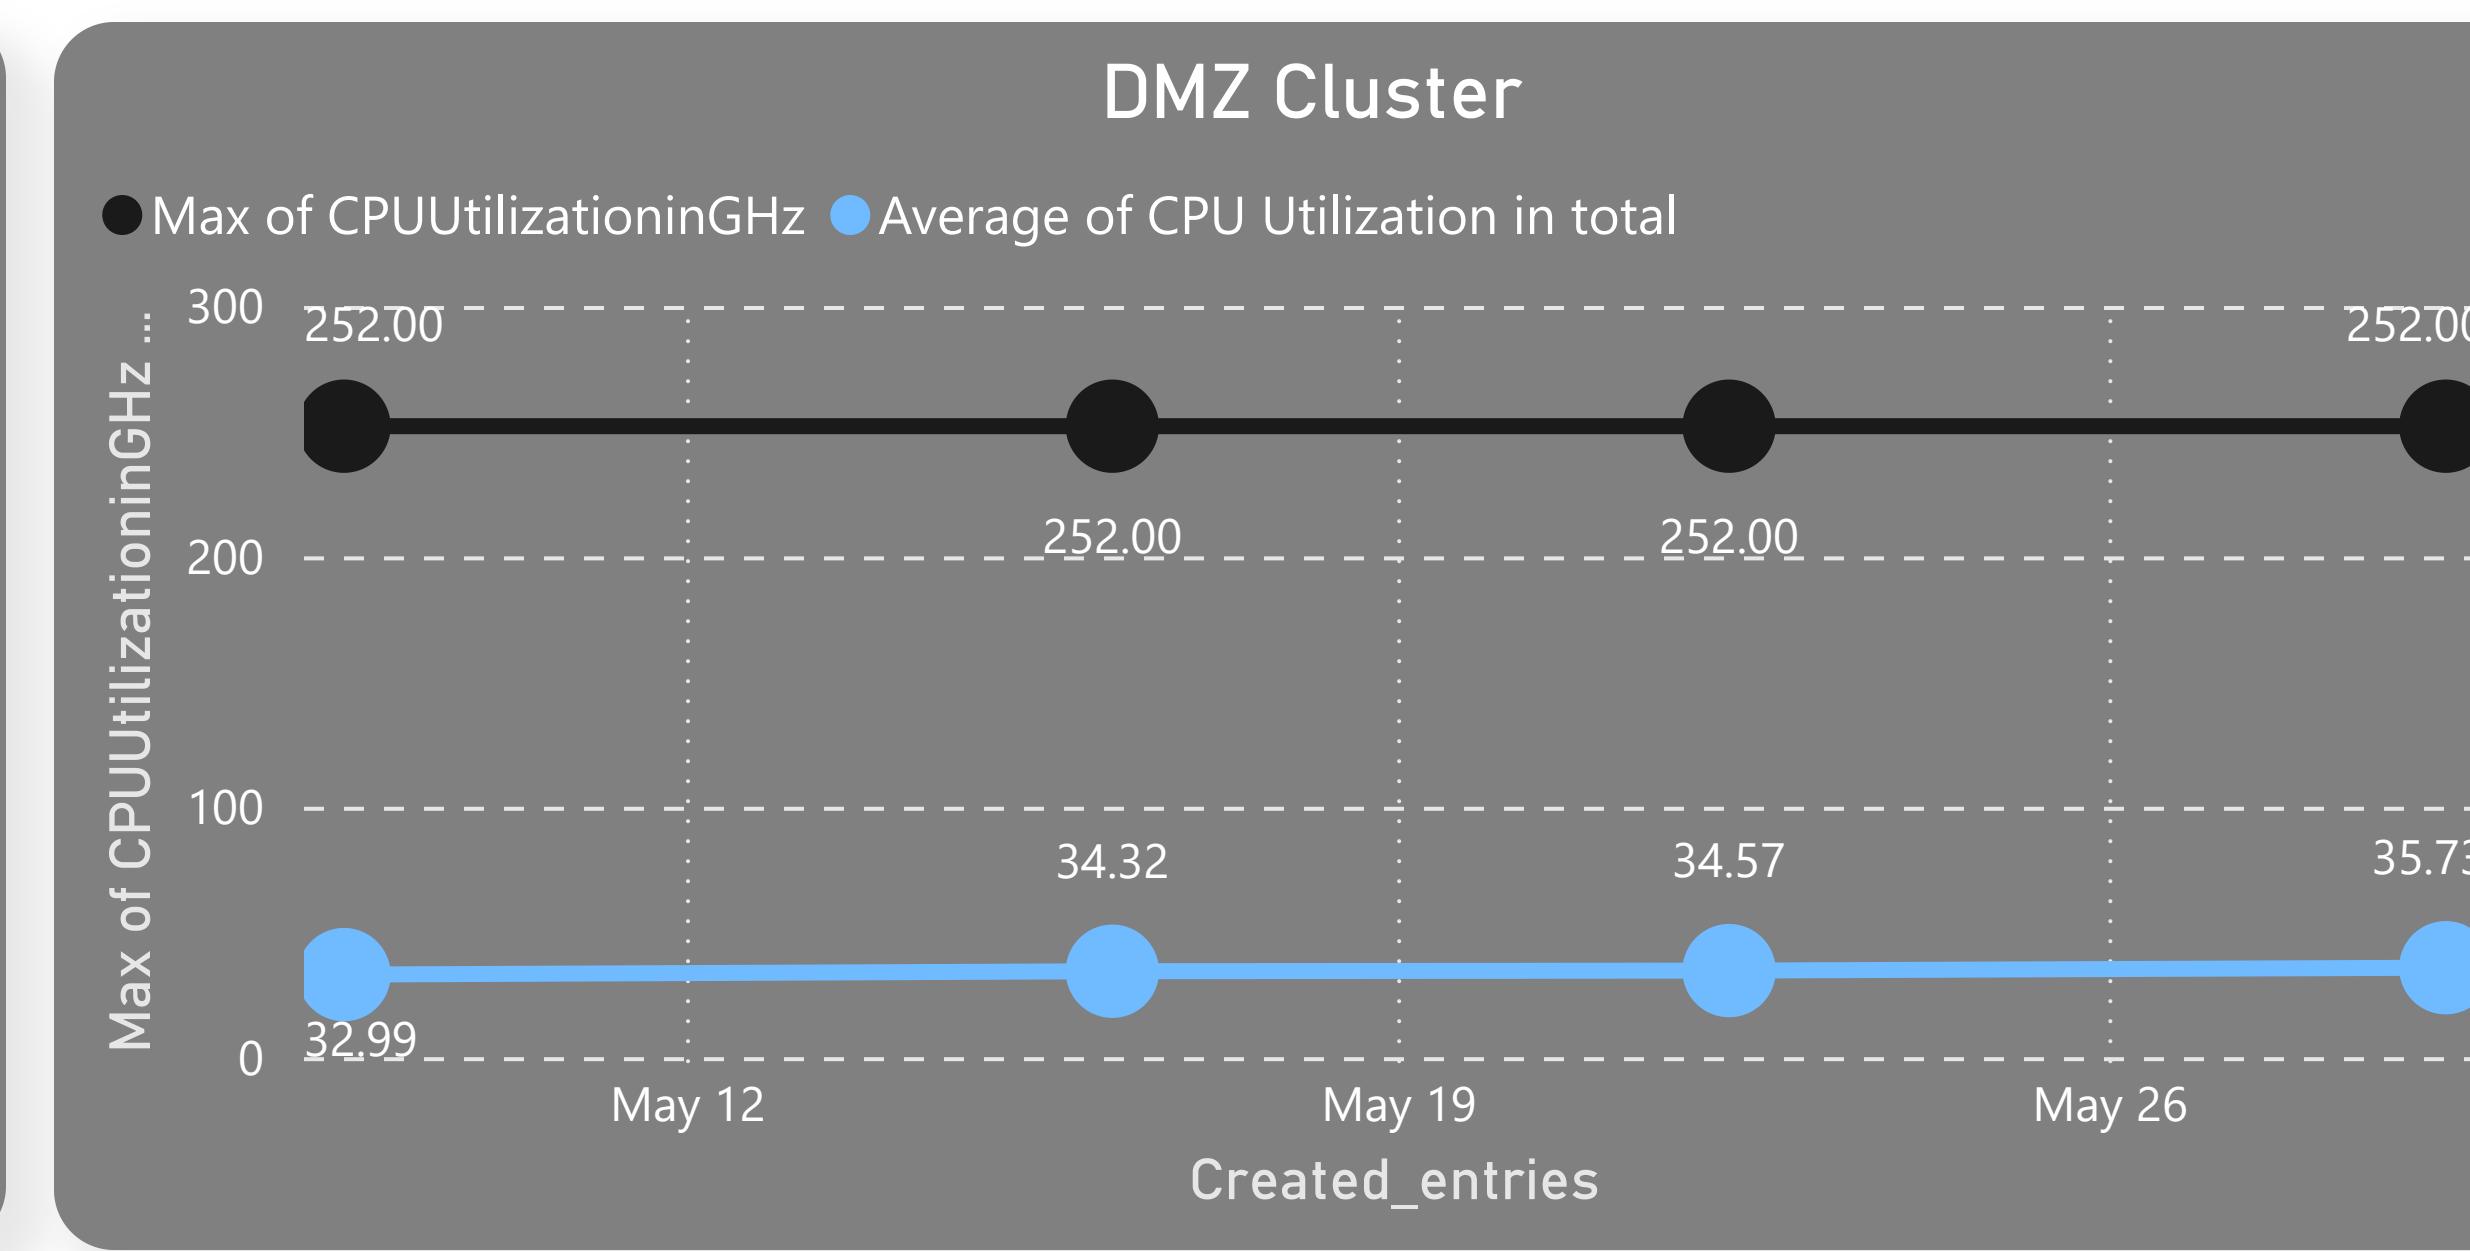

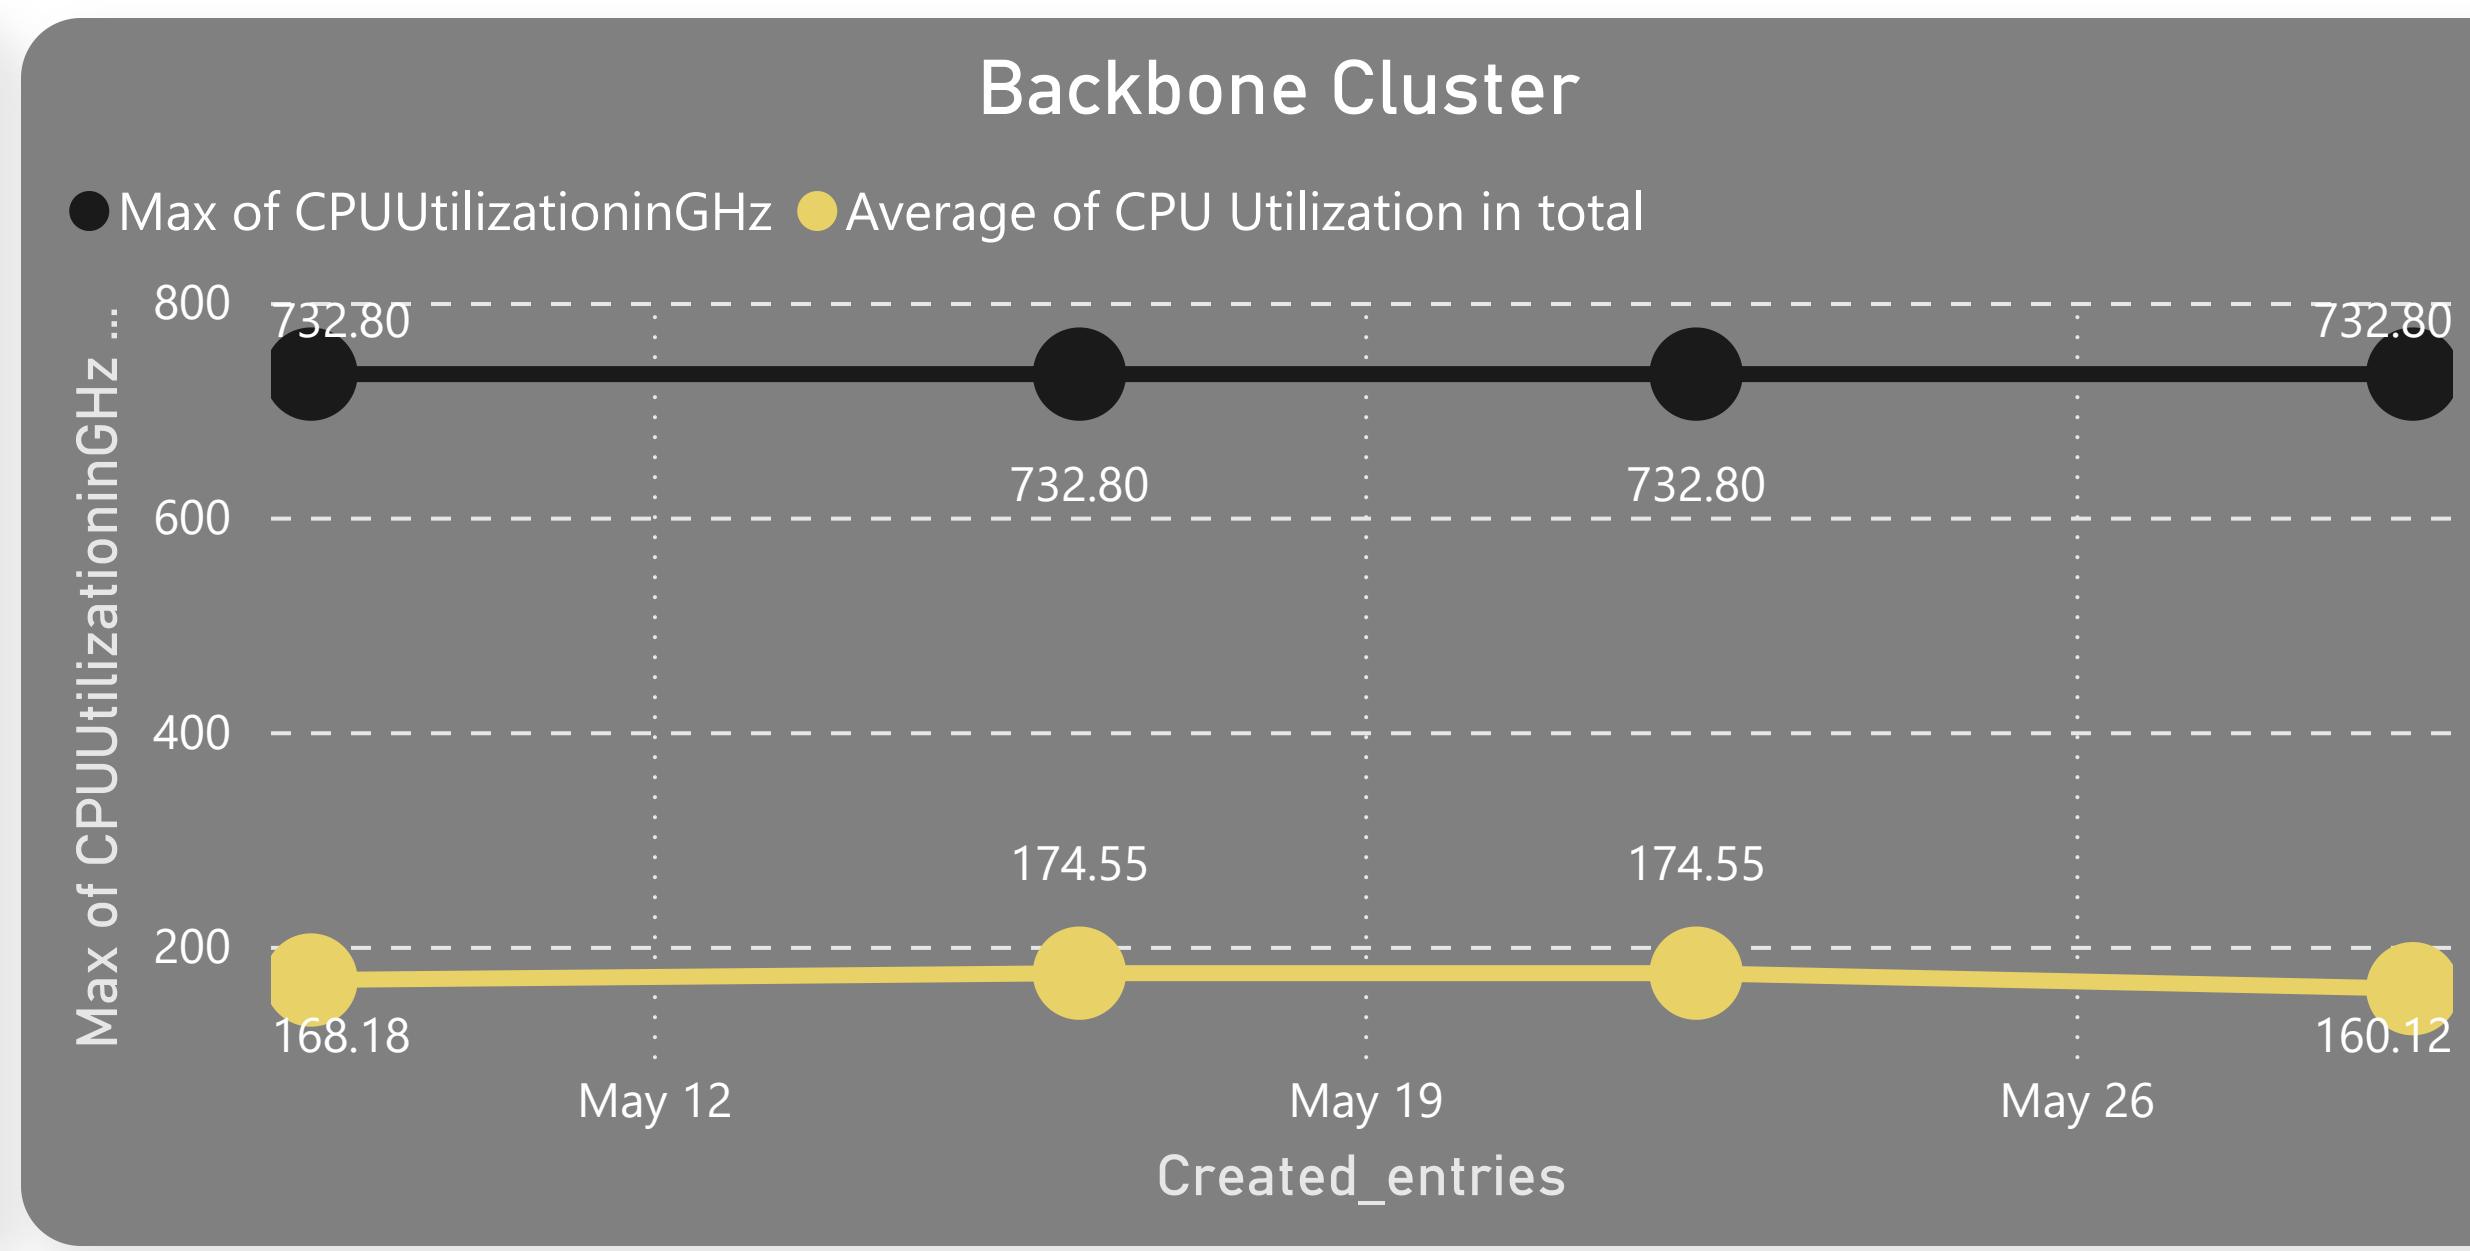

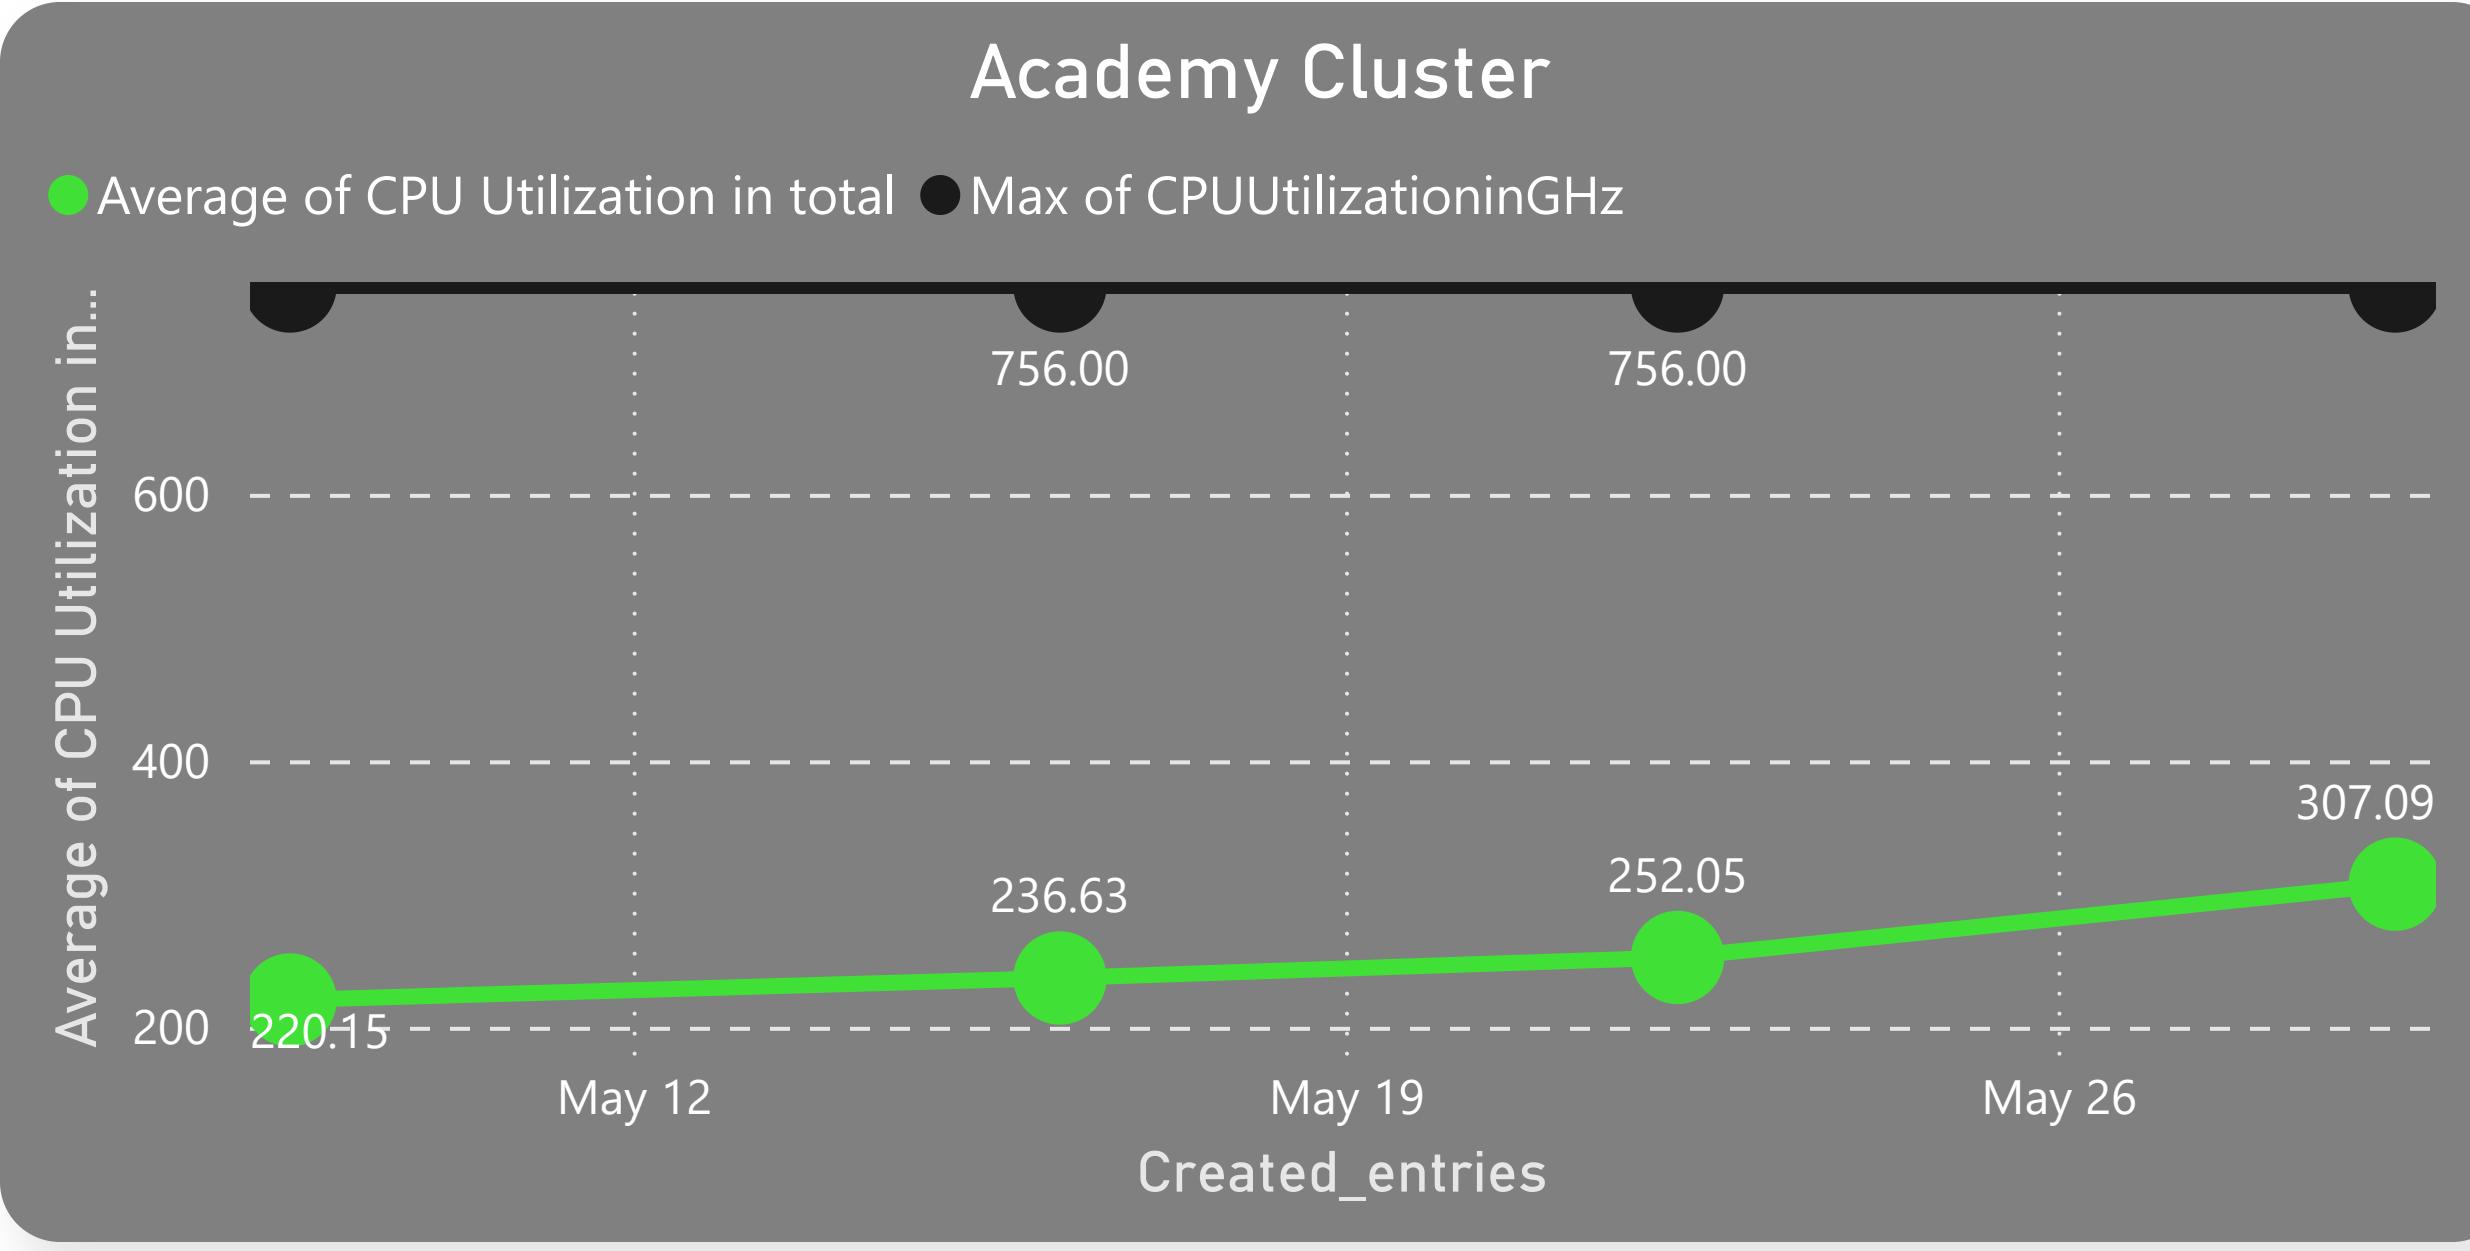

Memory Utilization with Maximum capacity in each Cluster

Storage Utilization with Maximum capacity in each Cluster

CPU Utilization with Maximum capacity in each Cluster
